Cattails Golf Course January 2022 Report

Cattails Updates

We are gearing up for our 2022 season. We are getting cart shed and membership payments in. We also have merchandise beginning to show up to get the pro shop stocked up. After a record year last season, our pro shop orders are a bit bigger this spring to get inventory levels back where they should be. We are aiming to open up March 1st if the weather cooperates.

Current Maintenance Work

Jon and Britt are getting price lists compiled to tackle the bunker project this season. They are putting a plan together to get as much done with the budgeted funds as possible.

Theodore is putting the finishing touches on the equipment so that everything is ready to go on opening day. All the reals and blades are sharpened, assembled and calibrated.
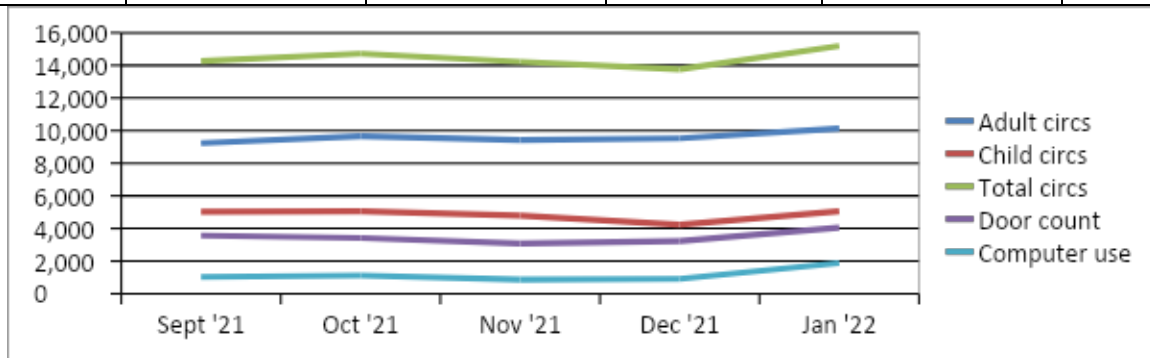

All the tee markers and hole signs have been painted and cleaned.

Collection Development:

January: Staff added 220 new materials to the library collection: 122 books (89 adult/44 children), 37 magazines, 15 audiobooks, 38 DVDs and 0 Kits. This process includes purchasing, cataloging, and material processing. 15 books, 6 magazines were discarded.

Staff announcements.

January:
On January 10th, we received an email from the State for the "Governors Library Mask Distribution Program. It read: "*Good afternoon,*
In support of the State of Colorado's ongoing efforts to combat the COVID-19 pandemic and to assist in the mitigation of virus spread, CDPS/DHSEM is offering the following PPE items at no cost to Public Libraries for local redistribution:

• *Kn95 Masks (500 masks per case)*

• *Surgical Masks (2000 masks per case)*

*Cases cannot be broken down, there is a one case minimum for all orders…"

Since we are a Public Library, we thought they were supplying masks for us to distribute to our patrons. No further information offered to us. We ordered 1 case of each. .

On January 18th it was announced statewide that: **Polis Administration was Providing Free KN95 and Surgical-Grade Masks to Colorado Libraries and Community Centers**
DENVER — In support of the State of Colorado's ongoing efforts to combat the COVID-19 pandemic and to assist in the mitigation of virus spread, the Colorado Division of Homeland Security and Emergency Management (DHSEM) will offer KN95 and surgical grade masks for free at public libraries, fire stations, recreation centers, VFWs, YMCAs, and high traffic community centers that have agreed to be local redistribution points. Masks will be available later this week and distribution sites are listed at covid19.colorado.gov/freemasks.

The notice of the giveaway of Free Masks was announced Monday, the night before the distribution was to begin. With our Library on the State's mask distribution website, people began calling us early Tuesday morning. In the announcement communities were told they

would be receiving 5 free masks, N95s and Surgical masks. Of course they assumed they were receiving 5 N95s.

