📎 Minutes of Recreation Advisory Board May 8, 2018	Minutes

City of Alamosa
Recreation Advisory Board
Regular Meeting Minutes
5/8/2018
11:30am

I. Roll Call

Present: John Adams, Heather Brooks, Jon Brownell, Paul Duarte, Charlie Griego, Jesse Marchildon, Mark Pittman, Eddie Valdez. Staff: Andy Rice and Jes Jolly.
Absent: Ty Coleman and Liz Thomas-Hensley.

II. Agenda Approval

Mark moved to approve the agenda, seconded by John; vote was unanimous.

III. Approval of Minutes

Jesse amended the April minutes, with the misspelling of his first name. He then moved to approve the amended minutes; vote was unanimous.

IV. Public Comment (none)

V. Presentations (none)

VI. Programs/Items

a. 2018 5 year Capital Improvement Plan (CIP)

Eddie presented the board with a list of equipment that was needed for the golf course, the main priority being a fairway mower which was one of many equipment items that was purchased in 1996. Andy mentioned that the city spent \$78,000 to replace the golf carts in 2011 and Eddie said they could trade the carts in for a trade in value and pay around \$1,950/month for 5 years. Heather expressed that she is very grateful they're partnering with the city and moving forward they will see the savings; that without assistance, it would be a while before they could purchase any new equipment. She also pointed out that the city is not contractually obligated to do equipment, but they are on the hook for facility repairs. Eddie acknowledges that the city is not obligated but was appreciative for the help. Charlie maintained that the course is a city park and they should help with the equipment. Paul confirmed that the golf course has made some tremendous changes in the last year to do the things the city asked and we should assist. Mark pointed out that the mowers are functioning on borrowed time and Eddie acknowledged that it's because of the good crew maintenance that it's still running. He confirmed that city council will be out touring the facility and thought that the rec board could join. John asked what the price difference between new and used equipment would be and Eddie noted the prices are across the board and he is actively listening for courses that are closing or are about to close, but typically that's when dealers come in. Andy added they could also look on public auction sites and talk about getting some items in 2023.

Andy went over the next four years on the CIP and asked the board for input on what to add to 2023. Items in the CIP include the central irrigation project in 2019, tennis court resurfacing in 2020, a mobile performance stage in 2021, and outdoor pickleball courts, cardio equipment, and basketball court lighting in Carroll and Boyd Park in 2022. Andy added that they could potentially add a Zamboni to the plan for 2023. Of the proposed projects for the upcoming years, the enhanced river recreation scored the highest followed by the front and back nine irrigation at the golf course. Heather asked if the attic ventilation at the golf course was kicked to unfunded and Andy reported that after talking with Harry, the project was deemed not that big of a priority. Heather asked if the Diamond Park gazebo project was to add another gazebo or move the existing one and Andy revealed that it would be easier just to add another one near the playground. He also disclosed that the upgraded lighting at the fairgrounds would hopefully come from partnering with the Honeycutts for fundraising. Andy also went over the current projects from 2017 and 2018. The solar farm buyout, rec center boiler, and walking track replacement would be completed this year. \$350,000 from GOCO and \$70,000 from reserves fully funded the Montana Azul Park, an \$8,000 DOLA grant will contribute to the replacement of LED lights for the gym, and \$8,500 was given to the Lee Field Playground (partnering with KaBOOM which will give equipment valued at \$80,000). Andy voiced that they are now watching the budget closely as it is limited to \$100,000/year. Heather acknowledged there was a disconnect in the past with accounting and it was cut down to a line from what is being put down. Paul asked if the KaBOOM item was the total or our cost and Andy conveyed that it shows our cost but in the future it will show the total. Jesse asked where the other \$45,000 for Montana Azul would come from and Andy answered that it is the infrastructure that would be given in kind. Andy also showed the Parks CIP which included a mower replacement and cemetery mini truck with dump bed in 2022. A dump trailer, grave lowering device, and cemetery mower (walker) are in the budget for 2018. Paul asked about the separation of fleet and the other stuff. He also advocated adding a golf course mower to 2023 and John agreed. Charlie asked if they should put it out that far and John conveyed they should just put it in and hopefully they could move it forward. Jon asked if the CIP was graded yet and Heather said not yet. Charlie proposed looking at used equipment and Eddie agreed that would be fine as long as it was decent quality. Heather asserted they may have to look at used until the debt is settled. She asked if they would rather get new equipment or pay down the debt and Eddie affirmed the debt was a priority. John asked how long they would have to pay it off and Eddie said he did not know. Mark asked if it would enhance memberships and Eddie claimed the appearance helps bring in people from out of town, that it would never be like on TV but they could feed off of other course

