Opinion

ORDER GRANTING IN PART AND DENYING IN PART PLAINTIFFS' MOTION FOR SUMMARY JUDGMENT, GRANTING IN PART AND DENYING IN PART DEFENDANT'S MOTION FOR SUMMARY JUDGMENT, DENYING PLAINTIFFS' MOTION FOR LEAVE TO FILE A SECOND SUPPLEMENTAL COMPLAINT, AND DENYING DEFENDANT'S MOTION TO STAY THE COURT'S CONSIDERATION OF THE CROSS-MOTIONS FOR SUMMARY JUDGMENT

This case involves a constitutional challenge to a municipal ordinance that regulates panhandling. Currently before the

Court are cross-motions for summary judgment. Defendant City of *Grand Junction* ("Grand Junction" or "the City") filed its motion for summary judgment on February 17, 2015. (Doc. #84.) That same day, Plaintiffs Debra Browne, Mary Jane Sanchez, Humanists Doing Good, and Eric Niederkruger¹ and Plaintiff-Intervenor [*2] Greenpeace, Inc. (collectively "Plaintiffs") filed their motion for summary judgment. (Doc. # 85.) Also before the Court is Plaintiffs' Motion for Leave to File a Second Supplemental Complaint, which was filed on November 21, 2014 (Doc. # 66), and **Grand Junction**'s Motion to Stay the Court's Consideration of the Pending Cross-Motions for Summary Judgment for Sixty Days, which was filed on September 22, 2015 (Doc. # 110). For the reasons that follow, the Court GRANTS IN PART AND DENIES IN PART Plaintiffs' Motion for Summary Judgement (Doc. #85), GRANTS IN PART AND DENIES IN PART Grand Junction's Motion for Summary Judgment (Doc. # 84), DENIES Plaintiffs' Motion for Leave to File a Second Supplemental Complaint (Doc. # 66), and DENIES Grand Junction's Motion to Stay the Court's Consideration of the Pending Cross-Motions for Summary Judgment for Sixty Days (Doc. # 110).

I. FACTUAL AND PROCEDURAL BACKGROUND

A. Ordinance No. 4618

On February 19, 2014, *Grand Junction* adopted Ordinance No. 4618, entitled "An Ordinance Prohibiting Activities Relating to Panhandling." (Doc. # 1-1.) Ordinance No. 4618 amended Title 9 of [*3] the *Grand Junction* Municipal Code to include a new Chapter 5, entitled "Prohibited Activities." Section 9.05.020 of Ordinance No. 4618, which set forth the defined terms, stated, "*Panhandle / panhandling* shall mean to knowingly approach, accost or stop another person in a public place and solicit that person, whether by spoken words, bodily gestures, written signs or other means, for money, employment or other thing of value." (Doc. # 1-1 at 2-3.) Section 9.05.040 of Ordinance No. 4618, entitled "General panhandling and solicitation," stated:

¹ Mr. Niederkruger was dismissed from this action June 8, 2015. (Doc. # 102.)

It shall be unlawful for any person to panhandle

- (a) One-half (1/2) hour after sunset to one-half (1/2) hour before sunrise:
- (b) If the person panhandling knowingly engages in conduct toward the person solicited that is intimidating, threatening, coercive or obscene and that causes the person solicited to reasonably fear for his or her safety;
- (c) If the person panhandling directs fighting words to the person solicited that are likely to create an imminent breach of the peace;
- (d) If the person panhandling knowingly touches or grabs the person solicited;
- (e) If the person panhandling knowingly continues to request the person solicited for money or other thing of value after the person [*4] solicited has refused the panhandler's request;
- (f) If the person panhandling knowingly solicits an at-risk person;
- (g) In such a manner that the person panhandling obstructs a sidewalk, doorway, entryway, or other passage way in a public place used by pedestrians or obstructs the passage of the person solicited or requires the person solicited to take evasive action to avoid physical contact with the person panhandling or with any other person;
- (h) Within one hundred (100) feet of an automatic teller machine or of a bus stop;
- (i) On a public bus;
- (j) In a parking garage, parking lot or other parking facility;
- (k) When the person solicited is present within the patio or sidewalk serving area of a retail business establishment that serves food and/or drink, or waiting in line to enter a building, an event, a retail business establishment, or a theater;
- (1) On or within one hundred (100) feet of any school or school grounds.

(Doc. # 1-1 at 3.)

Ordinance No. 4618 also contained section 9.05.050, entitled "Panhandling and soliciting on or near public streets and highways," which stated:

It shall be unlawful for any person to panhandle or to solicit employment, business contributions or sales of any kind, or to [*5] collect money for the same, directly from the occupant of any vehicle traveling upon any public street or highway when:

- (a) Such panhandling, solicitation or collection involves the person performing the activity to enter onto the traveled portion of a public street or highway to complete the transaction, including, without limitation, entering onto bike lanes, street gutters or vehicle parking areas; or
- (b) The person performing the activity is located such that vehicles cannot move into a legal parking area to safely complete the transaction.

Notwithstanding the foregoing in this Section 9.05.050, it shall be unlawful for any person to panhandle or to solicit or attempt to solicit employment, business, or contributions of any kind directly from the occupant of any vehicle on any highway included in the interstate or state highway system, including any entrance to or exit from such highway.

(Doc. # 1-1 at 4.)

Section 9.05.060, entitled "Enforcement and penalties," stated that "[v]iolation of any provision of this Chapter shall constitute a misdemeanor." (Doc. # 1-1 at 4.) Section 9.05.030 stated that Ordinance No. 4618 was to go into effect "thirty (30) days following publication." (Doc. # 1-1 at 3.) Ordinance No. 4618 was published on February [*6] 21, 2014, and, therefore, was to go into effect on March 23, 2014.

B. Plaintiffs' Complaint and Plaintiff Stewart's Supplemental Complaint

Before Ordinance No. 4618 went into effect, Plaintiffs Debra Browne, Mary Jane Sanchez, Cynthia Stewart, Steve Kilcrease² Humanists Doing Good, and Eric Niederkruger filed suit on March 18, 2014. (Doc. # 1.) The complaint states that Plaintiff Debra Browne, a resident of Palisade, Colorado, and Plaintiffs Mary Jane Sanchez and Cynthia Stewart, residents of *Grand Junction*, are "needy and engage[] in peaceful, nonthreatening solicitation in *Grand Junction* in a manner and in situations that violate the Ordinance." (Doc. # 1 at 3.) The complaint also states that Plaintiff Humanists Doing Good "is a non-profit corporation that carries out peaceful, nonthreatening fundraising activities

² Mr. Kilcrease was voluntarily dismissed [*7] with prejudice from this action on January 9, 2015. (Doc. #72.)

in *Grand Junction* in a manner and in situations that violate the Ordinance." (Doc. # 1 at 3.) Plaintiffs explicitly state in their complaint that they challenge subsections (a), (e), (f), and (h) through (l) of section 9.05.030, and that they do not challenge subsections (b), (c), (d), and (g). (Doc. # 1 at 6.) Plaintiffs also challenge the final sentence of section 9.05.050, but they do not challenge subsections (a) and (b) of section 9.05.050. (Doc. # 1 at 6.)

In their first claim for relief, Plaintiffs assert a facial challenge to the disputed subsections of section 9.05.050 of Ordinance No. 4618 on constitutional grounds, alleging that "[t]he challenged Ordinance unconstitutionally infringes or imminently threatens to infringe the freedom of Plaintiffs to fully exercise their *First Amendment* rights, including their rights of freedom of speech and freedom of expression, in violation of the *First Amendment*." (Doc. # 1 at 14.) In their fifth claim for relief³ Plaintiffs allege that "[t]he Ordinance unconstitutionally infringes or imminently threatens to infringe the freedom of Plaintiffs to fully exercise their rights of freedom of speech and freedom of expression, in violation of *Article II*, *Section 10 of the Colorado Constitution*." (Doc. # 1 at 17.)

In their second and sixth claims for relief, Plaintiffs allege that "[t]he Ordinance establishes classifications that discriminate against Plaintiffs Browne, Stewart, Sanchez, Kilcrease, and Humanists Doing Good solely on the basis of the content [*8] of the communications that they wish to direct to the public" and that "[t]he discrimination against Plaintiffs unconstitutionally burdens the exercise of fundamental rights," including "the rights of freedom of speech and expression as well as the fundamental right to liberty." (Doc. # 1 at 15, 18.) According to Plaintiffs, the classifications established by Ordinance No. 4618 deny them the equal protection of the laws, in violation of both the Fourteenth Amendment to the United States Constitution (second claim for relief) (Doc. # 1 at 15) and the equal protection component of Article II, Section 25 of the Colorado Constitution (sixth claim for relief) (Doc. # 1 at 18).

In their third and seventh claims for relief, Plaintiffs allege that Ordinance No. 4618: (1) "fails to provide adequate notice that would enable the ordinary person to understand what conduct it prohibits"; (2) "fails to establish adequate guidelines to govern law enforcement"; and (3) "authorizes

and encourages arbitrary and discriminatory enforcement." (Doc. # 1 at 16, 19) Thus, Plaintiffs assert, Ordinance No. 4618 is unconstitutionally vague, in violation of both the *Fourteenth Amendment to the United States Constitution* (third claim for relief) (Doc. # 1 at 16, 19) and the *Due Process Clause of Article II, Section 25 of the Colorado Constitution* (seventh claim for relief) (Doc. # 1 at 19).

Plaintiffs seek a declaratory judgment holding that [*9] the challenged provisions of Ordinance No. 4618 violate both the United States Constitution and the Colorado Constitution. (Doc. # 1 at 20.) Plaintiffs also request injunctive relief prohibiting *Grand Junction* from enforcing the challenged provisions of Ordinance No. 4618. (Doc. # 1 at 20.)

On August 11, 2014, Plaintiff Stewart filed an unopposed motion for leave to file a supplemental complaint (Doc. # 60), which the Court granted on August 19, 2014. (Doc. # 61.) In her supplemental complaint, Plaintiff Stewart "sets forth events that have transpired since the filing of the original Complaint in this action on March 18, 2014." (Doc. # 62 at 1.) According to Plaintiff Stewart, "[t]hese events support a claim for nominal damages," which she seeks in addition to all Plaintiffs' requests for declaratory and injunctive relief. (Doc. # 62 at 1.)

C. Plaintiffs' Motion for Preliminary Injunctive Relief

On March 19, 2014, Plaintiffs moved for a temporary restraining order and preliminary injunction. (Doc. # 6.) During a March 21, 2014 hearing on Plaintiffs' motion (Doc. # 16), United States District Judge Philip A. Brimmer⁴ found that Plaintiffs lacked standing to challenge the provisions of section 9.05.040 because [*10] Plaintiffs, who did not allege in their complaint that they approach, accost, or stop anyone before soliciting them, do not engage in "panhandling" as defined in section 9.05.020 and, therefore, Plaintiffs did not have a credible fear of prosecution. (Doc. # 16 at 42.) However, Judge Brimmer did find that Plaintiffs had standing to challenge section 9.05.050 and that they were entitled to an injunction prohibiting Grand Junction from enforcing the last sentence of that section, which dealt with soliciting on public highways and highway exits. (Doc. # 16 at 53.) Judge Brimmer issued a written order that provided further analysis and support for his ruling from the bench. (Doc. # 15.)

Immediately following the hearing, Plaintiffs filed an emergency motion for reconsideration of Judge Brimmer's

³ Plaintiffs' fourth and eight claims for relief relate solely to Mr. Niederkruger. (Doc. # 1 at 16, 19-20.) Because Mr. Niederkruger has been dismissed from the action, these claims no longer apply.

⁴ Plaintiffs' motion was before Judge Brimmer pursuant to Federal Rule of Civil Procedure 63.

order (Doc. # 10), which included a supplemental declaration from Plaintiff Stewart stating that "when [she] ask[s] people for money at the bus stop[, she] sometimes walk[s] up to and approach[es] the person in a non-aggressive way and ask[s] for the change that [she] need[s] to cover [her] bus fare." (Doc. # 10-1.) In a written order, Judge Brimmer denied Plaintiffs' emergency motion stating that the submission [*11] of Plaintiff Stewart's supplemental declaration "d[id] not provide a legitimate basis for reconsideration" because those facts were available for presentation at the time of the original argument. (Doc. # 14 at 4.)

On March 27, 2014, the parties filed a joint motion to withdraw Plaintiffs' preliminary injunction motion because "[t]he parties . . . reached an agreement which obviates the need to hold a hearing or prepare briefing on the Plaintiffs' PI Motion." (Doc. # 21 at 2.) The Chief of Police of *Grand Junction*, John Camper ("Chief Camper"), issued an order to the police officers under his command to "not enforce Ordinance No. 4618 pending resolution of the claims subject to litigation in this civil action." (Doc. # 21 at 2.) That same day, this Court granted the joint motion to withdraw Plaintiffs' motion for a preliminary injunction. (Doc. # 22.)

On March 31, 2014, Greenpeace, Inc., moved for leave to intervene as a plaintiff in this action. (Doc. # 23.) Greenpeace is an "independent, fully member-driven non-profit organization" that uses canvass operations to provide financial support to the organization and educate the public about its work. (Doc. # 23 at 2.) Greenpeace's complaint in intervention [*12] echoes the same claims and requests for relief set forth in Plaintiffs' complaint. (Doc. # 23-2.)⁵

D. Ordinance No. 4627

On April 2, 2014, the *Grand Junction* City Council passed Ordinance No. 4627, entitled "An Emergency Ordinance to Amend Ordinance No. 4618 Regulating Panhandling Activities in Public Places." (Doc. # 25-4.) Ordinance No. 4627 amended the definition of "panhandle / panhandling" to include the phrase "without that person's consent" after "solicit that person," so that the amended definition reads:

Panhandle / panhandling shall mean to knowingly approach, accost or stop another person in a public

place and solicit that person without that person's consent, whether by spoken words, bodily gestures, written signs or other means, for money, employment or other thing of value.

(Doc. # 25-4 at 4 (emphasis added to [*13] highlight the added language).) Ordinance No. 4627 also amended section 9.05.040, which sets forth the specific restrictions on panhandling. Ordinance No. 4627 differs from Ordinance No. 4618 in that it: (1) removed entirely the restriction on panhandling an "at-risk person"; (2) reduced from 100 feet to 20 feet the area around an ATM or bus stop within which panhandling is prohibited; (3) narrowed the prohibition on panhandling to "public parking garages" specifically, as opposed to "parking garages" generally; and (4) removed entirely the prohibition on panhandling on or within 100 feet of any school or school grounds. (Doc. # 25-4 at 5.) Ordinance No. 4627 also removed the last sentence in section 9.05.050. (Doc. # 25-4 at 6.) Pursuant to section 9.05.030, Ordinance No. 4627 took effect "immediately upon passage" by the City Council. (Doc. # 25-4 at 5.) **Grand Junction** planned to begin enforcement of Ordinance No. 4627 on April 14, 2014.6 (Doc. # 25-5 at 5.)