Once staff heard what was happening, they got together a plan and bought bags to divide the masks. Since we had only 1 box of N95 (500) and 1 box of Surgical masks (2,000), we had to get them divided up evenly. We distributed bags containing 1 N95 and 4 surgical masks. A week after the distribution started the State sent us instructions for distribution.

Our door count the first day showed at least 100 people more than usual came into the Library that day. After our plan for distributing was in play, the staff was delighted by the response. We opened new cards. People came in that had not known about the library. People were grateful to be receiving the masks.

Volunteers: Patty Campbell volunteered for 12.5 hrs. Leroy Espinoza volunteered for 5.5 hrs.

Community Involvement

Community KITS:
　　We have 65 Community Interest Kits available for checkout.

　　January checkouts: Total of 19 checkouts – 15 Kits with checkouts *

- 300 Library Lane Dollhouse toys (in-library use only)
- Alamosa Trails & Nature Adventure backpack
- Alamosa*Opoly (game)
- American Sign Language for Adults *
- American Sign Language for Kids
- Art and Drawing bag
- Beginner's Sewing Kit *
- Bird Watching backpacks (2)
- Buggy backpack Kit *
- Check-out State Parks backpacks (2)
- Colorado*Opoly (game)
- Dark Sky Discovery Kit *
- Draft Check Sensor *
- Due : a library mystery game
- Dungeons & Dragons starter KIT
- Five Monkeys Felt Board Pieces
- Fun with Magnets *
- MAGNaFUN magnets (8) *
- Memory Kits (7): Homemaker, Dog Reminiscence, Great Outdoors &   Patriotic Memory Kit ; Cat Reminiscence ; Handyman and Farm
- Mini Wellness Kits (4): Career development, Emotional Intelligence , Pilates for   Beginners & Tai Chi for Beginners

- My First Pet: | from rocks to rats
- Nursery Rhymes felt board pieces (4)

- Power Check Meter
- Qwirkle – family board game
- The Reiki Touch
- Rockhounding Backpack *
- Runaway Gnomes Board game *
- Storytime to Go Kits (11) *
- Toy Cars *
- Typing kit
- Yoga for Kids #1
- Yoga for Kids #2 (an introduction to the fun and relaxation of yoga!)

- **Free Online Databases**
  These are accessed through our Library's online resource webpage. Temporary library cards can be obtained in order to access these resources if some is unable to come to the library to apply for a regular library card.

  1) Cloud Library – downloadable e-books and e-audiobooks
  2) Colorado Grants Guide – access directly from our public computers
  3) Mango Languages – online language learning
  4) Overdrive/Libby – downloadable e-books, e-audiobooks, magazines & movies
  5) Sanborn Maps – access directly from our public computers
  6) Tumblebooks – Children's e-books, games, videos for Kids

- **StoryWalk®**

  This is a Partnership program with Alamosa Public Library, Friends of the Library and the Kiwanis Club.
  Take a family walk in Cole Park and read the new book "Last Stop on Market Street".

-

  January: See the Youth Services report for all activities

-

23 official Little Free Libraries in Alamosa are sponsored by the Alamosa Public Library and the Friends of the Library. Each of these has different stewards that maintain the structure and keep them supplied with books donated by Friends of the Library.

January Stewardship for LFL at:
   Alamosa Community Greenhouse (Jan Oen) – 6 books
   Alamosa Family Recreation Center (2 LFLs) (Optimists) – 10 books
   Boyd Park (Kris Steinberg & Friends of the Library) – 20 books – **Stolen in late January**
   Cole Park (Library staff) - added 25 books
   Food Bank (Woman's Citizenship Club) - added 35 books
   Friends of the Library Book Bike – FOL; 0 books
Friends Park (near Boys & Girls Club) – (Allyn Lewis) – 0 books
Housing Authority (5 LFLs) - no update
La Puente (Friends of the Library) - 35 books
Mosca Pit Stop (Cindy New) – no update
Paulson Park - Mosca - (Food Hub) – no update
Rio Grande Farm Park (2 LFLs) (Salai & Local Food Coalition) - added 20 books
Senior Center (KREBS Foundation) - 0 books
Sunrise Park - New LFL partner - Alamosa County – Tawney Becker- 5 books
Sunset Park - New LFL partner - Alamosa County – Tawney Becker - 20 books
Taggart Residence (Del Norte) **-** (John Taggart) no update
Zapata Park (Don Thompson) – 3 books
   Friends of the Alamosa Public Library