players. John asked about tournaments and Eddie disclosed that there are senior and college circuits. Heather proposed using GOCO to get the mobile performance stage and applying for a mini grant to allow for the mower in 2021 and a Zamboni in 2023. She estimated that it would have to be a used one and Eddie expressed they would do what they have to do. Mark suggested moving the tennis court to 2021 but Andy reported that they had already pushed it back and it needs to stay where it is. Paul recommended El Palmar and Heather discussed asking the marketing board for help with the performance stage.

b. Department Program(s) Survey

Andy presented the board with a youth program survey that would be given out to community members and asked if they would like to add or change any of the questions.

VII. Policy Discussion

a. Club Sports Assistance

Andy gave the board a list of club sports that Parks and Rec contribute to and what assistance the city gives each club. He pointed out that Alamosa Youth Wrestling and Alamosa Youth Football register through the Rec Center with the only difference that we do not charge a fee for youth wrestling. On top of that, the city pays approximately \$2,300 in tournament fees for wrestling, something it does not do for any other club. Heather proposed having Rusty come in share the reasoning and see if it makes sense. Paul added that the list isn't necessarily club sports and not all of them are current partnerships. He advised having the clubs provide a presentation for \$2,000 and Andy noted that it is a line item; it is not dedicated to them. Heather maintained that since they are all so different, they should avoid going down that road. Andy delivered that with the soccer club, P&R provided space in kind and would charge them if they wanted to line the field. Heather asked what the SLVYHA was charged and Jes disclosed \$25/hour for hockey times. Heather voiced that they may have to take away the \$2,300 unless they can give us a good reason. She was concerned that without the funds, their response may be to lay the fees on the kids and families. Charlie recommended visiting with the instructors to ask and Heather suggested cutting the tournament fee reimbursements and still doing the registrations in kind. Andy mentioned that he could invite them to the June meeting. Paul claimed that P&R does not offer wrestling and that we don't offer assistance to the similar programs that we already offer. Mark asked what age they do the youth wrestling and Jes confirmed that it is up to where the school offers. Paul confirmed that it was to age 14 and though wrestlers don't usually stay overnight for tournaments they do have an economic impact on the city. Mark asserted that hockey also brings people in and they are not receiving any money. Paul stated that they are getting a deal on the rink time and Mark pointed out that they are not getting a cash payout.

Heather counseled they be watchful on how they handle it and communicate with parents. Charlie expressed that it is a good program and he didn't want it to be affected in any way.

b. AFRC Facility Hours Adjustment

The Rec Center proposed to only have two sets of business hours: in the spring/summer and fall/winter. The Spring/Summer hours will be Mon-Thu 6am-9pm, Fri 6am-6pm, Sat 7am-3pm, and closed Sun; these times will take place between May 1st-Oct. 31st. The Fall/Winter hours will be Mon-Thu 6am-10pm, Fri 6am-6pm, Sat 7am-6pm, and Sun 12pm-6pm; Nov. 1st-Apr. 30th. This will eliminate the odd months where the hours varied.