E. Grand Junction's Motion to Dismiss

On May 19, 2014, <u>Grand Junction</u> filed a motion to dismiss pursuant to <u>Federal Rules of Civil Procedure 12(b)(1)</u> and <u>12(b)(6)</u>. (Doc. # 46.) While this motion to dismiss was pending, [*14] Plaintiffs filed their Motion for Leave to File a Second Supplemental Complaint on November 21, 2014 (Doc. # 66), and both parties filed cross-motions for summary judgment on February 17, 2015 (Doc. ## 84, 85).

On March 30, 2015, this Court granted in part and denied in part *Grand Junction*'s motion to dismiss. (Doc. # 96.) Specifically, this Court granted *Grand Junction*'s motion "insofar as it argues that Plaintiffs' challenges to Ordinance 4618 are moot and Plaintiffs lack standing to challenge the prohibition against solicitation on buses." (Doc. # 96 at 16.) *Grand Junction* had argued that Plaintiffs' challenge to Ordinance No. 4618 was moot because that ordinance had been replaced by Ordinance No. 4627, and that Plaintiffs lacked standing to challenge the prohibition against solicitation on buses because none of them asserted that they had solicited, or planned to solicit, donations on buses. This Court denied *Grand Junction*'s motion to dismiss

⁵ On April 25, 2014, the Court granted Greenpeace's motion to intervene. (Doc. # 35.) Three days later, on April 28, 2014, Alexis Gallegos filed an unopposed motion for leave to intervene as a plaintiff in this action. (Doc. # 37.) That motion was granted on April 29, 2014. (Doc. # 40.) On January 20, 2015, Ms. Gallegos was dismissed without prejudice. (Doc. ## 76, 96.)

⁶ Based on the record before the Court, it does not appear that *Grand Junction* ever enforced Ordinance No. 4627.

"insofar as it argues that Plaintiffs lack standing to challenge the prohibition against soliciting people within sidewalk serving areas and waiting in line." (Doc. # 96 at 16.) This Court reserved ruling on the balance of *Grand Junction*'s [*15] arguments. (Doc. # 96 at 16.) On June 8, 2015, this Court denied the remainder of *Grand Junction*'s motion to dismiss, concluding that Plaintiffs sufficiently stated *First Amendment*, equal protection, and due process claims. (Doc. # 102.)

F. Grand Junction's Motion for Summary Judgment

Grand Junction's motion for summary judgment presents four arguments: (1) this Court lacks subject-matter jurisdiction over the claims because Plaintiffs lack standing and because some of Plaintiffs' claims are moot (Doc. # 84 at 14-19); (2) Ordinance No. 4627 does not violate Plaintiffs' free speech rights (Doc. 84 at 19-31); (3) Plaintiffs' equal protection claims fail (Doc. # 84 at 31-33); and (4) Plaintiffs' due process challenges fail (Doc. # 84 at 33-35).

Grand Junction argues that Plaintiffs lack standing—and, therefore. this Court subject-matter lacks jurisdiction—because their conduct is not covered by Ordinance No. 4627. (Doc. # 84 at 15.) This argument is based on Grand Junction's assertion that Plaintiffs "all admit that the people who engage with them do so voluntarily of their own free will" and that Plaintiffs Browne and Greenpeace "admit they do not approach, accost, or stop anyone." (Doc. # 84 at 15.) [*16] According to *Grand* Junction, the prohibitions of Ordinance No. 4627 do not reach Plaintiffs' conduct because the ordinance explicitly defines "panhandling" as "knowingly approach[ing], accosting[ing], or stop[ping] another person" to solicit that person "without that person's consent." (Doc. # 84 at 16.) Thus, under *Grand Junction*'s reading of Ordinance No. 4627, the conduct engaged in by Plaintiffs is not panhandling and, therefore, not limited in any way by Ordinance No. 4627.

Grand Junction argues that this Court also lacks subject-matter jurisdiction because Plaintiffs' challenges to Ordinance No. 4618 "were rendered moot by the passage of Ordinance No. 4627." (Doc. # 84 at 17.) Specifically, **Grand Junction** notes that Ordinance No. 4627 removed the prohibition on panhandling on a highway or highway exit ramp, removed the restriction on panhandling "at-risk" individuals, and removed the prohibition on panhandling on or within 100 feet of any school or school grounds. (Doc. # 84 at 18.) **Grand Junction** asserts that "[t]here is no evidence that [it] intends to reenact those provisions of the Ordinance." (Doc. # 84 at 18.)

Grand Junction also argues that it is entitled to summary judgment because the undisputed material facts demonstrate [*17] that Ordinance No. 4627 does not violate either the First Amendment to the United States Constitution or Article II, Section 10 of the Colorado Constitution. (Doc. #84 at 19.) Grand Junction asserts that Ordinance No. 4627 is a "content-neutral time, plane, and manner restriction" and, therefore, intermediate scrutiny applies. (Doc. #84 at 19.) According to Grand Junction, Ordinance No. 4627 "satisfies intermediate scrutiny because it is narrowly tailored to a legitimate government interest and leaves open ample alternative means of communication." (Doc. #84 at 19.) Grand Junction's motion for summary judgment does not address whether Ordinance No. 4627 satisfies strict scrutiny.

Grand Junction argues that it is also entitled to summary judgment on Plaintiffs' equal protection claims because Plaintiffs "are not members of a suspect class and the Ordinance does not impinge their fundamental rights." (Doc. # 84 at 31.) In support of its position, Grand Junction asserts that the United States Supreme Court "does not recognize a suspect classification based on wealth, or lack thereof." (Doc. # 84 at 31.) Therefore, according to Grand Junction, rational basis review applies and the undisputed facts demonstrate that Ordinance No. 4627 is rationally related to a legitimate government [*18] purposes. (Doc. # 84 at 32.)

Lastly, *Grand Junction* argues that Plaintiffs' due process claims fail because Ordinance No. 4627 is not impermissibly vague. (Doc. # 84 at 34.) In support of this argument, *Grand Junction* points out that Ordinance No. 4627: (1) "expressly defines what constitutes 'panhandling,' 'knowingly,' 'obscene,' and 'obstruct'"; (2) "sets forth in detail the precise places, times, and manners that [limit] a person's conduct"; and (3) "exempts inadvertent violations (because of the knowledge requirement) and exempts consensual encounters." (Doc. # 84 at 34.) Therefore, according to *Grand Junction*, Ordinance No. 4627 "provides fair notice of the conduct it proscribes and is not subject to arbitrary application." (Doc. # 84 at 35.)

G. Plaintiffs' Motion for Summary Judgment

In their motion for summary judgment, Plaintiffs' argue that they are entitled to summary judgment because the undisputed facts show that Ordinance No. 4627 violates their freedom of speech as protected by the *First Amendment to the United States Constitution* and *Article II, Section 10 of the Colorado Constitution*. (Doc. # 85 at 18.) In support of their position, Plaintiffs argue that Ordinance No. 4627 is a content-based restriction and, therefore, presumptively

unconstitutional and subject to strict [*19] scrutiny. (Doc. # 85 at 19.) Plaintiffs argue that each of the challenged provisions of Ordinance No. 4627 cannot survive strict scrutiny. (Doc. # 85 at 28-33.)

Plaintiffs argue that they are entitled to summary judgment on their equal protection claims because "[t]he elements [of an equal protection claim] are met by establishing that the ordinance discriminates on the basis of content," which Plaintiffs assert they have done in discussing their free speech claims. (Doc. # 85 at 36.)

Plaintiffs argue that they are entitled to summary judgment on their due process claims because the undisputed facts demonstrate that Ordinance No. 4627 is unconstitutionally vague. (Doc. # 85 at 37.) In support of this argument, Plaintiffs assert that Ordinance No. 4627 is vague because: (1) it is unclear whether the ordinance prohibits "passive" panhandling (i.e., soliciting by displaying a sign) (Doc. #85 at 37-39); and (2) it is unclear whether the consent provision requires the solicitor to obtain consent before soliciting someone (Doc. #85 at 39). Thus, Plaintiffs argue, Ordinance No. 4627 is not drafted with sufficient clarity to enable the ordinary person to understand what conduct is prohibited, and [*20] Ordinance No. 4627 fails to provide law enforcement with adequate guidance in order to prevent arbitrary and discriminatory enforcement. (Doc. # 85 at 37.)

II. DISCUSSION

A. Summary Judgment Standard

Summary judgment is warranted "if the movant shows that there is no genuine dispute as to any material fact and the movant is entitled to judgment as a matter of law." Fed. R. Civ. P. 56(a). A fact is "material" if it is essential to the proper disposition of the claim under the relevant substantive law. Wright v. Abbott Labs., Inc., 259 F.3d 1226, 1231-32 (10th Cir. 2001). A dispute is "genuine" if the evidence is such that it might lead a reasonable jury to return a verdict for the nonmoving party. Allen v. Muskogee, Okla., 119 F.3d 837, 839 (10th Cir. 1997). When considering a motion for summary judgment, the court must "construe the factual record and reasonable inferences therefrom in the light most favorable to the nonmovant." Id. at 39-40.

Where, as here, the parties file cross-motions for summary judgment, each motion is considered separately and "the denial of one does not require the grant of another." *Buell*

Cabinet Co., Inc. v. Sudduth, 608 F.2d 431, 433 (10th Cir. 1979). However, when faced with cross summary judgment motions, the court is "entitled to assume that no evidence needs to be considered other than that filed by the parties." James Barlow Family Ltd. P'ship. v. David Munson, Inc., 132 F.3d 1316, 1319 (10th Cir. 1997).

B. Freedom of Speech Claims

The First Amendment to the United States Constitution unequivocally states that "Congress [*21] shall make no law ... abridging the freedom of speech." <u>U.S. Const. amend. I.</u>⁷ It is no exaggeration to say that the *First Amendment* is the bedrock of American democracy. See, e.g., Speiser v. Randall, 357 U.S. 513, 530, 78 S. Ct. 1332, 2 L. Ed. 2d 1460 (1958) (Black, J., concurring) (stating that the freedoms secured by the First Amendment "are absolutely indispensable for the preservation of a free society in which government is based upon the consent of an informed citizenry and is dedicated to the protection of the rights of all"); Palko v. Connecticut, 302 U.S. 319, 327, 58 S. Ct. 149, 82 L. Ed. 288 (1937) (stating that freedom of speech is "the matrix, the indispensable condition, of nearly every other form of freedom"), overruled on other grounds by *Benton v.* Maryland, 395 U.S. 784, 89 S. Ct. 2056, 23 L. Ed. 2d 707 (1969).

Because of the First Amendment, "a government, including a municipal government vested with state authority, 'has no power to restrict expression because of its message, its ideas, its subject matter, or its content." Reed v. Town of Gilbert, Ariz., 135 S. Ct. 2218, 2226, 192 L. Ed. 2d 236 (2015) (quoting Police Dep't of Chicago v. Mosley, 408 U.S. 92, 95, 92 S. Ct. 2286, 33 L. Ed. 2d 212 (1972)). For this reason, whenever a restriction is challenged on First Amendment grounds, it must be determined at the outset that restriction is "content-based" "content-neutral." A law or ordinance regulating speech is "content-based" if it "applies to particular speech because of the topic discussed or the idea or message expressed." Id. at 2227. When deciding whether a challenged law [*22] or ordinance is content-based, a court must "consider whether a regulation of speech 'on its face' draws distinctions based on the message a speaker conveys." Id.

A content-based restriction is presumptively unconstitutional and subject to strict scrutiny. *Id. at* 2226. A facially content-based law must pass strict scrutiny "regardless of the government's benign motive, content-neutral

⁷ The *First Amendment* applies to the States through the *Due Process Clause of the Fourteenth Amendment*. *Va. State Bd. of Pharmacy v. Va. Citizens Consumer Council, Inc.*, 425 U.S. 748, 749 n.1, 96 S. Ct. 1817, 48 L. Ed. 2d 346 (1976).

justification, or lack of 'animus toward the idea contained' in the regulated speech." <u>Id. at 2228</u> (quoting <u>Cincinnati v. Discovery Network, Inc., 507 U.S. 410, 429, 113 S. Ct. 1505, 123 L. Ed. 2d 99 (1993)</u>). "[A]n innocuous justification cannot transform a facially content-based law into one that is content neutral." <u>Id.</u>

To withstand strict scrutiny, the law or ordinance must be "necessary to serve a compelling state interest." <u>Ark. Writers' Project, Inc. v. Ragland, 481 U.S. 221, 231, 107 S. Ct. 1722, 95 L. Ed. 2d 209 (1987)</u>. To demonstrate that a law or ordinance is necessary to serve a compelling state interest, the government must show that the law or ordinance is the "least restrictive means" of achieving that vital interest. <u>Ashcroft v. ACLU, 542 U.S. 656, 666, 124 S. Ct. 2783, 159 L. Ed. 2d 690 (2004)</u>. The government bears the burden of demonstrating that a content-based restriction passes strict scrutiny. <u>Reed, 135 S. Ct. at 2231</u>.

"Only a law that is substantially overbroad may be invalidated on its face." <u>City of Hous. v. Hill, 482 U.S. 451, 458, 107 S. Ct. 2502, 96 L. Ed. 2d 398 (1987)</u> (citations omitted). Whether a restriction is substantially overbroad depends primarily upon whether it [*23] reaches a substantial amount of protected speech or conduct. <u>Id.</u> (citing <u>Hoffman Estates v. The Flipside, Hoffman Estates, Inc., 455 U.S. 489, 494, 102 S. Ct. 1186, 71 L. Ed. 2d 362 (1982)</u>).

1. Ordinance No. 4627 is a Content-Based Restriction on Protected Speech

This Court determined in its prior order granting in part and denying in part *Grand Junction*'s motion to dismiss that Ordinance No. 4627 is a content-based restriction on protected speech. (Doc. # 102 at 13.) The Court need not reevaluate that decision here as that determination is now the law of the case. *See*, *e.g.*, *Arizona v. California*, *460 U.S.* 605, 618, 103 S. Ct. 1382, 75 L. Ed. 2d 318 (1983) ("As most commonly defined, the [law of the case] doctrine posits that when a court decides upon a rule of law, that decision should continue to govern the same issues in subsequent stages of the same case."). Therefore, the Court applies strict scrutiny to Ordinance No. 4627 when considering the parties' cross motions for summary judgment.