- Fund Raising Proceeds:

  ☐ The book sale proceeds for January: $0

- □ Book Nook proceeds: $116 (Dec. – Jan.)
- □ Narrow Gauge book store COOP – Dec.- $55.76 books & $29.25 Journals
- □ Wild Roses - $59 (Dec.)
- □ SLV Federal Bank "Season of Giving" - $152.60

- ● Book Bike: no activity

- ● Membership of Friends of the Library: 49 members

- ● "Messages from the Hidden Lake" – the 13th edition is being published. Waiting for 1st copy to come in February.

Friends of the Library met via email January 18, 2022. Next scheduled meeting is February 15, 2022.

Department Head: City Manager		
City Manager: Heather Brooks		
PRESENTED BY: Jasmine Husmann		

November 2021 Report

- Attended weekly staff meetings
- Met with James Fleming, SLV Health & Streets crew to install art piece purchased by hospital
- Attended Unite Colorado program training
- Reviewed and submitted sponsorship applications to sponsorship committee
- Worked on preparation for employee appreciation potluck
- Attended Homeless Coalition Meeting
- Attended bi-weekly meetings with City Manager
- Worked on Fire Firefighter Employer Appreciation plaques
- Worked on social media/awareness raising
- Put out several PSA/social media posts

City of Alamosa
Monthly Activities Report
January 2022
Public Works Department

Streets:

Hauled brush from recycle yard to pit (1day)
Graded all gravel roads and downtown alleys
Performed routine maintenance to our equipment
Conducted road closures for the following events: Ice Fest 2022
Patched 139 potholes
Begin crack sealing
Conducted plowing and sanding operations for 3 separate snow events:
Alley plowing and ice removal
Parking lot clearing
Hauling snow piles
Assist with snow removal in programmable space
Burned yard waste 17 days—cleaned pit twice
Conducted sweeping operations as weather permitted
Conducted interviews for Maintenance Worker 1 opening
Began piling sludge in sewage lagoon
Travel to Pueblo to demo Excavators and look at crusher

Solid Waste:

Commercial Waste Hauled totaled 208.96 T.; Residential Waste Hauled totaled 175.61 T. Medical Waste totaled 1.34 T. Twenty-one extra pick-ups were completed. Two 96 gal toters, one 64 gal toters and zero yard waste toters were delivered. Three toters and two dumpsters were repaired.

Recycling:

A total of 78 bales of various materials were made. Zero bales were shipped. A total of 6 tons of glass was processed. Land fill savings totaled $656.98.

Water:

Water pumped for municipal use totaled 30,740,783 gallons. Water treatment plant production totaled 30,015,178 gallons. There were 40 meter re-reads. Turn on/offs and occupant changes totaled 30, took Bac-T's Arsenic samples for the State. Finished water inventory and sent the results in to WSB to be checked for accuracy. Read meters, filled up water from hydrant, helped with snow on Main Street. We helped the Street Dept. driving dump truck, fixed fence at Price Well. We changed oil on well pumps and performed locates and we took 10 after hour calls.

Water Treatment Facility:

Water produced = 30,015,178 gal. Average CL2 = 1.66mg/l Average Raw Arsenic = 35.6 ppb Average Finished Arsenic = 7.3 ppb (MCL=10ppb) Coagulant used (Ferric Chloride) = 930 gal. Sodium Hypochlorite Used (Chloride) = 581 gal. Average Recovery Ratio =91.6%.

