APPLICANT'S FEASIBILITY REPORT

Applicant Organization Name: City of Alamosa/Police Department

1. Existing Facility. Briefly describe what facilities you currently have or how service is currently provided.

The Alamosa Police Department operates and maintains a fleet of 28 police vehicles. Seven of those fleet vehicles fall under the Support Services Division. Of those seven vehicles three are assigned to Detectives, three assigned to Community Services Officers, and one assigned to administration. The remainder of the fleet is operated by police officers assigned to Operations.

These vehicles are equipped with safety equipment, radios, lights and sirens; provide transportation for police services and are authorized for emergency response and pursuit activities.

The department currently deploys 3 detectives who operate on a daily and on-call basis and are subject to call out and assist patrol as needed.

2. Proposed Facility. Describe what you want to purchase or construct. Indicate what the facility will be used for, approximate size, and expected method of procurement. For buildings indicate location, basic materials or type of construction, and attach a sketch or working drawings. For items of major equipment, indicate new or used, existing or custom-built, and any special features.

We are looking to purchase a newer unmarked vehicle to replace the 2013 Dodge Charger. We are looking at the following vehicles: Dodge Durango, Chevy Blazer, Ford Explorer, Ford F-150 for purchase to include police equipment. We would like to purchase new, however have not ruled out a low-mileage newer vehicle for replacement.

3. Need for the Facility. Indicate why the proposed facility is needed.

Support Services Division is in need of funding to assist with the fleet vehicle purchase which will be operated by a detective. The vehicle currently in operation is a 2013 Dodge Charger unmarked with over 122,000 miles. The Kelley Blue Book value for re-sale is \$5,800.00. The cost to service the Detective's vehicle with fleet is no longer cost effective to continue maintaining the vehicle repairs and maintenance.

The charger is constantly out of service for repairs, which limits the Divisions's ability to appropriately respond. When the vehicles is out for repairs, the assigned Detective must use his vehicle, which is undesirable.

4. Service Area. Indicate what area the proposed facility will serve and, if known, the population or number of families served.

A newer vehicle would replace the Dodge Charger and allow for less service and repairs which would allow the detective to complete his tasks with a reliable vehicle to serve the community of Alamosa or assist as needed within the police departments functions.

Public reporting burden for this collection of information is estimated to average 3 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. C. 20250; and to the Office Management and Budget, Paperwork Reduction Project (OMB No. 0575-0120), Washington, D. C. 20503. Please DO NOT RETURN this form to this address. Forward to the local USDA office only.

We hereby certify that we are unable to finance the proposed project from our own resources or through commercial credit at reasonable rates and terms.

Acknowledgement of Graduation Requirements (loans)

USDA, Rural Development ("Agency") will periodically review borrower accounts for graduation to commercial credit. Borrowers are to refinance their loans when commercial credit is available at reasonable rates and terms.

The Agency expects borrowers to comply with graduation requirements, evidenced by the legally binding graduation clauses in the promissory note, security instrument and the loan agreement.

The Borrower will be required to provide financial information upon the request of the Agency.

In certain cases, prepayment restrictions or other limiting conditions will be considered in the graduation process.

However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.

 - "Conviction" means a finding of guilt (including a plea of nolo contendere) or imposition of sentence, or both, by any judicial body charged with the responsibility to determine violations of the Federal or State criminal drug statutes.
 - "Criminal drug statute" means a Federal or non-Federal criminal statute involving the manufacture, distribution, dispensing, use, or possession of any controlled substance.
 - "Employee" means the employee of a grantee directly engaged in the performance of work under a grant, including: (i) all "direct charge" employees (ii) all "indirect charge" employees unless their impact or involvement is insignificant to the performance of the grant and, (iii) temporary personnel and consultants who are directly engaged in the performance of work under the grant and who are on the grantee's payroll. This definition does not include workers not on the payroll of the grantee (e.g., volunteers, even if used to meet a matching requirement, consultants or independent contractors not on the grantee's payroll, or employees of subrecipients or subcontractors in covered workplaces).

City of Alamosa/Police Department

(herein called "Recipient" whether one or more) and United States Department of Agriculture (USDA), pursuant to the rules and regulations of the Secretary of Labor (herein called the 'Secretary') issued under the authority of Executive Order 11246 as amended, witnesseth:

In consideration of financial assistance (whether by a loan, grant, loan guaranty, or other form of financial assistance) made or to be made by the USDA to Recipient, Recipient hereby agrees, if the cash cost of construction work performed by Recipient or a construction contract financed with such financial assistance exceeds \$10,000 - unless exempted by rules, regulations or orders of the Secretary of Labor issued pursuant to Section 204 of Executive Order 11246 of September 24, 1965.