Before beginning its analysis, the Court notes that the parties filed their summary judgment motions prior to the Court issuing its ruling on *Grand Junction*'s motion to dismiss, in which it determined that Ordinance No. 4627 is a content-based restriction. Therefore, one of the issues addressed in each of the summary judgment motions is the

level of judicial scrutiny that should be applied [*24] to Ordinance No. 4627. In their summary judgment motion, Plaintiffs correctly argue that strict scrutiny applies because Ordinance No. 4627 is a content-based restriction. (Doc. # 85 at 18.) Grand Junction, on the other hand, takes the position in its summary judgment motion that intermediate scrutiny applies because Ordinance No. 4627 is a content-neutral time, place, and manner restriction. (Doc. # 84 at 19.) In none of its briefing does *Grand Junction* argue in the alternative that, even if strict scrutiny applies, Ordinance No. 4627 withstands that more exacting standard of judicial review. In addition, following the Court's issuance of its ruling in which it stated that strict scrutiny applies, Grand Junction did not request permission to file a supplemental brief in which it addressed whether Ordinance No. 4627 meets strict scrutiny. Nevertheless, the Courts believes that it is able to rule on the parties' cross motions for summary judgment, despite the fact that Grand Junction's briefing does not apply the correct level of scrutiny. The Court believes that additional briefing from Grand Junction would not alter the Court's ultimate conclusion.

In addition, the Court notes that [*25] a little more than a week after the issuance of its order on *Grand Junction*'s motion to dismiss, the United States Supreme Court issued its ruling in *Reed v. Town of Gilbert, Arizona, 135 S. Ct.* 2218, 192 L. Ed. 2d 236 (2015). In *Reed*, the Supreme Court held that a town's "comprehensive code governing the manner in which people may display outdoor signs" amounted to "content-based regulations of speech that cannot survive strict scrutiny." *Reed, 135 S. Ct. at 2224*. Although the facts of *Reed* did not involve municipal regulation of panhandling, the case is significant to the matter at hand—and *First Amendment* jurisprudence more generally—because it provides clarification as to how lower courts should go about determining whether a restriction on protected speech is content-based or content-neutral.

In *Reed*, the Ninth Circuit Court of Appeals had concluded that the sign code was content neutral because the town "'did not adopt its regulation of speech [based on] disagree[ment] with the message conveyed,' and its justifications for regulating temporary directional signs were 'unrelated to the content of the sign.'" *Id. at 2227* (quoting *Reed v. Town of Gilbert, Ariz., 707 F.3d 1057, 1071-72 (9th Cir. 2013))* (alterations in original). The Supreme Court reversed finding that the Ninth Circuit had erred because its analysis "skip[ped] the crucial first step in the content-neutrality analysis: determining [*26] whether the law is content neutral on its face." *Id. at 2228*. Importantly, the Supreme Court stated that "[a] law that is

content based on its face is subject to strict scrutiny regardless of the government's benign motive, content-neutral justification, or lack of 'animus toward the idea contained' in the regulated speech." *Id.* (quoting *Cincinnati v. Discovery Network, Inc., 507 U.S. 410, 429, 113 S. Ct. 1505, 123 L. Ed. 2d 99 (1993)).* Thus, *Reed* instructs that "whether a law is content neutral on its face" must be considered "before turning to the law's justification or purpose." *Id.* (emphasis in original).

The Supreme Court also used *Reed* to clarify the distinction "viewpoint discrimination" between and "content discrimination." Viewpoint discrimination, which is "the regulation of speech based on 'the specific motivating ideology or the opinion or perspective of the speaker," is simply a "'more blatant' and 'egregious form of content discrimination." Id. at 2230 (quoting Rosenberg v. Rector and Visitors of Univ. of Va., 515 U.S. 819, 829, 115 S. Ct. 2510, 132 L. Ed. 2d 700 (1995)). In other words, viewpoint discrimination prohibits speech specifically based on the particular point of view of the speaker. Content discrimination, on the other hand, prohibits speech based on the broad topic being discussed. For example, a town ordinance generally prohibiting all speech about war would be content discrimination, [*27] whereas a town ordinance specifically prohibiting only anti-war speech would be viewpoint discrimination. Although viewpoint discrimination is more "blatant" and "egregious" than content discrimination, the Supreme Court in Reed noted that content discrimination is also prohibited by the First Amendment. Id. ("[I]t is well established that '[t]he First <u>Amendment's</u> hostility to content-based regulation extends not only to restrictions on particular viewpoints, but also to prohibition of public discussion of an entire topic.") (quoting Consol. Edison Co. of N.Y. v. Public Serv. Comm'n of N.Y., 447 U.S. 530, 537, 100 S. Ct. 2326, 65 L. Ed. 2d 319 (1980)) (alteration in original). Thus, Reed makes clear that "a speech regulation targeted at specific subject matter is content based even if it does not discriminate among viewpoints within that subject matter." Id.8

According to *Reed*, "[g]overnment regulation of speech is content based if a law applies to particular speech because of the topic discussed or the idea [*28] or message expressed." *Reed*, 135 S. Ct. at 2227. In *Reed*, the Supreme Court instructed that when a court is determining whether a regulation of speech is facially content based, it must consider whether the regulation "on its face' draws

distinctions based on the message a speaker conveys." *Id.* The Supreme Court further instructed that while "[s]ome facial distinctions based on a message are obvious, defining regulated speech by particular subject matter, and others are more subtle, defining regulated speech by its function or purpose." *Id.* Nevertheless, "[b]oth are distinctions drawn based on the message a speaker conveys, and, therefore, are subject to strict scrutiny." *Id.*

The Court engages in this extended discussion of *Reed* because it confirms the correctness of this Court's prior conclusion that Ordinance No. 4627 is a content-based speech restriction. The Court believes it is also important to briefly note two decisions that were issued after *Reed* in cases similarly dealing with municipal panhandling regulations and cited by the parties in this matter.

In a June 19, 2014 decision in *Thayer v. City of Worcester*, Massachusetts, 755 F.3d 60 (1st Cir. 2014), the First Circuit Court of Appeals had concluded that a municipal panhandling ordinance was content neutral because it was "not [*29] designed to suppress messages expressed by panhandlers, Girl Scouts, the Salvation Army, campaign politicians, or anyone else subject to restriction." Thayer, 755 F.3d at 71. In its opinion, written by retired Associate Justice Souter, the First Circuit focused exclusively on the city's intent and justification for passing the ordinance. Id. at 67 ("In determining whether a particular regulation is content-neutral, the principal enquiry is 'whether the government has adopted a regulation of speech because of disagreement with the message it conveys."). The First Circuit affirmed the District Court's denial of the plaintiffs' motion for a preliminary injunction. *Id. at 78*.

On June 29, 2015, a week and a half after issuing its decision in *Reed*, the United States Supreme Court granted the *Thayer* plaintiffs' petition for a writ of certiorari, vacated the judgment of the First Circuit, and remanded the case "for further consideration in light of [*Reed*]." *Thayer v. City of Worcester, Mass.*, 135 S. Ct. 2887 (2015). To date, the First Circuit has not yet issued its opinion on remand.

Like the First Circuit's first opinion in *Thayer*, on September 25, 2014, the Seventh Circuit Court of Appeals concluded that a city ordinance regulating panhandling was content neutral—though it admitted [*30] that it did not "profess certainty about [that] conclusion." *Norton v. City of Springfield, Ill.*, 768 F.3d 713, 717 (7th Cir. 2014). In reaching its decision, the Seventh Circuit focused on the fact that "[t]he

⁸ Applying this principle to an example more akin to the present matter, a law prohibiting all solicitation speech in a public forum would be an example of content discrimination. On the other hand, a law prohibiting solicitation for only environmental causes would be an example of viewpoint discrimination. Both types of laws are prohibited by the *First Amendment*.

ordinance is indifferent to the solicitor's stated reason for seeking money, or whether the requester states any reason at all." *Id.* In addition, the Seventh Circuit pointed to the fact that "what activates the prohibition [in the ordinance] is *where* a person says something (in the 'downtown historic district') rather than what position a person takes." *Id.* Thus, the Seventh Circuit evaluated the ordinance "by the standard for time, place, and manner restrictions" and found that the ordinance passed muster under intermediate scrutiny.

The plaintiffs in *Norton* filed a petition for rehearing, which the Seventh Circuit deferred consideration of until the Supreme Court decided *Reed. Norton, Fed. Appx. , Case No. 13-cv-3581, 2015 U.S. App. LEXIS 13861, 2015 WL 4714073, at *1 (7th Cir. Aug. 7, 2015).* After *Reed* was decided, the Seventh Circuit applied it to the ordinance at issue and found that the ordinance "regulates 'because of the topic discussed." *Id.* (quoting *Reed, 135 S. Ct. at 2227*). Therefore, according to the Seventh Circuit, the ordinance is "a form of content discrimination" under *Reed. 2015 U.S. App. LEXIS 13861*,[WL] at *2. The Seventh Circuit remanded the case to the district court with the instruction [*31] that it enter an injunction prohibiting enforcement of the ordinance. *Id.*

Although only persuasive, the Court believes that the outcomes in *Thayer* and *Norton* provide yet additional support for the correctness of its prior conclusion that Ordinance No. 4627 is a content-based speech restriction.

2. The Challenged Provisions of Ordinance No. 4627 Do Not Withstand Strict Scrutiny

Having concluded that Ordinance No. 4627 is a content-based restriction on protected speech, the Court presumes that the ordinance is unconstitutional, and it must be struck down unless *Grand Junction* can demonstrate that it is "necessary to serve a compelling state interest." *Ark. Writers' Project, 481 U.S. at 231*.

As stated above in section II.B.1, <u>Grand Junction</u> takes the position in all of its briefing that Ordinance No. 4627 is a content-neutral time, place, and manner restriction that is subject to intermediate scrutiny. Despite the fact that <u>Grand Junction</u>'s briefing addresses the incorrect level of scrutiny, the Court finds that, even if it had argued to the correct standard, <u>Grand Junction</u> would be unable to demonstrate that Ordinance No. 4627 is necessary to serve a compelling state interest. Therefore, the challenged provisions of Ordinance [*32] No. 4627 are unconstitutional under the <u>First Amendment</u> and cannot be enforced.

In its brief in support of its motion for summary judgment, *Grand Junction* argues that there is a "close fit" between Ordinance No. 4627 and "the harm intended to be regulated." (Doc. # 84 at 25.) According to *Grand Junction*, the harm that is intended to be regulated is "aggressive behavior in connection with certain solicitation activities." (Doc. # 84 at 25.) As proof of this alleged aggressive solicitation, *Grand Junction* cites the deposition testimony of Chief Camper and *Grand Junction* City Manager Richard Englehart ("City Manager Englehart"). (Doc. # 84 at 25.)

During his deposition, Chief Camper stated that, generally speaking, Grand Junction "had seen an increase or had become aware of an increase in more reports of aggressive panhandling." (Doc. # 84-1 at 17.) Chief Camper then discussed two specific examples. First, Chief Camper described how, following an annual conference of chiefs of police held in Grand Junction, he was "approached on at least three occasions by either chiefs or their spouses indicating that they had been aggressively panhandled near or at the Convention Center." (Doc. # 84-1 at 19.) Chief [*33] Camper stated that the panhandlers in this instance were allegedly "very persistent and, at least in one case, . . . [verbally] abusive towards the spouse of one of the chiefs." (Doc. # 84-1 at 19.) Second, Chief Camper discussed a specific instance in which a county employee was alleged to have been "pretty aggressively harassed by vagrants near the 4th/Main Wells Fargo at about noon."

She was well dressed, walking towards the bank, when the subjects approached her for money. When she refused, they became loud and aggressive and made comments about the police taking away their tents and having nowhere to stay. She was pretty intimidated . . .

(Doc. # 84-1 at 19.) Chief Camper also recalled, generally, "some discussion about the [restaurant] patios, that [*Grand Junction*] had had increased complaints of that, and also when people are waiting to enter a line to go into some event or they're sort of in a queue to get into an event or theater." (Doc. 84-1 at 17.)

During his deposition, City Manager Englehart stated that he was told about "some challenges downtown with the restauranteurs and that people, while they were having lunch, were being approached aggressively to give money." (Doc. [*34] # 84-1 at 22.) City Manager Englehart also discussed two instances during which he, personally, was "aggressively panhandled":

I pulled up to an intersection, and a gentleman that was walking alongside my car—I have a convertible—yelled

at me, asked me if I had any money. And I said, I'm sorry, I don't. He walked out next to my car, leaned over the top, and said, Come on, Dude. You drive a car like this, you've got money. Give me any money that you may have. I said, I'm sorry, sir. I don't have any money. Now he's out in the traffic lane. He sees the change in my cup-holders. He says, Well, you've got money right there. And I said, I'm sorry, sir, you are going to need to leave. And he had a few choice words and walked off.

. . .

I was pulling money out of a bank and a gentleman stood there and waited until I finished. He says, Can you spare some of that money you just pulled out? And I said, No, sir. He said, All right, thank you, and he walked off. Those are my personal experiences.

(Doc. # 84-1 at 23.)

Grand Junction argues that Ordinance No. 4627 is narrowly tailored because it "only addresses conduct in certain limited zones and at limited times" and it "does not sweep in any more [*35] conduct than is necessary to address the City's legitimate interest in promoting public safety." (Doc. # 84 at 25.) The Court does not question that "public safety" is a compelling governmental interest. See, e.g., Schenck v. Pro-Choice Network of W. N.Y., 519 U.S. 357, 375, 117 S. Ct. 855, 137 L. Ed. 2d 1 (1997) (discussing "public safety and order" as a valid governmental interest). However, Grand Junction cannot demonstrate that the challenged provisions of Ordinance No. 4627 are necessary to serve that interest.

Simply put, the challenged portions of Ordinance No. 4627 are over-inclusive because they prohibit protected speech that poses no threat to public safety. For example, subsection (a) of section 9.05.040 of Ordinance No. 4627 prohibits panhandling "[o]ne-half (1/2) hour after sunset to one-half (1/2) hour before sunrise." (Doc. # 25-4 at 5.) Grand Junction has not demonstrated that this prohibition on protected speech is necessary for public safety. None of the alleged instances of "aggressive panhandling" —the stated impetus for Ordinance No. 4627—occurred at night. In fact, Chief Camper himself stated that they "don't see a lot of" nighttime panhandling in *Grand Junction*. (Doc. # 86-2 at 23.) There is no indication that panhandling at night—no matter the location in **Grand Junction**—is inherently dangerous [*36] or threatening to the public. Therefore, **Grand Junction** has not shown that a blanket prohibition on panhandling at night is necessary to advance public safety. Subsection (e) of section 9.05.040 of Ordinance No. 4627 prohibits panhandling if "[t]he person panhandling

knowingly continues to request the person solicited for money or other thing of value after the person solicited has refused the panhandler's initial request." In one of the examples of "aggressive panhandling" discussed by Chief Camper, the panhandlers were allegedly "very persistent." (Doc. # 84-1 at 19.) The Court interprets this to mean that the panhandlers requested money or a thing of value more than once. In addition, in the encounter described by City Manager Englehart that took place when he was driving his car, it appears that he may have been solicited more than once. (Doc. #84-1 at 23.) However, in neither instance does it appear that the safety of the person being solicited was threatened simply because the person doing the soliciting had made a second request after the initial request was refused. Grand Junction has not shown—and the Court does not believe—that a repeated request for money or other thing of value necessarily threatens public [*37] safety. Thus, a ban on multiple requests is not necessary to serve a compelling governmental interest.