Wastewater:

Total discharge for the month was 27.206 million gallons. Biochemical Oxygen Demand Monthly Average: 98%. Total Suspended Solids Monthly Average: 98%. E.coli Monthly Average Effluent 147/100 mg. Ammonium Nitrogen (NH4) Monthly Average: .415 mg/I. The department ran all routine monthly testing. Year to date locates: Forty-three.

Sewer:

Zero sanitary sewers were inspected; ten were unplugged, ten were checked at customer's requests, sixteen were cleaned and flushed. All lift stations were checked daily, worked on getting generators running. The department helped with snow on Main Street and helped Street Dept. driving dump trucks.

East Alamosa:

Water supplied to East Alamosa totaled 2,906,591 gallons.
Two sanitary sewers were checked for plugs, two were unplugged.
Cleaned 7 lift stations, cleaned out 60 manholes, took Bac-T Samples for CDPHE.
Did re-reads for Jamie. Did non-payment, checked problem sewers every Friday and worked on generators. Checked 2 frozen meters and shoveled snow around lift stations.

Fleet:

Performed 12 Preventive Maintenance Services (1-Rec Center, 2-Sanitation, 9-Police,)
Replaced 17 tires (4-Sanitation, 5-Police, 8–Streets,)
Replaced 9 batteries (3-Police, 1-Public Works Admin, 3-Sanitation, 1-Cemetary, 1-Fleet)
Flat tire repair- 5 (1-Police, 1-Parks, 1-Building Maintenance, 1-Water, 1-Streets)
Installed new dumpster locks on the rear of the trash truck (1-Sanitation)
Installed new rear slide for trash truck (1-Sanitation)
Installed new radiator (1-Police)
Installed new detent valve in trash truck (1-Sanitation)
Trouble shot TPMS light (1-Police)
Replaced headlight (1-Police)
Replaced wiper blades (1-Police)
Replaced hydraulic hose for Mini-loader (1-Recycling)
Replaced turn signal switch (1-Parks)
Replaced windshield (1-Cemetary)
Swapped rear tires for recap tires (1-Streets)
Replaced Alternator (1-Sanitation)
Replaced water pump (1-Water)
Replaced thermostat and belt tensioner (1-Streets)
Troubleshot shifting issue at high speeds (1-Police)
Replaced hydraulic motor for hose reel (1-Sewer)
Replaced rear brakes and rotors (1-Police)
Remounted heater motor (1-Rec Center)
Replaced passenger side mirror (1-Streets)
Replaced thermostat (1-Rec Center)
Replaced air filters (1-Streets)
Troubleshot check engine light (1-Sanitation)
Replaced battery in backup generator (1-Sewer)
Replaced missing engine oil cap (1-Sanitation)
Replaced wiper arm and wiper blades (2-Streets)
Replaced wiper blades and door handle (1-Parks)
Replaced O2 sensor (1-Police)
Replaced interior door handle (1-IT)

City of Alamosa Development Services Department
Monthly Activity Report
January 2022

- Planning:
    - o 1 Land Use Application: a variance for Reed Tire to build new service bays
    - o Conducted three pre-development meetings
    - o Attended Sanitary Sewer System MUP Report Workshop with Public Works
    - o Held joint work session with City Council and Planning Commission regarding zoning changes
    - o New Planning technician, Beata Ramza, began
    - o Reviewed the response to the RFP for Boys & Girls Club's CDBG grant for an early childhood center
    - o Met with Fridays Health Plans to discuss Villa Mall remodel and parking lot requirements
    - o Discussed dark sky regulations with SLVGO
    - o Presentation to Kiwanis about housing, downtown, etc.
    - o Submitted monthly report for RREO cardboard cover structure grant and final report for RREO Pole Barn grant
    - o Meetings: Planning Commission, Alamosa Housing Authority, SLV GO! Board, Early Childhood Stakeholders Advisory group, SLV Local Foods Coalition Board, SLV Regional Transit, Xcel/Alamosa Monthly Project, SLV COG, and monthly code enforcement
- Building:
    - o 12 building permits issued: 1-residential addition, 6-roof, 2-remodel, 1-change of use, 1-solar, 1-certificate of occupancy.
    - o Total fees collected $4,781.50
    - o Total valuation: $206,040
    - o Discussed Temporary Certificate of Occupancy requirements with Iron Horse developers
    - o Continued project management for Rickey Recycling Center's RREO project
- Downtown:
    - o Wrote $25,000 grant for Bianca Maestas for Colorado Creative Corps ARP grant to install a mural downtown
    - o Met with Bianca Maestas to tour locations downtown
    - o Met with Dave Montgomery and owner of Papers of Distinction about mural
    - o Met with Elizabeth Sumner, Alamosa CVB, about 1st Fridays logistics
- Housing:
    - o Presentation to City Manager and Public Works Director regarding CHRDC's three new housing developments
    - o Weekly coordination calls with CRHDC's architect for new development south of Montaña Azul