c. Youth Sport Season Adjustments

Andy advocated eliminating Spring Soccer to add another week of practices to all the other programs. Jes revealed that there is an overlap of seasons and removing only the spring season will reduce the strain on staff. Mark asked if they had a set season for Hockey yet and Jes estimated that Basketball and Fall Soccer would be a week earlier, hockey would move to Jan-Feb, Volleyball in Mar-Apr, and Baseball would start in May. Paul asked how many kids registered for spring soccer and Jes reported it was around 300 with Conejos County. Paul asked about how many were in both soccer and baseball and Jes estimated 2/3. Heather didn't like the impact it had on the staff. Jes asserted that many kids are involved in many things and are typically over scheduled. Mark asked if cutting down the program this year from 6 weeks to 5 was because of the staff being primarily ASU students and Jes affirmed that late May is hard with school and though cutting it down helped, it created other headaches like weekday games interfering with practices. Mark conveyed that the shorter season had less of a practice to game ratio. Jes reminded the board that the center reaches out to rec level players, to teach them the skills. Mark said with trepidation, that this may be a good thing and they can use that time to help practice for the track meet. He asked why the track meets are scheduled on weekdays and Jes answered that it is the only time the stadium is available. Heather was concerned that people would see it like we're taking something away. She advised being clearer on communication and checking with council. Andy suggested adding it to the survey and Mark recommended adding that it would enrich other programs. Jes added that the programs are set to wrap around the school calendar and that taking it out wouldn't leave a big void. Paul disagreed, stating that taking out spring soccer would leave a huge void and that a large number of kids wouldn't be doing anything during that time. Heather asked what percent of kids this will affect that it may conflict with the younger groups that are not yet selective. Mark guessed that it typically takes place between spring break and the end of the school year and that we can fill that time with sampler events, but Paul maintained that would

just increase the workload on staff. Heather worried that parents would not rationalize with the reasoning behind eliminating the program. Andy offered cutting the season and price and creating a mini soccer program and Heather said that she didn't like the impact it put on the staff. Jes mentioned that they could try a spring fundamentals program without games and John expressed that would be good for a more competitive fall season. Jes revealed there wouldn't be a soccer program at Montana Azul yet and though John noted it would be good to spread it out Jes maintained that games will remain at Carroll Park. Andy added that they would come back to it in June with more options. John liked the fundamental angle. Paul communicated that parents would want to see their kids play and Mark reiterated that it can be more successful when they do play in the fall. John suggested a mini tournament and Paul expressed that he expected a negative impact on Parks and Rec.

VIII. Staff Report/Announcements

a. Outdoor Rec Specialist Hire

The position will be filled soon as the application process comes to a close.

b. Misc. Project/Grant Updates

Andy announced that staff is looking into landscaping or screens for the multipurpose facility in order to keep out the dirt. The Inspire trails are being cleared right now and staff is looking into ways to deal with storm water retention in the new Montana Azul Park. Water Smarts is looking into ways to utilize Carroll Park without using so much water, 10 trees were planted by the cemetery with more to be planted in May, and the KaBOOM project is underway at Lee Field.

c. Colorado Lottery Renewal

The Colorado Lottery Bill was renewed for another 25 years to help preserve a funding stream for parks and recreation opportunities.

I. CALL TO ORDER AND PLEDGE OF ALLEGIANCE

The Regular Meeting of the Alamosa City Council was called to order on the above date by Mayor Ty Coleman at 7:00 p.m. The Pledge of Allegiance was recited.

II. ROLL CALL

Present at roll call: Mayor Ty Coleman, Councilors Liz Hensley, David Broyles, Charles Griego, Kristina Daniel, and Jan Vigil. Councilor Michael Carson previously requested to be excused.

III. AGENDA APPROVAL

Councilor Vigil moved, seconded by Councilor Daniel to approve the agenda as presented and to excuse Councilor Carson. The motion carried unanimously.

IV. CITIZEN COMMENT

Alamosa City Council welcomes your comments. Citizens wishing to speak may obtain and complete a speaker card through the City Clerk at the start of the meeting.

A. Audience Comments

Aaron Miltenberger spoke in regards to the KaBoom project for the Boys and Girls Club Friends Park.

B. Follow-Up

None.

V. CONSENT CALENDAR A

The Consent Calendar allows multiple actions with one motion. Consent Calendar A contains routine items which have been recommended for action by staff or advisory boards. Council may remove a consent calendar item for separate consideration.

Councilor Griego moved, seconded by Councilor Vigil to approve the Consent Calendar as presented. The motion carried unanimously.

C.7.a. Approve Minutes of Meeting May 16, 2018

C.8.a. April 2018 Monthly Financial Reports

C.1.a. Award of 1st Street Phase II contract

C.1.b. 12th Street Sewer Replacement project contract

VI. REGULAR BUSINESS

A. Presentations from Outside Agencies

1. LEAD Presentation

Heather Brooks along with Chief Oakes, and Center for Restorative Programs (CRP) staff presented information to Council about the LEAD program in which the City has received grant funding for.