Subsection (g) of section 9.05.040 of Ordinance No. 4627 prohibits panhandling "[w]ithin twenty (20) feet of an automatic teller machine or of a bus stop." (Doc. # 25-4 at 5.) During his deposition, City Manager Englehart described an instance in which he personally was solicited after obtaining money from an ATM. (Doc. # 84-1 at 23.) City Manager Englehart stated that after he denied the request for money, the requester said, "All right, thank you," and walked away. (Doc. # 84-1 at 23.) The Court does not see how that interaction in particular threatened City Manager Englehart's safety or, more generally, how any request for money, simply because it occurs within 20 feet of an ATM (whether or not the person solicited used or planned to use the ATM), constitutes a threat to public safety. With regard to the ban on panhandling within 20 feet of a bus stop, none of the specifically identified instances of "aggressive panhandling" identified by Grand Junction occurred within 20 feet of a bus stop. Grand Junction has not shown—and the Court does not believe—that a request for money, simply because it occurs within 20 feet [*38] of a bus stop, threatens public safety. Therefore, the ban on panhandling with 20 feet of an ATM or bus stop is not necessary to serve a compelling government interest.

Subsection (i) of section 9.05.040 of Ordinance No. 4627 prohibits panhandling "[i]n a public parking garage, parking lot or other parking facility." (Doc. # 25-4 at 5.) None of the specifically identified instances of "aggressive panhandling" identified by <u>Grand Junction</u> occurred in a public parking garage, parking lot, or other parking facility. Similar to the other prohibitions set forth in Ordinance No. 4627, <u>Grand Junction</u> has not shown—and the Court does not

believe—that a solicitation for money or other thing of value is a threat to public safety simply because it takes place in a public parking garage, parking lot, or other parking facility. Therefore, the ban on panhandling in these areas is not necessary to serve a compelling government interest.

Lastly, subsection (j) of section 9.05.040 of Ordinance No. 4627 prohibits panhandling "[w]hen the person solicited is present within the patio or sidewalk serving area of a retail business establishment that serves food and/or drink, or waiting in line to enter a building, an event, a retail business, or a theater." (Doc. # 25-4 at 5.) [*39] None of the specific instances of "aggressive panhandling" identified by either Chief Camper or City Manager Englehart took place while the person solicited was either within the patio or sidewalk serving area of a restaurant, café, or bar, or waiting in line to enter a building, an event, a retail business, or a theater. Nevertheless, like all of the other challenged prohibitions, Grand Junction has not shown—and the Court does not believe—that the panhandling of an individual in the areas identified in subsection (j), without more, constitutes a threat to public safety. Therefore, the ban on panhandling individuals in the locations specified in subsection (j) is not necessary to serve a compelling government interest.

The Court notes that certain behavior that may be engaged in by solicitors when soliciting could threaten public safety. For example, the solicitor may engage in conduct that is intimidating, threatening, coercive, or obscene and that causes the person solicited to reasonable fear for his or her safety. Such conduct, in fact, is expressly prohibited by subsection (b) of section 9.05.040 of Ordinance No. 4627. Tellingly, Plaintiffs do not challenge subsection (b). At times, threatening behavior may accompany panhandling, but the correct solution [*40] is not to outlaw panhandling. The focus must be on the threatening behavior. Thus, the problem in this case is that Grand Junction has taken a sledgehammer to a problem that can and should be solved with a scalpel. In attempting to combat what it sees as threatening behavior that endangers public safety, Grand Junction has passed an ordinance that sweeps into its purview non-threatening conduct that is constitutionally protected. Thus, the Court is compelled to strike down subsections (a), (e), (g), (i), and (j) of section 9.05.040 of Ordinance No. 4627.⁹

C. Equal Protection Claims

The parties' cross-motions for summary judgment also address Plaintiffs' claim that the challenged provisions of Ordinance No. 4627 violate their right to the equal protection of the laws under [*41] both the Fourteenth Amendment to the United States Constitution and Article II, Section 25 of the Colorado Constitution. Plaintiffs only argument in support of their equal protection claim is that "[t]he elements are met by establishing that [Ordinance No. 4627] discriminates on the basis of content." (Doc. #85 at 36.) In support of this argument, Plaintiffs cite Police Department of Chicago v. Mosley, 408 U.S. 92, 92 S. Ct. 2286, 33 L. Ed. 2d 212 (1972), and Speet v. Schuette, 889 F. Supp. 2d 969 (W.D. Mich. 2012), aff'd on other grounds, 726 F.3d 867 (6th Cir. 2013). Grand Junction, on the other hand, argues that "Plaintiffs' equal protection challenge fails because they are not members of a suspect class and [Ordinance No. 4627] does not impinge their fundamental rights." (Doc. # 84 at 31.) The Court finds that neither party's analysis provides much insight.

<u>Section 1 of the Fourteenth Amendment</u> provides that "[n]o state shall . . . deny to any person within its jurisdiction the equal protection of the laws." U.S. CONST. amend. XIV, § 1. In other words, the government may not treat any person or class of people differently than any other similarly-situated person or class of people without providing adequate justification. The level of scrutiny with which a court reviews a law challenged on equal protection grounds (i.e., the strength of the justification that must be provided by the government) depends upon the type of classification made by the government or whether the classification affects a fundamental right. See, e.g., [*42] Clark v. Jeter, 486 U.S. 456, 461, 108 S. Ct. 1910, 100 L. Ed. 2d 465 (1988) ("In considering whether state legislation violates the Equal Protection Clause of the Fourteenth Amendment, . . . we apply different levels of scrutiny to different types of classifications.") "Classifications based on race or national origin . . . and classifications affecting fundamental rights . . . are given the most exacting scrutiny." Id. (citations omitted).

⁹ The free speech protections afforded by Article II, Section 10 of the Colorado Constitution is "of greater scope than that guaranteed by the *First Amendment*." *Bock v. Westminster Mall Co.*, 819 P.2d 55, 59 (Colo. 1991). Therefore, "the level of scrutiny required to safeguard the broader free speech protections afforded by Article II, Section 10 of the Colorado Constitution [is] necessarily more stringent than that associated with *First Amendment* analysis." *Denver Pub. Co. v. City of Aurora*, 896 P.2d 306, 323 (Colo. 1995). Thus, because the challenged subsections of Ordinance No. 4627 cannot withstand strict scrutiny as required by the *First Amendment*, they necessarily cannot withstand the more stringent scrutiny required by Article II, Section 10 of the Colorado Constitution.

In light of the Court's conclusion that the challenged provisions of Ordinance No. 4627 are unconstitutional under the *First Amendment*, it is not necessary to decide whether the challenged provisions are also unconstitutional under the *Equal Protection Clause of the Fourteenth Amendment* because the outcome of the case will not be affected. Nevertheless, for purposes of providing guidance to the parties and to dispose of all of the claims on the merits, the Court will address Plaintiffs' equal protection claim.

The Court finds that the <u>Equal Protection Clause</u> is not applicable to the present matter because Ordinance No. 4627 does not create classifications of individuals at all—let alone classifications based on race or [*43] national origin, or classifications affecting fundamental rights. Yes, Ordinance No. 4627 clearly affects the fundamental right of free speech, but it affects the free speech right of every individual in <u>Grand Junction</u>. The prohibitions on panhandling as set forth in Ordinance No. 4627 apply equally to all persons within the city limits.

In the Court's opinion, the fact that some speech is prohibited while other speech is not does not trigger equal protection analysis. If that were the case, all *First Amendment* claims would necessarily be *Fourteenth Amendment* claims as well. The Court believes that the *Equal Protection Clause* prohibits laws that create certain classifications of individuals, not certain classifications of speech.

In support of this conclusion, the Court finds informative cases in which a state law was found unconstitutional under the *Equal Protection Clause* because the classification made by the law affected an individual's fundamental right. For example, in *Kramer v. Union Free School District No. 15*, 395 U.S. 621, 89 S. Ct. 1886, 23 L. Ed. 2d 583 (1969), the United States Supreme Court struck down a New York statute that limited voting in school district elections to owners or lessees of taxable property and parents or guardians of children in public schools. In *Dunn v. Blumstein*, 405 U.S. 330, 92 S. Ct. 995, 31 L. Ed. 2d 274 (1972), the Supreme Court invalidated a Tennessee law that created a durational residency [*44] requirement for would-be

voters. In both cases, the law at issue created classes of individuals (i.e., property owner vs. non-property owner, parent vs. non-parent, resident for a certain period of time vs. non-resident for a certain period of time) and prohibited individuals in one of the classes from exercising a fundamental right (voting). Without the government demonstrating that such distinctions were necessary in order to achieve a compelling government interest, the laws could not stand.

Unlike the statutes at issue in <u>Kramer</u> and <u>Dunn</u>, Ordinance No. 4627 does not deny the exercise of a fundamental right to a certain class of individuals while granting it to another. As stated above, *no one* in <u>Grand Junction</u> may engage in panhandling as set forth in Ordinance No. 4627. Thus, a violation of the ordinance is determined not by *who* speaks, but rather by *what* is spoken.

The mere fact that certain individuals may express the prohibited speech does not mean that those individuals are a class for equal protection purposes. Such reasoning would lead to the outlandish conclusion that every law creates classes of people—those that follow it and those that do not. The Court believes that prohibiting [*45] such a "classification" is not what the *Equal Protection Clause of Fourteenth Amendment* is meant to accomplish.

Therefore, the Court will grant summary judgment in favor of <u>Grand Junction</u> on Plaintiffs' equal protection claims under both the <u>Fourteenth Amendment to the United States</u> <u>Constitution</u> and <u>Article II</u>, <u>Section 25 of the Colorado Constitution</u>. ¹¹

D. Due Process Claims

In their third claim for relief, Plaintiffs assert that the challenged provisions of Ordinance No. 4627 are unconstitutionally vague in violation of the <u>Due Process Clause of the Fourteenth Amendment</u>. Plaintiffs argue that Ordinance No. 4627 is "vague as to 'passive' panhandling." (Doc. # 85 at 37.) In support of this argument, Plaintiffs point to the fact that, while the definition of "panhandling" explicitly states that the solicitor must "approach, accost, or

The Court notes that the Sixth Circuit in *Speet* explicitly declined to consider whether the anti-begging ordinance at issue in that case violated the *Fourteenth Amendment* because it had already affirmed the district court's finding that the ordinance violated the *First Amendment*.

In interpreting the equal protection guarantee under the Colorado Constitution, the Supreme Court of Colorado has "followed the analytical mode developed by the United States Supreme Court in construing the <u>equal protection clause of the fourteenth amendment</u>." Firelock Inc. v. Dist. Court in and for the 20th Judicial Dist. of the State of Colo., 776 P.2d 1090, 1097 (Colo. 1989). Thus, because Plaintiffs' challenge under the <u>Equal Protection Clause of the Fourteenth Amendment</u> fails, their challenge likewise fails under Article II, Section 25 of the Colorado Constitution.

stop" another person, the definition also, in Plaintiffs' reading, "applies to solicitation carried out by 'written signs or other means." (Doc. # 85 at 37-38.) Plaintiffs also argue that "vagueness concerns are . . . raised by the amended ordinance's consent [*46] provision." (Doc. # 85 at 39.) In support of this argument, Plaintiffs' assert that it is unclear whether the solicitor must obtain the consent of the person to be solicited before the solicitation takes place. (Doc. # 85 at 39-40.)

Grand Junction, on the other hand, argues that Ordinance No. 4627 "is not impermissibly vague—it expressly defines what constitutes 'panhandling,' 'obscene,' and 'obstruct.'" (Doc. # 84 at 34.) According to *Grand Junction*, Ordinance No. 4627 "provides fair notice of the conduct it proscribes and is not subject to arbitrary application."

Section 1 of the Fourteenth Amendment provides that "[n]o state shall . . . deprive any person of life, liberty, or property, without due process of law." U.S. CONST. amend. XIV, § 1. To comport with the Due Process Clause of the Fourteenth Amendment, a law must "give a person of ordinary intelligence fair notice that his contemplated conduct is forbidden by the statute." United States v. Lovern, 590 F.3d 1095, 1103 (10th Cir. 2009) (internal quotation marks omitted). This notice must be given "in a manner that does not encourage arbitrary and discriminatory enforcement." Skilling v. United States, 561 U.S. 358, 402-03, 130 S. Ct. 2896, 177 L. Ed. 2d 619 (2010). However, the Supreme Court has recognized that, "[c]ondemned to the use of words, we can never expect mathematical certainty from our language." Grayned v. City of Rockford, 408 U.S. 104, 110, 92 S. Ct. 2294, 33 L. Ed. 2d 222 (1972).

Despite having already found that the challenged provisions of Ordinance No. 4627 are unconstitutional [*47] under the *First Amendment*, the Court will address Plaintiffs' due process claims because the Court believes that it is important to both decide the claim on the merits and provide guidance to the parties on the vagueness issue. Applying the standards set forth above, the Court finds that Ordinance No. 4627 is not unconstitutionally vague. Ordinance No. 4627 defines "panhandling" as "to knowingly approach, accost or stop another person in a public place and solicit that person without that person's consent, whether by spoken words, bodily gestures, written signs or other means, for money, employment or other thing of value." (Doc. # 25-4 at 4.) It is clear from this definition that all "panhandling," as defined by the ordinance, must begin with the solicitor

knowingly approaching, accosting, or stopping another person. Once that action has taken place, the solicitor may solicit that person by spoken words, bodily gestures, written signs, or other means. A person sitting or standing still and holding a sign (i.e., a "passive" solicitor), by definition, is not "panhandling" because that person is not approaching, accosting, or stopping another person. Based upon this natural and straightforward reading [*48] of Ordinance No. 4627, the Court believes that the language used is sufficiently clear, such that it would "give a person of ordinary intelligence fair notice" of what conduct is forbidden.