1. To incorporate or cause to be incorporated into any contract for construction work, or modification thereof, subject to the relevant rules, regulations, and orders of the Secretary or of any prior authority that remain in effect, which is paid for in whole or in part with the aid of such financial assistance, the following "Equal Opportunity Clause":

During the performance of this contract, the contractor agrees as follows:

- (a) The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, sex or national origin. Such action shall include, but not be limited, to the following: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the USDA setting forth the provisions of this nondiscrimination clause.
- (b) The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex or national origin.
- (c) The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice, to be provided by the USDA, advising the said labor union or workers' representative of the contractor's commitments under this agreement and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
- (d) The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of all rules, regulations and relevant orders of the Secretary of Labor.
- (e) The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, rules, regulations, and orders, or pursuant thereto, and will permit access to his books, records, and accounts by the USDA Civil Rights Office, and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.
- (f) In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be cancelled, terminated, or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order No. 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order No. 11246 of September 24, 1965, or by rule, regulation or order of the Secretary of Labor, or as otherwise provided by Law.
- (g) The contractor will include the provisions of paragraph 1 and paragraph (a) through (f) in every subcontract or purchase order, unless exempted by the rules, regulations, or orders of the Secretary of Labor issued pursuant to Section 204 of Executive Order No. 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the USDA may direct as a means of enforcing such provisions, including sanctions for noncompliance: Provided, however, that in the event the contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the USDA, the contractor may request the United States to enter into such litigation to protect the interest of the United States.

According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 0575-0018. The time required to complete this information collection is estimated to average 10 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information.

2. To be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: Provided, that if the organization so participating is a State or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the contract.
3. To notify all prospective contractors to file the required 'Compliance Statement', Form RD 400-6, with their bids.
4. Form AD-425, Instructions to Contractors, will accompany the notice of award of the contract. Bid conditions for all nonexempt federal and federally assisted construction contracts require inclusion of the appropriate "Hometown" or "Imposed" plan affirmative action and equal employment opportunity requirements. All bidders must comply with the bid conditions contained in the invitation to be considered responsible bidders and hence eligible for the award.
5. To assist and cooperate actively with USDA and the Secretary in obtaining the compliance of contractors and subcontractors with the equal opportunity clause and rules, regulations, and relevant orders of the Secretary, that will furnish USDA and the Secretary such information such as , but not limited to, Form AD-560, Certification of Nonsegregated Facilities, to submit the Monthly Employment Utilization Report, Form CC-257, as they may require for the supervision of such compliance, and that it will otherwise assist USDA in the discharge of USDA's primary responsibility for securing compliance.
6. To refrain from entering into any contract or contract modification subject to such Executive Order 11246 of September 24, 1965, with a contractor debarred from, or who has not demonstrated eligibility for, Government contracts and Federally assisted construction contracts pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon contractors and subcontractors by USDA or the Secretary of Labor pursuant to Part II, Subpart D, of the Executive Order.
7. That if the recipient fails or refuses to comply with these undertakings, the USDA may take any or all of the following actions: Cancel, terminate, or suspend in whole or in part this grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to the organization under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such organization; and refer the case to the Department of Justice for appropriate legal proceedings.

As a condition of receipt of Federal financial assistance, you acknowledge and agree that you must comply (and require any subgrantees, subrecipients, contractors, successors, transferees, and assignees to comply) with applicable provisions of national laws and policies prohibiting discrimination, including but not limited to:

1. Title VI of the Civil Rights Act of 1964, as amended, which prohibits you from discriminating on the basis of race, color, or national origin (42 U.S.C. 2000d et seq.), and 7 CFR Part 15, 7 CFR 1901, Subpart E.

As clarified by Executive Order 13166, Improving Access to Services for Persons with Limited English Proficiency, and resulting agency (Rural Housing Service, Rural Business and Cooperative Service, and Rural Utilities Service) guidance, national origin discrimination includes discrimination on the basis of limited English proficiency (LEP). To ensure compliance with Title VI, you must take reasonable steps to ensure that LEP persons have meaningful access to your programs [in accordance with USDA RD LEP Guidance for RD Funded (Assisted) Programs]. Meaningful access may entail providing language assistance services, including oral and written translation, where necessary. You are encouraged to consider the need for language services for LEP persons served or encountered both in developing your budgets and in conducting your programs and activities. For assistance and information regarding your LEP obligations, go to <http://www.lep.gov>;