CRP staff Luke Yoder, Clarissa Woodworth, Carrie Deacon, Grantley Showalter, and Gail Garcia-Coonz presented information about their part and responsibilities in the LEAD program.

Former Albany Police Chief Cox was also present and gave information to Council regarding this program and how it's worked in the other areas throughout the United States.

2. SLV Water Conservancy District Drought Management Presentation

Heather Dutton, manager of the SLV Water Conservancy District presented information to Council of the current situation the valley is in with the current water supplies and to provide information regarding ways to conserve water.

B. Board/Commission Business

1. Board Applicant Appointments

The Historic Preservation Advisory Committee has three positions available with terms ending 06/01/2020, 06/01/2022, and 06/01/2022. Current member Don Thompson has requested reappointment and a new application has been received from Andrea Spencer. Ballots were cast with Don Thompson and Andrea Spencer both receiving 6 votes to fulfill both terms ending 06/01/2022.

The Library Board has two positions available with terms ending 06/01/2021 and 06/01/2023. Current member Dawn Krebs has requested reappointment. No new applications to the library board were made. Ballots were cast with Dawn Krebs receiving 6 votes and a term ending 06/01/2023.

The Personnel Board has one position available with a term ending 06/01/2024, however, no new applications were received for this board and ballots were not cast.

The Planning Commission has one position available in Ward 4 with a term ending 06/01/2023. Current member, David Mize, requested reappointment. No new applications were received. Ballots were cast with David Mize receiving 6 votes and a term ending 06/01/2023.

The Recreation Advisory Board has three positions available with terms all ending 06/01/2021. Current member Mark Pittman has requested reappointed. New applications have been received from Martin Diaz, Elizabeth Sumner, Brian Puccerella, and Rusty Johnson. Ballots were first cast with Brian Puccerella receiving 5 votes, Mark Pittman receiving 1 vote, Elizabeth Sumner receiving 4 votes, Martin Diaz receiving 4 votes, and Rusty Johnson receiving 4 votes. Ballots were cast again for the tied votes. The second ballot cast resulted in a tie vote again between Martin Diaz, Elizabeth Sumner and Rusty Johnson. Ballots were cast a third time, with the results being done on a weight scale these time. This will yield the person with the lowest score being appointed. After the ballots cast of the third vote, Martin Diaz received the lowest score resulting in his appointment. Rusty Johnson and Elizabeth Sumner received the same amount of votes, with 4 each. Ballots were cast a final time with Elizabeth Sumner receiving 2 votes and Rusty Johnson receiving 4 votes. Brian Puccerella, Martin Diaz, and Rusty Johnson will fill the appointments to the positions on the recreation advisory board.

The Tree Board has one position available with a term ending 06/01/2022. Current member Karyl Scarlett requested reappointment but withdrew his request since someone else applied for the board. A new application was received from Megan Dudley. Ballots were cast with Megan Dudley receiving 6 votes and a term ending 06/01/2022.

Councilor Vigil moved, seconded by Councilor Griego to appoint and reappoint the following to the various City boards:

- Andrea Spencer appointed to the Historic Preservation Advisory Committee with a term ending 06/01/2022.
- Dawn Krebs reappointed to the Library Board with a term ending 06/01/2023.
- David Mize reappointed to the Planning Commission, Ward 4 position, with a term ending 06/01/2023.
- Brian Puccerella appointed to the Recreation Advisory Board with a term ending 06/01/2021.
- Martin Diaz appointed to the Recreation Advisory Board with a term ending 06/01/2021.
- Rusty Johnson appointed to the Recreation Advisory Board with a term ending 06/01/2021.
- Megan Dudley appointed to the Tree Board with a term ending 06/01/2022.

The motion carried unanimously.

C. Business Brought Forward by City Staff

1. Fire

- a. Only Reading and Public Hearing of Emergency Ordinance No. 19-2018, prohibiting the sale of fireworks within Alamosa city limits until September 1, 2018.

Heather Brooks reviewed this ordinance with Council.