In addition, the Court believes that the consent provision is not unconstitutionally vague. Again, Ordinance No. 4627 defines "panhandling" to mean "to knowingly approach, accost or stop another person in a public place and solicit that person without that person's consent " (Doc. # 25-4 at 4.) Grand Junction is correct that "consent" is a concept that appears throughout American jurisprudence. People of ordinary intelligence generally understand what "consent" is and the law expects people to obtain consent in certain instances. A law that requires "consent" is, based on this alone, not unconstitutionally vague. Thus, Plaintiffs' argument may be boiled down to the fact that Ordinance No. 4627 does not specify how consent is to be obtained. However, this fact alone does not render the language unconstitutionally vague. Of course, common sense tells us that a would-be solicitor could ask whether the person to be solicited consents to the solicitation. Although cumbersome, and perhaps unrealistic [*49] in a real world setting, such a practice would provide the solicitor with express consent (or lack thereof). The law recognizes that consent may also be implied. A person may communicate his or her consent through action (or, in some instances, inaction). Although implied consent may be more difficult to ascertain, it nevertheless is an acceptable form of consent.¹²

Thus, the Court finds that the challenged provisions of Ordinance No. 4627 are not unconstitutionally vague under the *Due Process Clause of the Fourteenth Amendment*.

E. Plaintiffs' Motion for Leave to File a Second Supplemental Complaint

Also before the Court is Plaintiffs' Motion for Leave to File Second Supplemental Complaint. (Doc. # 66.) In their proposed Second Supplemental Complaint, Plaintiffs seek to add as a defendant in this litigation Chief Camper, in his official capacity. In support of their motion, Plaintiffs argue

The Court assumes that *Grand Junction* understood when it passed Ordinance No. 4627 that "lack of consent" would be an element of a violation of the ordinance and would thus need to be proven in any prosecution under the ordinance.

that the proposed Second Supplemental Complaint "sets forth events that have transpired and new facts that have emerged [*50] since the filing of the original Complaint in this action on March 18, 2014." (Doc. # 66.) More specifically, Plaintiffs assert that, during his deposition on October 21, 2014, Chief Camper "revealed a plan to enforce the challenged ordinance in a manner and under circumstances that contradict representations made by the City in its motion to dismiss and reply in support of motion to dismiss." (Doc. # 66 at 2.) Plaintiffs allege that during his deposition, Chief Camper "stated that the ordinance would be enforced against panhandlers who do not initiate interactions but instead solicit silently by holding a sign." (Doc. # 66 at 2.) Plaintiffs, therefore, seek to enjoin Chief Camper from enforcing the challenged ordinance against them. (Doc. # 66 at 2.)

In its response to Plaintiffs' motion, <u>Grand Junction</u> asserts that "it is clear from Chief Camper's testimony that neither he nor any City official is presently enforcing the ordinance." (Doc. # 69 at 2.) Therefore, <u>Grand Junction</u> argues, "Plaintiffs' requested supplemental complaint amounts to an anticipatory as-applied challenge to the ordinance." (Doc. # 69 at 2-3.) In addition, <u>Grand Junction</u> argues that "[b]ecause the ordinance is not being [*51] enforced and the Chief clearly stated that he would seek the input of his attorneys before enforcing the ordinance, there is no live case or controversy." (Doc. # 69 at 3.) According to <u>Grand Junction</u>, Plaintiffs' motion should be denied because it would be subject to a motion to dismiss and, thus, futile. (Doc. # 69 at 3.)

In their reply to *Grand Junction*'s response, Plaintiffs assert that "[t]he original complaint includes claims aimed at prohibiting enforcement of the challenged Ordinance as written," whereas the proposed new claims "directly challenge Chief Camper's plan to enforce the Ordinance." (Doc. # 70 at 6.) In support, Plaintiffs take the position that "the Ordinance as written and as Chief Camper plans to enforce it are not one and the same." (Doc. # 70 at 6.)

Federal Rule of Civil Procedure 15(d) provides that "[o]n motion and reasonable notice, the court may, on just terms, permit a party to serve a supplemental pleading setting out any transaction, occurrence, or event that happened after the date of the pleading to be supplemented." Trial courts are given "broad discretion" when deciding whether to permit a party to serve a supplemental pleading. See, e.g., Walker v. United Parcel Serv., Inc., 240 F.3d 1268, 1278 (10th Cir. 2001). However, a party's request for leave to file a supplemental [*52] complaint "should be liberally granted unless good reason exists for denying leave, such as

prejudice to the defendants." Id. (quotation marks and citation omitted).

In the present matter, good reason exists to deny Plaintiffs' motion for leave to file their proposed Second Supplemental Complaint. Filing a Second Supplemental Complaint to add Chief Camper as a defendant in this action would be unnecessarily duplicative because, in the context of this litigation, the City of Grand Junction and Chief Camper in his official capacity are one and the same. See, e.g., Thompson v. City of Lawrence, Kan., 58 F.3d 1511, 1517 (10th Cir. 1995) ("A suit against a city official in his official capacity is no different from a suit against the City itself."); Watson v. City of Kansas City, Kan., 857 F.2d 690, 695 (10th Cir. 1988) ("A suit against a municipality and a suit against a municipal official acting in his or her official capacity are the same."). In other words, Plaintiffs' argument relies on a distinction without a difference. There is no legal significance to adding Chief Camper in his official capacity as a defendant in this action. All orders and judgments binding on **Grand Junction** are equally binding on **Grand Junction**'s chief of police. Therefore, Plaintiffs have not provided sufficient justification for adding Chief Camper [*53] in his official capacity as a defendant in this action.

F. <u>Grand Junction</u>'s Motion to Stay the Court's Consideration of the Pending Cross-Motions for Summary Judgment for Sixty Days

Also before the Court is *Grand Junction*'s recently filed motion to stay for sixty days the Court's consideration of the cross-motions for summary judgment. (Doc. # 110.) Plaintiffs oppose *Grand Junction*'s motion. (Doc. # 112.)

In support of its motion, *Grand Junction* notes the *Reed*, Thayer, and Norton decisions and states that "[i]n response to these developments in the law, the City of Grand Junction has elected to consider further amendments to Ordinance No. 4627." (Doc. # 110 at 2.) Grand Junction asserts that the "[f]irst reading of the proposed amended ordinance will occur on October 7, 2015," and "the anticipated date for the full public hearing on the proposed ordinance is October 21, 2015." (Doc. # 110 at 3.) Grand Junction also states that "[t]he proposed amendments, if passed, would eliminate all of the challenged portions of the current ordinance as well as other restrictions on panhandling in order to comply with the Reed decision." (Doc. # 110 at 3.) According to Grand Junction: "The proposed amendments would [*54] effectively remove all of the claims for injunctive and declaratory relief from this action. The only claim that would survive the proposed amendments is Ms. Stewart's claim for nominal damages." (Doc. # 110 at 3.)

As Plaintiffs correctly point out, Grand Junction has not provided the Court with the text of the proposed amendments to Ordinance No. 4627. Therefore, the Court is unable to determine the extent to which the proposed amendments address the constitutional infirmities of Ordinance No. 4627. Moreover, the proposed amendments are just that—proposed amendments. It is not certain that they will pass and, until that time, Ordinance No. 4627 is in effect. Grand Junction provides an additional reason why the Court should not stay its consideration of the cross motions for summary judgments—even if Ordinance No. 4627 is amended, Plaintiff Stewart's claim for nominal damages would not be rendered moot. Therefore, the Court would still be required to assess the constitutionality of the challenged sections of Ordinance No. 4627, and judicial resources would not be conserved by staying consideration of the cross motions for summary judgment.

III. CONCLUSION

Accordingly, it is hereby ORDERED [*55] that: Plaintiffs' Motion for Summary Judgement (Doc. # 85) is GRANTED IN PART AND DENIED IN PART. Plaintiffs' Motion is GRANTED as to Claims One and Five of Plaintiffs' Complaint, and DENIED as to Claims Two, Three, Four, Six, Seven, and Eight of Plaintiffs' Complaint;

Grand Junction's Motion for Summary Judgment (Doc. # 84) is GRANTED IN PART AND DENIED IN PART. **Grand Junction**'s Motion is GRANTED as to Claims Two, Three, Four, Six, Seven, and Eight of Plaintiffs' Complaint, and DENIED as to Claims One and Five of Plaintiffs' Complaint;

<u>Grand Junction</u> is PERMANENTLY ENJOINED from enforcing subsections (a), (e), (g), (i), and (j) of section 9.05.040 of Ordinance No. 4627;

Plaintiff Stewart is awarded nominal damages in the amount of \$1.00;

Plaintiffs shall have their costs pursuant to <u>Federal Rule of</u> Civil Procedure 54(d)(1) and Civil Local Rule 54.1;

Plaintiffs' Motion for Leave to File a Second Supplemental Complaint (Doc. # 66) is DENIED; and

Grand Junction's Motion to Stay the Court's Consideration of the Pending Cross-Motions for Summary Judgment for Sixty Days (Doc. # 110) is DENIED.

The Clerk of the Court shall enter judgment in favor of Plaintiffs on Claims One and Five of Plaintiffs' Complaint and in favor of Defendants on Claims Two, Three, Four, Six, Seven, and Eight of Plaintiffs' [*56] Complaint. All claims and matters having been decided, the Clerk shall close this case.

WHEREAS, the City Council of the City of Alamosa, Colorado, deems it to be in the best interest of its citizens that the City regulate behaviors that contribute to the loss of access to and enjoyment of public places and an enhanced sense of fear, intimidation and disorder.

NOW, THEREFORE, BE IT ORDAINED by the City Council of Alamosa as follows:

Section 1. Addition of Section 11-51 of Article III of Chapter 11. A new Section 11-51 of the *Code of Ordinances of Alamosa, Colorado* is hereby enacted as follows:

- **Sec. 11-51. Regulation of Panhandling.** The purpose of this section is to protect the health, safety and welfare of all citizens of the City of Alamosa and those who travel through the City by eliminating aggressive panhandling. Aggressive panhandling is disturbing and disruptive to residents and businesses and impacts social harmony and economic viability of the City. It is not the purpose of this section to prohibit lawful solicitation activity, but to regulate behaviors that contribute to the loss of access to and enjoyment of public places and an enhanced sense of fear, intimidation and disorder.
- (a) Panhandling defined: To panhandle shall mean to knowingly approach, accost or stop another person and solicit that person, whether by spoken words, bodily gestures, written signs or other means, for a gift of money, employment or other thing of value. Panhandling includes seeking a donation where the person being solicited receives an item of little or no monetary value in exchange for a donation, under circumstances where a reasonable person would understand that the purchase is in substance a donation, but does not include passively standing or sitting with a sign or other indication that one is seeking donations, without addressing any solicitation to any specific person, other than in response to an inquiry by that person.

(b) Aggressive Panhandling prohibited. No person shall engage in aggressive panhandling in any public place. Aggressive panhandling shall mean panhandling accompanied by or followed immediately by one or more of the following:

<u>Harassment (3)(1)</u> Intentionally continuing to solicit from a person after the person has given a negative response to such solicitation;

<u>Harassment (1)</u> (2) Intentionally making any physical contact with or touching another person in the course of the solicitation without that person's consent;

<u>Harassment (4)</u>, <u>Vehicle code?</u> (3) Intentionally blocking or interfering with the safe or free passage of a pedestrian or vehicle by any means, including unreasonably causing a pedestrian or vehicle operator to take evasive action to avoid physical contact in the course of soliciting;

<u>Harassment (8) (6)</u> Intentionally using profane, threatening, or abusive language, either during the solicitation or following a refusal to make a donation, which tends to invite an immediate breach of the peace; or

<u>Harassment (4) – Do we need an intimidation ordinance?</u> (7) Approaching or following a person for solicitation as part of a group of two (2) or more persons, in a manner and with conduct, words, or gestures intended or likely to cause a reasonable person to fear imminent bodily harm or damage or loss of property or otherwise to be intimidated into giving money or other thing of value.

(c) Panhandling in certain locations and at certain times prohibited:

<u>Trespass, disorderly conduct</u> (1) No person shall panhandle on private property if the owner, tenant, or person in lawful control of the property has asked the person to leave or has asked the person to refrain from soliciting on the property, or has posted a sign clearly indicating that solicitations are not welcome on the property.

could be disorderly conduct? (2) No person shall panhandle when either the panhandler or the person being solicited is located within one hundred (100) feet of any automated teller machine. Provided, however, that when an automated teller machine is located within an automated teller machine facility, such distance shall be measured from the entrance or exit of the facility.

<u>Intimidation?</u>(3) No person shall panhandle when either the panhandler or the person being solicited is located in any public transportation vehicle or within twenty (20) feet of any bus station or stop.

<u>Intimidation?</u> (4) No person shall panhandle in any parking lot or parking structure to which the public or a substantial number of the public has access.

2??(5) No person shall panhandle within six (6) feet of an entrance to a building to which the public has access.

<u>Trespass</u>(6) No person shall panhandle when the person being solicited is located within the patio or sidewalk area of a retail business establishment that serves food and/or beverages.

<u>????</u>(7) No person shall panhandle in a public place during the night. Night shall mean one-half hour after sunset until one-half hour before sunrise.

????(8) No person shall panhandle when either the panhandler or the person being solicited is located within twenty (20) feet of a public toilet.

<u>Harassment if aggressive</u> (9) No person shall panhandle when the person being solicited is waiting in line for tickets, for entry into a building, or for another purpose.

11-46 (10) No person shall panhandle within one hundred (100) feet of any school grounds.

<u>Intimidation?</u> (11) No person shall panhandle any person entering or exiting a parked motor vehicle or in a motor vehicle stopped in the travelled portion of a public street. <u>Traffic?</u> (12) No person shall panhandle directly from the occupant of any vehicle traveling upon any public street or highway when:

- a. Such panhandling involves the panhandler entering onto the traveled portion of a public street or highway to complete the transaction, including, without limitation, entering onto bike lanes, street gutters or vehicle parking areas;
- b. The panhandler is located upon any median area of the traveled portion of a public street or highway which separates traffic lanes for vehicular travel; or
- c. The panhandler is located such that vehicles cannot move into a legal parking area to safely complete the transaction.

Notwithstanding any of the foregoing, no person shall panhandle directly from the occupant of any vehicle on any highway included in the interstate or state highway system, including any entrance to or exit from such highway

It shall include the front, entryway, doorway or vestibule or area of immediate access to any public place, store, shop, restaurant, tavern or other place of business.
- **Section 2.** General Repealer. All other acts, orders, ordinances, resolutions, or portions thereof in conflict with the sections adopted in this Ordinance, are hereby repealed to the extent of such conflict.
- **Section 3.** Recording and Authentication. This ordinance, immediately upon its passage, shall be authenticated by the signatures of the Mayor and City Clerk, recorded in the City book of Ordinances kept for that purposes, and published according to law.
- **Section 4.** Publication and Effective Date. This ordinance shall take effect ten (10) days after publication following final passage. Publication both before and after final passage shall be by the title of this ordinance, which Council determines constitutes a sufficient summary of the ordinance, together with the statement that the full text of the ordinance is available for public inspection and acquisition on the City's website and in the office of the City Clerk.
- **Section 5.** <u>Declaration of Public Interest</u>. This ordinance is necessary to preserve the peace, health, safety, welfare, and to serve the best interest of the citizens of the City of Alamosa, Colorado.