Alamosa Fire Department Monthly Report
January 2022

Calls

During January 2022 the Alamosa Fire Department responded to 36 calls. 22 calls were within the City Limits and 14 were District calls outside the City Limits

Incident Type Group	2022-01-01	Total
100 - Fire	4	4
700 - False Alarm	6	6
400 - HAZMAT	11	11
300 - EMS	2	2
600 - Series	8	8
500 - Service Call	5	5
Monthly Total	**36**	**36**

500 - Service Call (13.89%)
100 - Fire (11.11%)
700 - False Alarm (16.67%)
600 - Series (22.22%)
300 - EMS (5.56%)
400 - HAZMAT (30.56%)

Inspections

9 commercial building inspections were performed

<u>Training</u>

Firefighters logged a combined total of 60 hours of training on various firefighting skills in January.

In addition to regular training, fourteen firefighters attended a 20 hour class of Ice Rescue Training consisting of classroom instruction and hands on skills. The majority attending obtained certifications as Ice Rescue Technicians.

DATE February 7, 2022	**AGENDA NO.C. 8. a**	**SUBJECT**: IT Director Monthly Report for January 2022
Department Head: *James A Belknap*		
City Manager:		
PRESENTED BY: James A. Belknap		

Below is a statement regarding major issues covered by the City IT Department:

January 2022 Report

- Onboarded new IT personnel - Brandon Doss. He has previously worked with IT as an intern and will be taking a full time position as an IT Tech.
- Attended Employee handbook training.
- Upgraded all VMWare hosts in the City network to ESXi 7.0.2.
- Worked with Dell to resolve a memory issue encountered when upgrading ESXi. After removing most RAM sticks, upgrading all firmwares, and reattempting the upgrade, all errors were cleared.
- Attended Town Hall with Rep Donald Valdez concerning the December rolling blackouts.
- Due to a quickly resolved storage issue, Cofa2 the City's domain controller was partially dysfunctional. After the storage issue was resolved, all systems returned to normal.
- After being alerted that the Polycom (remote video connection) to the county jail was no longer working, IT began troubleshooting possible causes. It was discovered that the DSL dry pair that connected City Hall to the Alamosa Jail no

longer held connectivity. IT decided to reconfigure the Polycoms to use IP communication instead of the direct link. With help from WSB, firewall configurations were created to implement a secure connection to the jail. This will reduce the need to transport jail inmates to City Hall for court hearings.

- Ran critical updates on the City's central Windows Updates Services server.
- Patched both Axon servers for the Log4shell vulnerability.
- Pushed a critical update to Incode - the City's core financial software.
- Library lab users pointed out a printing issue that involved the library's print management system. A driver fix was found and pushed out to the machines affected by the issue.
- IT began testing the use of Windows 11 - the latest version of Microsoft's operating system - in the library lab. A new image was created and pushed to lab PCs that not only includes the new OS but multiple patches and fixes to increase PC reliability and reduce management. Over multiple weeks in January, individual PCs were upgraded. The relatively long roll out period allowed us to patch small issues along the way.
- IT updated PRTG, the City's central monitoring system that tracks performance and error rates across all of the City's IT infrastructure.
- Retrieved equipment from the replaced scorebooth located at Lee Fields.
- Attended a day-long training on Microsoft Azure infrastructure.
- Upgraded RecPro server and all clients
- Completed a rebuild of the Police Department network IDF. This included physically moving multiple servers, rearranging wiring and equipment and fully implementing the use of an additional networking rack.
- Patched all City owned computers to the latest patch and vulnerability fixes from Microsoft. This monthly patching helps protect our computers from malicious software, resolve general windows issues/bugs, and provide access to new windows features.