Mayor Coleman opened the public hearing at 8:20 p.m. and asked for those wishing to speak on this ordinance.

There being no one wishing to speak, the hearing closed at 8:20 p.m.

Councilor Vigil moved, seconded by Councilor Griego to finally adopt Ordinance No. 19-2018. The motion carried unanimously.

2. City Manager/Legal

- a. First Reading, Ordinance No. 17-2018, an ordinance amending section 3-5 of the *Code of Ordinances of The City of Alamosa* to re-establish limitations on keeping of rabbits and poultry in residential and campus zones

Counselor Schwiesow reviewed this ordinance with Council.

Councilor Griego moved, seconded by Councilor Hensley to approve Ordinance No. 17-2018 on first reading and set for public hearing on Wednesday, June 27, 2018 at 7:00 p.m. or as soon thereafter as the

matter may be heard. The motion carried unanimously.

- b. Public Hearing, Second Reading, Ordinance No. 16-2018 amending 20-26 prohibiting wasting of water.

Heather Brooks reviewed this ordinance with Council.

Mayor Coleman opened the public hearing at 8:28 p.m. and asked for those wishing to speak on this issue.

Ruthie Brown spoke in regards to her concerns and issues with having a voluntary watering restriction.

Don Thompson spoke in support of this ordinance.

There being no one else wishing to speak, the hearing closed at 8:36 p.m.

Councilor Daniel moved, seconded by Councilor Hensley to finally adopt Ordinance No. 16-2018. The motion carried unanimously.

- c. Public Hearing, Second Reading, Ordinance No. 15-2018, an ordinance amending section 21-4-703(d)(1)(c)(iii) of *The Code of Ordinances of The City of Alamosa* to allow limited placement of signs in public rights of way in residential areas during election season.

Heather Brooks review this ordinance with Council.

Mayor Coleman opened the hearing at 8:52 p.m. and asked for those wishing to speak on this ordinance.

There being no one wishing to speak, the hearing closed at 8:52 p.m.

Councilor Hensley moved, seconded by Councilor Daniel to finally adopt Ordinance No. 15-2018. The motion carried 5 to 1 with Councilor Griego casting the no vote.

D. Committee Reports

Councilor Daniel reported on the Tree Board meeting she attended. She also informed Council that she will be attending the Mountain Connect Conference next week.

E. Staff Announcements

Heather Brooks provided Council with upcoming dates and meetings:

- Work Session scheduled for next week which is a combination of a work session and special meeting, the work session is in regards to bicycles on sidewalks and the special meeting is for executive sessions.
- On the week of June 19th - 24th, the Alamosa Round-Up is going on, as well as the Colorado Municipal League annual conference.
- June 27th is the next City Council meeting which will also include a work session for the other half of the outside funding agencies.
- KaBoom! build day is June 30th.

Ms. Brooks also informed Council of the planning group for the SLV Economic Summit is working on an agenda with speakers that will be from the whole valley and is planning to hold the summit on August 6th. She also informed Council of the meeting that was held last week with the firm that was hired to help with the downtown plan. Once this plan starts getting worked on, the ranch plan will be able to start getting worked on as well.

VII. LOCAL LIQUOR LICENSING AUTHORITY ACTIONS

- A. Decision, New Application, Hotel/Restaurant License, Alamosa Bowl Family Fun Center LLC d/b/a Alamosa Bowl Family Fun Center Findings of Fact

Holly Martinez informed Council that they need to adopt the findings of the decision granting the application for Alamosa Bowl Family Fun Center LLC d/b/a Alamosa Bowl Family Fun Center. Alamosa Bowl Family Fun Center presented its application for a Hotel/Restaurant license at 204 Victoria Ave. administratively on March 20, 2018 and a need/desires hearing was held at the meeting on May 16, 2018. After the hearing concluded, Council voted to approve the application for the new Hotel/Restaurant license.

Councilor Griego moved, seconded by Councilor Vigil to adopt the written findings granting the license for Alamosa Bowl Family Fun Center LLC. The motion carried unanimously with Councilor Daniel abstaining from the vote.

A. CONSENT CALENDAR B

The Consent Calendar allows multiple actions with one motion. Consent Calendar B contains routine items which have been recommended for action by staff or advisory boards. Council may remove a consent calendar item for separate consideration.