INTRODUCED, READ AND APPROVED on first reading the 1st day of May, 2013, and ordered published by title and reference as provided by law with notice of a public hearing to be held for consideration of the adoption of said ordinance on the 15th day of May, 2013, at 7:00 p.m., or as soon thereafter as the matter may be heard, or on such subsequent date to which the public hearing or Council consideration may be continued.

APPROVED, AND ADOPTED after public hearing the 1st day of May, 2013.

C.7.a. Approve Minutes of Meeting December 21, 2016

VI. REGULAR BUSINESS

C. Business Brought Forward by City Staff

1. Public Works

a. Award of Bid - 2016 Residential Trash Truck

Councilor Griego asked what the difference between the Peterbilt and the Mack was. Pat Steenburg confirmed that the Mack and Peterbilt are ver similar cab and chassis but they have no preference. The additional \$6,000 being asked to be approved is for the trash body itself that is mounted on the cab and chasis. Mr. Steenburg explained why the more expensive Sidewinder trash body is the preferred choice.

b. Award of Bid, 2016 Street Department Tool Truck

Councilor Griego asked for clarification of what the tool truck is. Mr. Steenburg explained what this one is and that it was actually put to bid in March of 2016 and awarded to Town and Country but at the time, Town and County informed the City that they had given inaccurate information specific to vehicle order deadlines and were told that Ford had ceased production to move to the aluminium frame. Ford is now back in production but since so much time had passed, it was decided to readvertise for bids, and Town and Country came in as the lowest bid.

Councilor Griego thanked Mr. Steenburg for working with Town and Country. Councilor Vigil concurred with Councilor Griego's statement and also noted that this came in under budget by \$8,000 and the purchase is staying local.

Councilor Griego moved, seconded by Councilor Daniel to approve C.1.a and C.1.b. The motion carried unanimously.

c. Award of Bid - 2016 Golf Course Front Nine Pump Station Upgrade

Pat Steenburg reviewed information with Council. The irrigation pump that supplies water to the front nine holes of the golf course has surpassed its service life and has, over the years, become a maintenance concern for those that operate it. In the event of a pump failure, it would be difficult at best to supply water in a timely manner to the golf course which could potentially cause turf maintenance issues if it were to happen during the heat of the summer. Because of issues specific to our substitute supply plan for the back nine water supply, that water would not be able to be used and the front nine has never been supplied with potable water so the installation of the facilities necessary to complete that project would take some time.

At the October 19th meeting, Council awarded the bid for the pump and the associated controls to Grand Junction Pipe in the amount of \$92,225. This award is for the construction and installation of the intake structure, wet well, slab, and pump house that will house the pump purchased previously.

Councilor Griego moved, seconded by Councilor Vigil to award the bid of the 2016 Golf Course Front Nine Pump Station to RMS Utilities, Inc. in the amount of \$107,650 for the Golf Course Front Nine Pump Station Upgrade. The motion carried unanimously.

d. Consideration of a deviation from existing off-street parking requirements for two proposed facilities within the City of Alamosa.

Pat Steenburg presented information to Council. In reviewing off-street parking requirements for the new Justice Center, Section 21-171 of the Code would require, based on facility specific square footages provided by the County, 760 paved, off-street parking spaces; unreasonable from both a taxpayer cost perspective as well as the difficulties it would present for the management of storm water. The County, based on historical requirements of seven similar facilities designed and built in the region, is making formal request to Council for the approval of a total of 155 off-street paved parking spaces on site, with the agreement to use the 140 space Administration Building and the 94 space Annex Building parking lots for overflow when necessary. Based on information provided by the architect, and an independent review of the 3rd Edition of the Institute of Transportation Engineers Parking Generation Manual, staff feels comfortable that this recommendation of 155 parking spaces is adequate to effectively serve the facility's employees and visitors on all but the odd days of multiple jury trials or similar non-standard uses.

The other requirement is the existing parking requirement for the proposed Ice Rink/Multi-Purpose Facility. As staff makes their way

through the design process, determining all of the City and State Code requirements associated with the facility, a review of the off-street parking requirements was completed and it was determined that compliance with a literal interpretation of our existing code is both unrealistic and inappropriate. Existing Code would require the construction of over 1,000 paved parking spaces, which, based on current estimates, without benefit of engineering design, would cost in the neighborhood of \$1,200,000, or roughly half the cost of the proposed facility, as well as imposing the requirements to manage nearly one quarter million gallons of storm water after a one inch rain event.

Understanding that the City fairgrounds and softball fields have existing dedicated parking, staff recommends that the existing Recreation Center parking lot be expanded by an additional forty parking spaces to accommodate 1 space per 400 square feet of facility for both the Recreation Center and the proposed Multi-Use Facility. If over time it is discovered that the City is lucky enough to have the facility require more parking, the paved area can be expanded further into the fairgrounds parking that we propose to be used for overflow for the time being.

Section 21-173 of the City of Alamosa Code of Ordinances provides Council the ability to increase or decrease the required number of parking spaces in consideration of three factors, one being "unique parking requirements of any non-dwelling uses." In consideration of the foregoing, staff recommends that council allow a deviation from existing code to allow a total of 155 parking spaces for the new Justice Center and 40 new spaces for at the existing Rec center parking lot, for a total of 160 parking spaces for the proposed Ice Rink/Multi-Purpose Facility in combination with the Recreation Center.

Councilor Griego asked of guesstimate of what the extra parking lot would cost. Mr. Steenburg stated that it would be about \$56,000.

Councilor Daniel asked if there is deviation for only these sites or everything. Counselor Schwiesow confirmed this is site specific.

Mayor Lucero confirmed that although the multi-purpose facility is not a reality, that the parking has been considered.

Councilor Coleman addressed his concerns with the county deviation.

Councilor Vigil moved, seconded by Councilor Stefano to relieve the City of Alamosa and Alamosa County from the requirements of Section 21-171 of the City of Alamosa Code of Ordinances as it refers to offstreet parking requirements and to approve 155 spaces for the Justice Center and 40 new spaces for the ice rink/multi-purpose facility for a total of 160 spaces in conjuction with the recreation center. The motion carried unanimously.

e. First Reading, Ordinance No. 1-2017, an ordinance rezoning Montana Azul Estates, Filing No. 5 in its entirety, lying generally north of Tremont Avenue and West of Craft Drive in the City of Alamosa, Colorado, from Commercial Business to Residential Medium.

Pat Steenburg reviewed this ordinance with Council. At the regularly scheduled Council meeting on March 2, 2016, Council approved the final plat for Montana Azul Estates, Filing 5 and a necessary Permitted Used by Special Review to allow single family detached dwellings in a commercial business zone. At that time, it was agreed that to ensure the character of the development CRHDC was creating, a zoning change would be requested to change the zoning of the underlying real property from Commercial Business to Residential Medium. This request is a result of that discussion.

Two zoning change requests were presented to the Planning Commission, one by CRHDC for all the property they still own within the external boundaries of the subdivision in question, and the other by staff, for the lots that have already been sold. Both requests have been unanimously recommended for approval by the Planning Commission with all property owners having been notified as part of the requirements of the Planning Commission hearings advising them of their rights to speak at the hearing and no comments were received.

Councilor Vigil moved, seconded by Councilor Daniel, to approve Ordinance No. 1-2017 on first reading and set for public hearing thereon on Wednesday, January 18, 2017 at 7:00 p.m. or as soon thereafter as the matter may be heard. The motion carried unanimously.

COUNCIL COMMUNICATION

DATE January 3, 2017	AGENDA NO.C. 8. a	SUBJECT: IT Director Monthly Report for December 2016
Department Head:	Ohio	Tot December 2010
City Manager:		
PRESENTED BY: James A. Belki	nap	

Below is a statement regarding major issues covered by the City IT Department:

December 2016 Report

- Council projector: ordered and installed a used Extron system: Screen fuzziness seemed to be caused by a physical issue with the Extron system (per WSB investigation).
- Attended a webinar on creating a Municipal Broadband Network in Your Community.
- Met with Allegion Locks regarding new models of electronic lock systems used in our buildings.
- Met with Ciello to discuss their broadband initiatives.
- Performed a server upgrade to the software that runs the Police Mobile Recording system.
 This upgrade required IT to upgrade the firmware on every Police body camera and every Police Car MVR system.
- IT finished the year long re-creation of the Library Website. The new site incorporates many of the elements of the current City Website.
- Assisted Public Works in recovering SDR data from one of the water recorders in use at Vista Park.
- Created a webpage for the Alamosa Public Art program.
- Upgraded the Police Records Management Server (RMS) to the latest release.
- Worked with Digital Ally to get their extended docks online. With these docks in place we can now issue longer lasting batteries for the Police Department body cams.
- Replaced several failed WIFI units for the Police MVR cars. These WIFI units fail regularly due to weather.
- Began setting up and issuing the new computers for the 2017 5 year replacement program.
- Sent out monthly Phishing and Virus reports to all network users.
- Reviewed the security logs created by the Security Audit system. The system allows IT to review potential physical security breach attempts of the entire network in one comprehensive location.

Patched all City owned computers to the latest patch and vulnerability fixes from Microsoft. This
monthly patching helps protect our computers from malicious software, resolve general windows
issues/bugs, and provide access to new windows features.

In Monte Vista, we performed the following items:

- Received and installed the server system, network switch, and uninterruptable power supply for the Watchguard video server. This new system will be used to store the Police body cam videos.
- Installed a network printer and WIFI for Kids Connection.
- Worked with Allegion Locks to deploy a sample of their new electronic lock system. We
 anticipate this trial lock will demonstrate the use of this lock to help comply with the CJIS
 requirements we face at City Hall and the Police Station.
- Recorded the City Council meeting of 12/1/16 and placed the recording on YouTube.
- Recorded the City Council meeting of 12/15/16 and placed the recording on YouTube.
- Sent out monthly Phishing and Virus reports to all network users.
- Performed patch services on all existing and newly created servers. This monthly patching will help protect our servers from known vulnerabilities.

Collection Development:

Staff added 316 new materials to the library collection: 261 books, 58 magazines, 6 audiobooks, 3 music CDs and 43 DVDs. This process includes purchasing, cataloging, and material processing. 139 materials were discarded.

Staff announcements.

Volunteers: Our token volunteer and board member, Patty Campbell, spent 11 hours with us. A new volunteer, Leroy, volunteered 7 hours helping with general duties.

Our library has been asked to be a recipient in the Colorado State Library, Growing Readers Together (GRT) grant. (See your September 27, 2016 packet.) Becky and I participated in an online meeting Dec. 14, 2016 to be updated on staffing, reiterating timeline and activities, providing context for partnerships and outreach, and getting details on the funds we will be receiving for purchasing materials for our library, our unlicensed care providers, and for training events. The funds to be distributed to each library participant will be \$8,300.

Our library website has been moved to Wordpress and now looks like the City of Alamosa's website. Take a look: www.alamosalibrary.org Because of this move, we were not able to get the stats for website usage this month. Working with the IT dept to be able to capture that information.

Community Involvement

• Movie Night – "Ice Age: Collision Course" – 18 children and parents were at the showing.

• The local Fiber group met in the Story Room. Usual attendance is 10-15 fiber enthusiast. The group knits, weaves, spins, and crafts all things fiber. They share and teach each other new techniques and ideas. Planning for charity projects or events is also done at these meetings. The next meeting will be January 11th. We welcome anyone interested in any type of fiber arts.

The Historic Preservation Advisory Committee meets the second Tuesday each month in the Local History Room.

• People First group had their meeting in our Local History room. 8 members attended.

• San Luis Valley Origami workshop at the library was December 10th with 5 participants. Next workshop will be January 14, 2017.

Children's Services Monthly Report

December, 2016

DECEMBER OVERVIEW: We were extra busy this month with our decorations and displays. We had a fun school visit, and lots of participation with the Gingerbread Playhouse decoration! See photos below. Staff began working together on a new bulletin board display for the Teen Lounge – pictures for that will be on the January report.

✓ Storytime Fridays – We had 5 Fridays in December! The first four were regular Storytime Fridays, the final Friday was a special "Hunger Storytime" designed for families of all ages. We read books about sharing food, gardening, hunger, and just food in general. I used one of the nominated books for One Book 4 Colorado this coming year, "Mouse Mess" by Linnea Riley. We kept it light but informational and followed it up with a parade of food down to the food bank where we dropped off the food and food bank staff told us a little bit about what they do and the people they serve.

✓ **Visits** - On Wednesday, December 7th, Alamosa Elementary School K-2 Counselor, Matt Estrada, brought 18 kindergarten through second grade students who are identified as possibly gifted/talented students to the library, much like last year. I put together an hour-long event that included a tour; the story, "The Library Dragon" by Carman Agra Deedy; a short video/lesson on the Dewey Decimal System; practice finding different kinds of books in the stacks; and a coloring activity reinforcing the importance of caring for our library books. For this, I recycled the Library Dragon Assistant that I used for Sanford Elementary School's visit.

✓ Partnerships:

- o StoryWalk Saturday, December 6, Members of the Alamosa Literacy Council switched the StoryWalk to Jack Ezra Keats', "The Snowy Day."
- o After Storytime on Friday, December 16th, I went to the 1st Southwest Bank to read for their holiday open house. There were only two children, but we read and had fun anyway. Apparently, they usually get a little more attendance and they were apologetic, but I told them it was fine, and we had some fun.

✓ Displays:

- Teen Lounge We left the Native American display up for December, however, Cathy did a cute
 mystery gift book display to promote reading books one might not otherwise choose. I'm unsure if
 any of them actually got checked out. See photo.
- o **Children's Special Interest** I did not do my typical special interest display this month. Instead, I worked on the new Family Resource Center. However, we did do the Gingerbread Playhouse.
 - Cathy's help was integral in getting that project done. Families and even many adults took time to make items to add to it. We are going to attempt to dismantle it by the seams so that we can re-use it in the future.
- o **Featured Author** I did Tomie de Paola again! He has so many great holiday books, I thought it would be fun to have him again.
- Decorations The whole office worked together to do the decorations in the windows facing the tree outside. The awesome stuff outside by the tree was done by Judith and Salai. Near the front desk, Melissa put up a tree around which we gathered food donations for the food bank.