In Monte Vista, we performed the following items:

- Setup DocuSign for paperless employee onboarding and contract signing. This includes newly made contracts for the SkiHi Complex.
- Purchased and established domains: skihicomplex.com, skihicomplex.net and skihicomplex.org
- Coordinated training for both the Rec department and Skihi manager in the use of RecPro
- Hired and began training of the new Monte Vista IT Technician Brandon Doss.
- Attended Skihi construction related meetings
- Prepared IT equipment at the Ski Hi complex for the Rocky Mountain Agricultural Conference.
- Setup a temporary Zoom system for City Council Meetings for proof of concept.
- Met with CCS to design and quote A/V systems for court, council and a zoom room in the executive conference room.
- Attended project launch meeting with WesternNRG regarding a sonicwall firewall upgrade.
- Patched all City owned computers to the latest patch and vulnerability fixes from Microsoft. This monthly patching helps protect our computers from malicious software, resolve general windows issues/bugs, and provide access to new windows features.

Network Health

Adlumin's Network Health Index uses an algorithm based on network management best practices and provides a high-level view of risk within your organization. Updated: 2022-02-01 16:06:45 UTC

87%

Category	Details	Status	Metric	Deduction
Detections - Critical	Detections marked "Critical" by machine learning or custom configuration that are unacknowledged. Acknowledge Critical detection"s to increase your network health score.	🟢	0	0
Detections - High	Detections marked "High" by machine learning or custom configuration that are unacknowledged. Acknowledge High detections to increase your network health score.	🟢	0	0
Accounts with Passwords that Do Not Expire	These are accounts that are configured with passwords that never expire. Change the configuration or input a note with you valid business reason for each account to increase your network health score.	🟠	3.63%	-3
At Risk Shares	At risk shares are networked shared resources where there is the potential for unprivileged accounts or groups to have privileged access, FULLCONTROL, or elevated access to networked shared drives.	🟠	1.03%	-3
At Risk Systems	At risk systems are systems where there is the potential for unprivileged accounts or groups to have privileged access, administrative access, to networked systems.	🟢	0.88%	0
Circular Groups	Circular logic indicates a group object is both a parent and child of another group. This may have unintended consequences and provide privileged access to network resources. Change the group configuration to increase your network health index.	🟢	0	0
IT Operations Failures	Repeated failed logon attempts may indicate a brute force attack or disruption of network services. Discover the reason for the repeated account failures and disable the process.	🟢	0	0
Account Password Expiration Duration	This metric indicates a compliance violation. These accounts are enabled, not locked, and the last time their password was reset exceeds the time limit of 90 days. Change the configuration or input a note with you valid business reason for each account to increase your network health score.	🟢	0.4	0
Privileged Domain Accounts	Adlumin has determined that you have an abnormally high number of privileged domain accounts. Reduce the number of privileged domain accounts to increase your network health score.	🟢	4.44%	0

Category	Details	Status	Metric	Deduction
Reversible Encryption	This metric indicates a compliance violation. Storing encrypted passwords in a way that is reversible means that the encrypted passwords can be decrypted. Change the configuration or input a note with you valid business reason for each account to increase your network health score.	🟢	false	0
Snapshot365	Log data clusters stored securely for compliance requirements. Contact Adlumin Support to activate SnapShot365.	🟠	false	-3
Stale Accounts	This metric is a compliance violation. These accounts have not been logged into the last 90 days. Change the configuration or input a note with you valid business reason for each account to increase your network health score.	🟠	4.03%	-4
Network Health Index			**87%**