2. Title IX of the Education Amendments of 1972, as amended, which prohibits you from discriminating on the basis of sex in education programs or activities (20 U.S.C. 1681 et seq.) [as implemented by 7 CFR Part 15, 7 CFR 1901, Subpart E];
3. The Age Discrimination Act of 1975, as amended, which prohibits you from discriminating on the basis of age (42 U.S.C. 6101 et seq.) [as implemented by 7 CFR Part 15, 7 CFR 1901, Subpart E];
4. Section 504 of the Rehabilitation Act of 1973, as amended, which prohibits you from discriminating on the basis of disability (29 U.S.C. 794) [as implemented by 7 CFR Part 15, 7 CFR Part 15b, 7 CFR 1901, Subpart E];
5. Title VIII of the Civil Rights Act, which prohibits you from discriminating in the sale, rental, financing, and advertising of dwellings, or in the provision of services in connection therewith, on the basis of race, color, national origin, religion, disability, familial status, and sex (42 U.S.C. 3601 et seq.), as implemented by the Department of Housing and Urban Development at 24 CFR part 100. The prohibition on disability discrimination includes the requirement that new multifamily housing with four or more dwelling units, i.e., the public and common use areas and individual apartment units (all units in buildings with elevators and ground-floor units in buildings without elevators) be designed and constructed with certain accessible features, see 24 CFR Part 100.201; and
6. Titles II and III of the Americans with Disabilities Act, which prohibit you from discriminating on the basis of disability in the operation of public entities, public and private transportation systems, places of public accommodation, and certain testing entities (42 U.S.C. §§ 12131-12189), as implemented by Department of Justice regulations at 28 C.F.R. parts 35 and 36, and 7 CFR Part 15, 7 CFR Part 15b, 7 CFR 1901, Subpart E.

You also acknowledge and agree that you must comply (and require any subgrantees, subrecipients, contractors, successors, transferees, and assignees to comply) with applicable provisions governing USDA Rural Development (Rural Housing Service, Rural Business and Cooperative Service, and Rural Utilities Service) access to records, accounts, documents, information, facilities, and staff :

1. You must cooperate with any compliance review or complaint investigation conducted by USDA Rural Development (Rural Housing Service, Rural Business and Cooperative Service, and Rural Utilities Service).
2. You must give USDA Rural Development (Rural Housing Service, Rural Business and Cooperative Service, and Rural Utilities Service) access to and the right to examine and copy records, accounts, and other documents and sources of information related to the grant and permit access to facilities, personnel, and other individuals and information as may be necessary, as required by Title VI, Title IX, Age, and Section 504 implementing regulations and other applicable laws or program guidance.
3. You must keep such records and submit to the responsible Department official or designee timely, complete, and accurate compliance reports at such times, and in such form and containing such information, as the responsible Department official or his designee may determine to be necessary to ascertain whether you have complied or are complying with relevant obligations.
4. You must comply with all other reporting, data collection, and evaluation requirements, as prescribed by law or detailed in program guidance.
5. Make available to users, participants, beneficiaries and other interested persons such information regarding the provisions of this agreement and the regulations, and in such manner as the Rural Development or the U.S. Department of Agriculture finds necessary to inform such persons of the protection assured them against discrimination.
6. If, during the past three years, you (the recipient) have been accused of discrimination on the grounds of race, color, national origin (including limited English proficiency), sex, age, disability, religion, or familial status, you must provide a list of all such proceedings, pending or completed, including outcome and copies of settlement agreements.
7. In the event any court or administrative agency makes a finding of discrimination on grounds of race, color, national origin (including limited English proficiency), sex, age, disability, religion, or familial status against you, or you settle a case or matter alleging such discrimination, you must forward a copy of the complaint and findings to USDA Rural Development (Rural Housing Service, Rural Business and Cooperative Service, and Rural Utilities Service), Office of Civil Rights.

You also acknowledge and agree that you must comply (and require any subgrantees, subrecipients, contractors, successors, transferees, and assignees to comply) with applicable provisions of program-specific nondiscrimination policy requirements found at CFR Part 15, 7 CFR Part 15 b, 12 CFR Part 202, 7 CFR 1901, Subpart E., DR4300-003, DR4330-0300, DR4330-005.

Period of Obligation

In the case of any service, financial aid, covered employment, equipment, property, or structure provided, leased, or improved with federal assistance extended to the Recipient by Rural Development (Rural Housing Service, Rural Business and Cooperative Service, and Rural Utilities Service), this assurance obligates the Recipient for the period during which federal assistance is extended. In the case of any transfer of such service, financial aid, equipment, property, or structure, this assurance obligates the transferee for the period during which federal assistance is extended. If any personal property is so provided, this assurance obligates the Recipient for the period during which it retains ownership or possession of the property. In all other cases, this assurance obligates the Recipient for the period during which the federal assistance is extended to the Recipient by Rural Development (Rural Housing Service, Rural Business and Cooperative Service, and Rural Utilities Service).

Where a primary objective of the federal assistance is to provide employment or where the Recipient's employment practices affect the delivery of services in programs or activities resulting from federal assistance extended by Rural Development (Rural Housing Service, Rural Business and Cooperative Service, and Rural Utilities Service), the Recipient agrees not to discriminate on the grounds of race, color, national origin, sex, age, or disability, in its employment practices. Such employment practices may include, but are not limited to, recruitment, advertising, hiring, layoff or termination, promotion, demotion, transfer, rates of pay, training and participation in upward mobility programs; or other forms of compensation and use of facilities.

Under penalty of perjury, the undersigned officials certify that they have read and understand their obligations as herein described, that the information submitted in conjunction with this Document is accurate and complete, and that the recipient is in compliance with the nondiscrimination requirements set out above.

Rights and remedies provided for under this agreement shall be cumulative.