Public Hearing and Second Reading, Ordinance No. 1-2017, an ordinance rezoning Montana Azul Estates, Filing No. 5 in its entirety, lying generally north of Tremont Avenue and West of Craft Drive in the City of Alamosa, Colorado, from Commercial Business to Residential Medium.

Recommended Action:

That Council conduct a public hearing and unless information is presented to the contrary, pass Ordinance No. 1-2017 on Second Reading as per the unanimous recommendation of the Planning Commission.

Background:

At your regularly scheduled meeting on March 2, 2016, Council approved the final plat for Montana Azul Estates, Filing 5 and a necessary Permitted Use by Special Review to allow single family detached dwellings in a commercial business zone. Staff felt that it was necessary to pursue this course of action in an effort to ensure a steady inventory of property for CRHDC to offer to its customers and this was the only way to keep them on track for spring construction. At that time, it was agreed that to ensure the character of the development they were creating, a zoning change would be requested to change the zoning of the underlying real property from Commercial Business to Residential Medium. This request is the result of that discussion. Two zoning change requests were presented to the Planning Commission, one by CRHDC for all of the property they still own within the external boundaries of the subdivision in question, the other by staff, for the lots that have already been sold. Both requests have been unanimously recommended for approval by the Planning Commission, all property owners have been notified as a part of the requirements of the Planning Commission hearings advising them of their rights to speak at the hearing and no comments were received.

Section 21-76 of the City of Alamosa Code of Ordinances requires for the purpose of establishing and maintaining sound, stable and desireable development within the city, that re-zonings be discouraged and only considered if:

- 1. The land to be rezoned was zoned in error and as presently zoned is inconsistent with the policies and goals of the city's comprehensive plan;
- 2. The area for which rezoning is requested has changed or is changing to such a degree that it is in the public interest to encourage a redevelopment of the area;
- 3. The proposed re-zoning is necessary in order to provide land for a community related use which was not anticipated at the time of the adoption of the city's comprehensive plan (master plan), and that such rezoning will be consistent with the policies and goals of the plan.

It is staff's opinion that it could be argued that this location meets each of the required conditions for the consideration and approval of a rezoning action. This request will guarantee the future character of the development by preventing any possible commercial concerns developing within the boundaries of the residential area other than those uses allowed by our home based business ordinances.

Issue Before the Council:

Does Council wish to amend the zoning for the entirety of the Montana Azul Estates Filing No. 5 from Commercial Business to Residential Medium as per the unanimous recommendation of the Planning Commission?

Alternatives:

Council may pass Ordinance No. 1-2017 as presented on second reading, Council may amend the ordinance as presented, or Council may deny the request with or without providing staff further direction.

Fiscal Impact:

No significant fiscal impact is anticipated.

Legal Opinion:

The City Attorney will be present for comment.

Conclusion:

This zoning change is necessary to protect the rights of the home owners within Montana Azul Estates, Filing 5.

ALAMOSA CITY COUNCIL COUNCIL COMMUNICATION

Subject/Title:

Discussion on TSJC Security Proposal

Recommended Action:

Staff recommends that Council discuss the proposed partnership and provide direction to staff.

Background:

Dr. Simone approached staff about a potential partnership to provide security services to the TSJC Valley Campus similar to the partnership with the City of Trinidad for the Trinidad Campus. Based on initial conversations, staff feels that TSJC and the City would both benefit from a partnership. The contract would address the expectations of a dedicated FTE and funding considerations.

Issue Before the Council:

Does Council wish to pursue continued discussions with TSJC for the provision of campus security?

Alternatives:

Given that this is Council's first discussion on the topic, there are many different directions the item can take.

Fiscal Impact:

The fiscal impact is intended to be minimal, but until discussions are complete, the amount is unknown.

Legal Opinion:

The City Attorney will be present for any questions.

Conclusion:

Staff feels that a properly drafted agreement would benefit both TSJC and the City of Alamosa.

ALAMOSA CITY COUNCIL COUNCIL COMMUNICATION

Subject/Title:

Discussion on City/County Joint Ownership of Airport Property

Recommended Action:

Staff recommends that Council consider the information presented and provide direction for future discussions with County representatives.

Background:

The history behind the current joint ownership of the Airport property is very long and complicated. It is staff's intent to avoid getting lost in the weeds of that history, but in case anyone is interested, multiple documents dating back to 1948 are attached. Please keep in mind that many of the attached documents were rendered moot by the 2001 agreement. The matter that is currently before Council for consideration is to sever the joint ownership of the property and clean up any other property ownership issues for the best interest of the community.

Staff has held several meetings with County staff to discuss the untangling of the property. Discussions have focused on needed research to confirm ownership and FAA requirements. Much of that research is still needed. However, in order to move forward with discussions, City staff presented a draft map to County staff on splitting the jointly owned property. It was understood that the map had not been reviewed by either the City Council nor County Commissioners, but was provided as a tool to have more tangible discussions. The draft map is attached.

Staff feels that there is a clear City interest in approximately 94 acres out of the total 1,500 acres. While the attached map will go through further revisions and refinement, it provides preliminary identification of the different sections of the jointly owned property. The area of interest to the City is along State Avenue and Airport Road. Municipal ownership of this property is in line with the Comprehensive Plan and an orderly build out of the existing Industrial Park. Conversely, staff felt that the other sections of property remaining outside the safety area were too far removed from municipal utilities and services to justify a municipal use. The other jointly held property that staff feels there is a municipal interest is the jointly held well. The well could be used in the City's augmentation plan.

The purpose of this agenda item is to allow Council the opportunity to review the information, ask questions, and provide direction to staff on future discussions.

Issue Before the Council:

How does Council want staff to move forward in untangling the joint ownership of the Airport property?

Alternatives:

Since this is a preliminary discussion of the issue there are numerous alternatives possible.

Fiscal Impact:

There are not any anticipated fiscal impacts.

Legal Opinion:

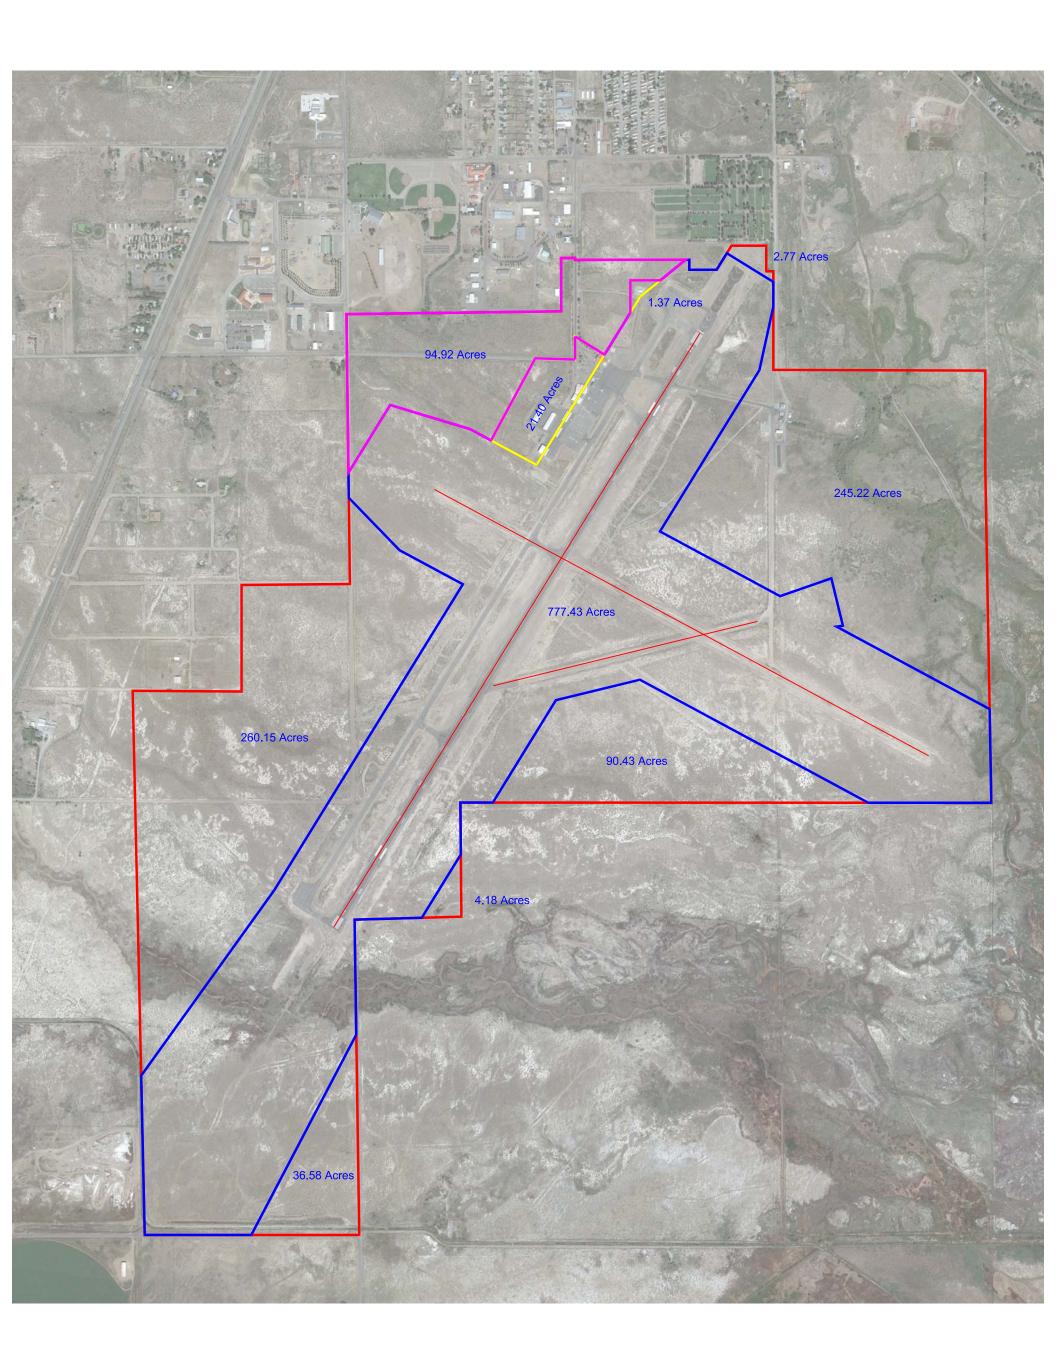

The City Attorney will be present for any questions.

Conclusion:

Untangling the jointly-owned property will allow both agencies to function much more efficiently and remove any confusion over perceived responsibilities and expectations.

INTERGOVERNMENTAL AGREEMENT between CITY OF ALAMOSA and COUNTY OF ALAMOSA

THIS AGREEMENT is made the day of September, 2000, by and between the CITY OF ALAMOSA, a Colorado municipal home-rule corporation, (City herein), and the COUNTY OF ALAMOSA, a political subdivision of the State of Colorado (County herein);

WITNESSETH:

THAT WHEREAS, Article XIV, Section 18, of the Constitution of the State of Colorado, and C.R.S. Sections 29-1-201, et seq., encourage, permit, and authorize intergovernmental agreements between governmental entities to accomplish mutual objectives for the contracting entities; and

WHEREAS, the parties are in litigation over a disputed obligation concerning the changeover of the formerly shared operation of the Alamosa Emergency Medical Service upon the formulation of the Alamosa Ambulance District, which case is pending as Action No. 99 CV 124 in the District Court for the County of Alamosa, State of Colorado (the "EMS lawsuit"), and desire to resolve the same with finality; and

WHEREAS, the parties agree to divide between them what historically were joint enterprises in the operation of Southern Peaks Library and the SLV Regional Airport; and

WHEREAS, the parties intend that the settlement monies to be paid hereunder by City to County shall eliminate the need of County to seek reallocation of the county-wide sales tax established by the passage of County Resolution 1978-F-8, while such settlement sums are being paid ("1978 County-wide Sales Tax");

NOW THEREFORE, in consideration of the premises, including other valuable consideration and the performance of the promises contained herein, the parties agree as follows:

- 1. City shall pay to County a sum equivalent to 15% of the total revenues generated from the 1978 County-wide Sales Tax during 2001.
- 2. City shall pay to County a sum equivalent to 10% of the total revenues generated from the 1978 County-wide Sales Tax during 2002.
- 3. City shall pay to County a sum equivalent to 5% of the total revenues generated from the 1978 County-wide Sales Tax during 2003.
 - 4. Monies shall be paid to County proportionally as they are received as revenue by the City.
 - 5. Subject to the provisions of paragraph 7, the parties agree that neither shall initiate an

election to modify the 1978 County-wide sales tax prior to January 2, 2004. During the term of this Agreement, in the event of the passage of a tax measure pursuant to C.R.S. Section 29-2-104(4), or any other citizen initiated measure, City's obligations hereunder shall be deemed to be satisfied automatically, without a payment of monies hereunder, but shall only be deemed satisfied in the amount such tax measure results in increased revenues to County, or decreased revenues to City.

- 6. Subject to the provisions of paragraph 7, and upon the City completing all its obligations under this Agreement, the parties agree to the dismissal, with prejudice, of the EMS lawsuit.
- 7. All payment obligations of the City under this Intergovernmental Agreement are from year-to-year only and do not constitute a multiple-fiscal year direct or indirect debt or other financial obligation of the City. The payment provisions of the City under this Intergovernmental Agreement are subject to annual renewal or cancellation at the option of the City and will be terminated upon the occurrence of an event of non-appropriation. In such event, all payments from the City under this Intergovernmental Agreement will terminate and the County will be released from its obligation not to initiate an election to modify the 1978 County-wide sales tax prior to January 2, 2004, and will further be released from its obligation to dismiss with prejudice the EMS lawsuit.
- 8. During any period when City has paid to County all of the City's obligations hereunder which have matured to the date of any breach by the County, breach of this agreement by the County would cause irreparable injury to the City for which damages would be an inadequate remedy at law, and that in that event, the City would be entitled to specific performance or such other equitable relief as the Court, acting in equity, deems just and proper in the circumstances.
- 9. Beginning 2001, City shall take over exclusively the operation of Southern Peaks Library, including, but not limited to bearing all financial responsibility therefore; County shall take over exclusively the operation of SLV Regional Airport/Bergman Field, including, but not limited to bearing all financial responsibility therefore.

IN WITNESS WHEREOF, the parties have executed this agreement the day and year first above written.

Re: Airport Board Grant

Dear Paul:

This letter is a follow up to our conversations concerning the County Administrator's perception that the Grant Acceptance Form must be attested by the City; that the failure to do so would jeopardize the award of funds. I believe that the two of us concurred when we first talked that the City has no right or authority to control, participate, select or replace board members or anything of the like because of the total delegation of operative control and authority to the County under our existing Intergovernmental Agreement. Therefore we really have nothing to do with the grant. Similarly, by virtue of the same agreement, the County is wholly outside the operating realm of Southern Peaks Library. The consequence of these characterizations is that the County is not in harm's way with regard to any prospective liability arising from the operation of the Library, and the City is similarly situated with respect to the Airport. Each has agreed to indemnify the other from operating liabilities, as an essential part of our intergovernmental agreement concerning the Library and Airport.

Nonetheless, the City is willing to accommodate the acceptance of the pending grant which was obtained by the County for the benefit of the Airport. I think it is a fair characterization that the City is essentially a co-sponsor in that the City co-owns the Airport, and the commerce it supports is comparably as important to the City as it is to the County. This accommodation is tendered with the express clarification, however, that the City has not changed its position at all with respect to its indemnification by the County for all matters relating to the airport operation, including the administration of

Mr. Paul Motz, County Attorney Page Two September 6, 2002

this grant. It is within this affirmation of the pre-grant *status quo* that we have accommodated the County's acceptance of the grant. The County's use of our attestation under these qualifications shall be deemed its acceptance of them.

Very truly yours,

CITY OF ALAMOSA

INTERGOVERNMENTAL AGREEMENT between CITY OF ALAMOSA and COUNTY OF ALAMOSA

THIS AGREEMENT is made the Aday of September, 2000, by and between the CITY OF ALAMOSA, a Colorado municipal home-rule corporation, (City herein), and the COUNTY OF ALAMOSA, a political subdivision of the State of Colorado (County herein);

WITNESSETH:

THAT WHEREAS, Article XIV, Section 18, of the Constitution of the State of Colorado, and C.R.S. Sections 29-1-201, et seq., encourage, permit, and authorize intergovernmental agreements between governmental entities to accomplish mutual objectives for the contracting entities; and

WHEREAS, the parties are in litigation over a disputed obligation concerning the changeover of the formerly shared operation of the Alamosa Emergency Medical Service upon the formulation of the Alamosa Ambulance District, which case is pending as Action No. 99 CV 124 in the District Court for the County of Alamosa, State of Colorado (the "EMS lawsuit"), and desire to resolve the same with finality; and

WHEREAS, the parties agree to divide between them what historically were joint enterprises in the operation of Southern Peaks Library and the SLV Regional Airport; and

WHEREAS, the parties intend that the settlement monies to be paid hereunder by City to County shall eliminate the need of County to seek reallocation of the county-wide sales tax established by the passage of County Resolution 1978-F-8, while such settlement sums are being paid ("1978 County-wide Sales Tax");

NOW THEREFORE, in consideration of the premises, including other valuable consideration and the performance of the promises contained herein, the parties agree as follows:

- 1. City shall pay to County a sum equivalent to 15% of the total revenues generated from the 1978 County-wide Sales Tax during 2001.
- 2. City shall pay to County a sum equivalent to 10% of the total revenues generated from the 1978 County-wide Sales Tax during 2002.
- 3. City shall pay to County a sum equivalent to 5% of the total revenues generated from the 1978 County-wide Sales Tax during 2003.
 - 4. Monies shall be paid to County proportionally as they are received as revenue by the City.
 - 5. Subject to the provisions of paragraph 7, the parties agree that neither shall initiate an

election to modify the 1978 County-wide sales tax prior to January 2, 2004. During the term of this Agreement, in the event of the passage of a tax measure pursuant to C.R.S. Section 29-2-104(4), or any other citizen initiated measure, City's obligations hereunder shall be deemed to be satisfied automatically, without a payment of monies hereunder, but shall only be deemed satisfied in the amount such tax measure results in increased revenues to County, or decreased revenues to City.

- 6. Subject to the provisions of paragraph 7, and upon the City completing all its obligations under this Agreement, the parties agree to the dismissal, with prejudice, of the EMS lawsuit.
- 7. All payment obligations of the City under this Intergovernmental Agreement are from year-to-year only and do not constitute a multiple-fiscal year direct or indirect debt or other financial obligation of the City. The payment provisions of the City under this Intergovernmental Agreement are subject to annual renewal or cancellation at the option of the City and will be terminated upon the occurrence of an event of non-appropriation. In such event, all payments from the City under this Intergovernmental Agreement will terminate and the County will be released from its obligation not to initiate an election to modify the 1978 County-wide sales tax prior to January 2, 2004, and will further be released from its obligation to dismiss with prejudice the EMS lawsuit.
- 8. During any period when City has paid to County all of the City's obligations hereunder which have matured to the date of any breach by the County, breach of this agreement by the County would cause irreparable injury to the City for which damages would be an inadequate remedy at law, and that in that event, the City would be entitled to specific performance or such other equitable relief as the Court, acting in equity, deems just and proper in the circumstances.
- 9. Beginning 2001, City shall take over exclusively the operation of Southern Peaks Library, including, but not limited to bearing all financial responsibility therefore; County shall take over exclusively the operation of SLV Regional Airport/Bergman Field, including, but not limited to bearing all financial responsibility therefore.

IN WITNESS WHEREOF, the parties have executed this agreement the day and year first above written.

Introduced by Commissioner Caft seconded by Commissioner Sector this 27th day of Grand THE BOARD OF COUNTY COMMISSIONERS OF ALAMOSA COUNTY Lewis H. Entz, Chairman

Minutes of the Special Meeting of the Board of Alamosa County Commissioners, held on April 18, 1978 at 4:00PM in the Council Chambers, City Hall, with the City Council.

This Special Meeting of Work Session was a continuation of another city/county meeting held on April 11, 1973. The purpose of the meeting was to discuss further the sales tax issue. The County Commissioners on April 17, 1978 asked the City Manager to allow some time for discussion of the Airport Authority Resolution as well.

The meeting was called to order shortly after 4:00PM with the following present:

Mayor Everett Manchester, City of Alamosa Mayor Everett Manchester, City of Alamosa Finance Director LeRoy Payne, City of Alamosa City Manager Jim Keller, City of Alamosa City Attorney Bill DeSouchet, City of Alamosa City Attorney George Ottenhoff, City of Alamosa City Clerk Sue Stong, City of Alamosa Councilman Pascual Lee Councilman Ray Pizza Councilman Quentin Garcia Councilman Bud Nielson Councilman Louis Muniz Lewis H. Entz, Chairman, Board of Commissioners James H. Craft, Member, Board of Commissioners John Kuenhold, County Attorney Carl Bergman, Airport Manager Joe Boos, Airport employee
Mary B. Sparnow, Secretary of the Board
Mile Porter IV, Valley Courier

City Manager brought up the matter of the proposed contract on Crash, Fire, Rescue Contract. The City and County Attorneys both stated that this matter was not ready for discussion as a new draft of the contract was being worked up.

County Attorney Kuenhold stated that what the County wished to discuss was the proposed Airport Authority County Attorney Kuenhold stated that what the County wished to discuss was the proposed Airport Authority Resolution and accompanying Intergovernmental Agreement. The City Manager indicated that he had no knowledge of this proposed resolution other than some mention being made about it by the City Attorney. Mr. Kuenhold stated that he and the City Attorney had been working on it for some time, and Chairman Entz stated that it had been since around October that constructive work had been done on such a resolution. Mr. Keller stated that he had misunderstood the fact that this was to be the matter discussed, and asked for a general explanation of the proposition. The matter was discussed for some time, with Lewis Entz, Carl Bergman and County Altorney Kuenhold giving background on the decision to work towards an Airport Authority, citing the fact that it became apparent that there was need of the Authority due to the problems developing over the construction project at the airport last year, financing in particular. The general concensus of those present was that they needed to study it more and were favorably inclined to the concensus of those present was that they needed to study it more and were favorably inclined to the concept of an Airport Authority. The matter was tabled.

The sales tax issue was discussed next, with the City Council, Mayor and City Manager making it clear that they would not support the county-wide 1% sales tax issue, but would be supportive to a 2% issue, with the city adopting a resolution to rescind the city 1% sales tax, if the 2% county-wide tax passed.

City Manager Keller pointed out that the City could not talk of property tax relief because of the needs of the City for sewer, water, etc., but would be speaking to spending for improvements. All City Councilmen present spoke up to say that they felt the issue could pass on 2% with the city and county getting together and working on it together.

Chairman Entz questioned Miles porter as to what stance he thought the newspaper would take to a 2% issue and if he had a feel so far as to how the public felt about the 1% issue. Mr. Porter answered that he felt the 2% was the only way to go and that he felt the newspaper would support it. He also mentioned that the paper today carried the "man on the street" question of what the people thought of the tax and the answers were varied.

City Manager Keller asked Chairman Entz when the County Commissioners Could meet again and make a definite decision on the city's proposal for 2%, stating that the City would be meeting the following evening and could make arrangements for a public meeting on an ordinance to rescind the 1% contingent on passage of the 2% issue. Chairman Entz answered that the Board could meet the next morning.

The combined meeting broke up at this point. Chairman Entz, Commissioner Craft and the secretary of the Board decided on 8:30AM for the morning meeting, if Commissioner Lorton would be available.

The meeting was adjourned at 6:10PM.

Minutes of Special Meeting of the Board of Alamosa County Commissioners held on April 19, 1978 at 8:30 AM in the Commissioners' Room, Alamosa County Office Building, Alamosa, Colorado.

The Special Meeting was called for the purpose of discussing the sales tax issue discussed the previous evening with the City Council, at which meeting Commissioner Lorton was not in attendance.

The meeting was called to order at 8:30AM with the following persons present:

Lewis H. Entz, Chairman
Phillip M. Lorton, Vice Chairman
James H. Craft, Member
O. John Kuenhold, County Attorney
Marjorle A. Guipre, County Clerk
Many B. Sparrow, Secretary of the Board

Chairman Entz and Commissioner Craft reviewed with Commissioner Lorton all that was discussed with the Council the previous evening, and their conclusion that the Sales Tax Issue based on the 1% would not get the support of the City, whereas the 2% issue, with the City rescinding their 1% sales tax contingent upon the passage of the 2% would have the wholehearted support of the City Council. The matter was discussed at some length, and after coming to a meeting of minds as to what percentage of the 2% county-wide tax would go to Alamosa, Hooper and the County of Alamosa, the Board adjourned temporarily while the County Attorney and Secretary prepared the amended resolution for adoption. A time of 11:00 AM was set to reopen the special meeting. At 11:05AM the meeting was reopened with the above mentioned present, as well as reporters from the Chieftain and Courier.

It was moved by Commissioner Lorton, seconded by Commissioner Craft to adopt Resolution F-7, rescinding Resolution F-6, adopted by the Board of Commissioners on April 3, 1978. Motion carried unanimously.

Minutes of the Regular Meeting of the Board of Alamosa County Commissioners, held on April 27, 1978 at 8:00AM in the Commissioners' Room, Alamosa County Office Building, Alamosa, Colo.

An Executive Session was held at 8:00AM with the County Attorney, with all three Commissioners present and the Secretary of the Board.

At approximately 8:20AM the Executive Session was completed and the regular meeting was called to order by the Chairman, with the following present:

Lewis H. Entz, Chairman
Phillip M. Eorton, Vice Chairman
James H. Craft, Member
Marjorie A. Guipre, County Clerk
O. John Kuenhold, County Attorney
Stella Mai Foster, County Treasurer
Dorothy M. Yeater, County Assessor
Mary B. Sparrow, Secretary of the Board
Pam Wilson, Valley Courier

At this time the Chairman made the Collowing statement:

"I believe the action taken by this Board on April 19, 1978 violated no law. The Board met in open Public Session at the Commissioners Room in the Alamosa County Office Building during normal business hours.

Reporters of both the Valley Courier and the Pueblo Chieftain were present at the time we rescinded the 1% sales tax proposal and enacted Resolution 78 F-8 providing for a special election concerning a countywide 2% sales tax.

Nevertheless, because the special election is scheduled for June 13, 1978, and because publication of the Notice of Special Election will begin immediately, and because the passage of the 2% sales tax is necessary in order to provide tax relief to the property owners of Alamosa County, I want to clear the air of any misgivings and misunderstandings. I therefore propose we ratify the previous action of this Board taken April 19, 1978 by affirming the rescission of Resolution 78 F-6 and readopting Resolution 78 F-8, providing for a special election concerning a 2% County-wide Sales tax."

A motion was then made by Commissioner Lorton, seconded by Commissioner Craft: "I would move the affirmation of the rescission of the Resolution 1978F-6, for the proposal of a 1% sales tax". Motion carried by unanimous roll call vote.

Commissioner Craft moved for readoption of Resolution 78 F-8 concerning the 2% Sales Tax. Motion seconded by Commissioner Lorton and carried by roll call vote, two in favor, Commissioner Lorton voting

ALAMOSA CITY COUNCIL COUNCIL COMMUNICATION

Subject/Title:

Motion to Authorize the City Manager to sign the Purchase and Sale Agreement with Valley Land & Cattle, LLC in the amount of \$525,000.

Recommended Action:

Staff recommends that Council authorize the City Manager to sign the Purchase and Sale Agreement with Valley Land & Cattle, LLC in the amount of \$525,000 for the purchase of 350 acre feet per year of historical well pumping.

Background:

In 2013, while the State Engineer was formulating the Rules Governing the Withdrawal of Ground Water in Division 3, the City began the process of evaluating how it would meet the potential rules. After significant research and analysis, City Council provided direction that the best option would be to file an Augmentation Plan. The Augmentation Plan will include multiple items in order to meet the proposed rules, one of which is the retirement of well pumping existing during the period of 1978-2002 in order to meet the aquifer sustainability requirement. The Purchase and Sale Agreement is for 350 acre feet of annual pumping from the confined aquifer, which will be retired as part of the City's Augmentation Plan to offset confined aquifer groundwater withdrawals of the City's municipal wells. The well is owned by Valley Land & Cattle, LLC and located in Conejos County in the response area that also includes the City of Alamosa.

Due to the fact that other parts of the Augmentation Plan require negotiations, further details should remain confidential and will not be addressed in this communication.

Issue Before the Council:

Does Council wish to purchase the 350 acre feet of annual well pumping as part of the City's Water Augmentation Plan?

Alternatives:

Council can authorize the City Manager to sign the Purchase and Sale Agreement or set the matter for an Executive Session to provide further direction for negotiations.

Fiscal Impact:

Per the direction of Council, staff has held several discussions with UMB Bank to finance the costs associated with the City's Water Augmentation Plan. The current estimate for the total costs is \$3.5 million of which this \$525,000 is a portion. The final details of the financing, including the length of the term and interest rate, are being finalized and will be brought before Council in February or March.

Legal Opinion:

The City Attorney will be present for any questions.

Conclusion:

Since the retirement of historical well pumping is a key part to the City's Augmentation Plan, this purchase is a positive step in ensuring the continued supply of municipal water.