Councilor Vigil moved, seconded by Councilor Daniel to approve Consent Calendar B as presented. The motion carried unanimously.

1. Christian Community Services Projects, Alamosa Round-Up Rodeo Special Events Permit, June 19, 20, 21, 22, 23 and 24, 2018

COUNCIL COMMENT

Councilor Vigil acknowledged, recognized and thanked the Colorado High School Coaches Association for the All State games and camps they've had here at Adams State the past few years.

Councilor Daniel reminded everyone of the Center for Restorative Programs fundraiser that is being held this weekend.

Mayor Coleman thanked Erich and Heather for their professionalism in handling the media coverage that was coming in regarding the lawsuit that the City joined in regards to the opioids. He also thanked the entire staff that was out at the Summerfest this past weekend.

EXECUTIVE SESSIONS

Councilor Vigil moved, seconded by Councilor Hensley to move into executive session (9:04 p.m.) pursuant to C.R.S. 24-6-402(f) and C.R.S. § 24-6-402(4)(f) for Personnel Matters - evaluation of the City Clerk and City Manager. The motion carried unanimously.

After the executive sessions, no further business will be discussed.

When back in regular session, Mayor Coleman confirmed the executive sessions were held solely for their stated purpose.

1. Executive Session pursuant to C.R.S. §24-6-402(4)(f) for Personnel Matters - Evaluation of City Clerk - 1.5 Meeting
2. Executive Session pursuant to C.R.S. §4-6-402(4)(f) for Personnel Matters - Evaluation of City Manager - 1.5 Meeting

ADJOURNMENT

The meeting adjourned immediately after the executive session.

Holly C. Martinez, City Clerk

Ty Coleman, Mayor

COUNCIL COMMUNICATION

DATE June 27, 2018	AGENDA NO.C. 8. a	SUBJECT: City Manager Monthly Report for May 2018
Department Head:		
City Manager: Heather Brooks		
PRESENTED BY: Heather Brooks		

The following reports cover the activities of the City's various departments. Below is a statement regarding major issues covered by the City Manager's Office. Additional information is provided in the bi-weekly updates from the City Manager to the Council.

May 2018 Report

- Weekly Leadership Team meetings
- Bi-Weekly meetings with Mayor and City Clerk
- Biweekly meetings with Public Works Director
- Healthcare Sector Partnership monthly meeting
- LEAD meetings
- Meeting with Aaron Miltenberger
- Staff meeting to discuss outreach process for Ranch plan
- April 17th fire debrief
- Weekly economic development meeting
- Planted trees for Arbor celebration
- Monthly meeting with Councilor Vigil
- Attended Julie Scott's retirement celebration
- Monthly meeting with Councilor Broyles
- Meeting with La Puente staff
- Attended public outreach meetings for parking concerns around ASU
- Water Smarts Team meeting
- Monthly meeting with IT Director
- Rec Board meeting
- Monthly meeting with Councilor Carson
- Attended TSJC Graduation Ceremony
- Lunch with Councilor Daniel
- Value-Added Ag Sector Partnership Meeting
- Monthly meeting with Councilor Griego
- SLV Broadband Committee Meeting
- Law Enforcement Officers' Memorial
- Building Code Update Meeting
- 2nd Annual Economic Summit Planning Meeting

- Golf Course Augmentation Plan meeting
- Lunch with Councilor Hensley
- Leadership on the Ground Training
- La Puente Board Meeting
- Non-Harassment Training
- Downtown Plan Kickoff meetings
- Public Meeting Regarding Homelessness
- Attended Fire Truck Dedication Ceremony

City of Alamosa

Monthly Activities Report

May 2018

Public Works Department

Streets: The Street Department cleaned out the Del Sol drain ditch, Completed the La Due joint project with the railroad, Opened Road Closure for La Due track repairs, hauled yard waste on two separate occasions from Rickey Recycling Center (both completed in one day due to a ten hour day) Created a stencil for the storm drains that states, "No Dumping, Drains to River." COUNCIL COMMUNICATION

DATE June 8, 2018	AGENDA NO.C. 8. a	SUBJECT: IT Director Monthly Report for May 2018
Department Head: 		
City Manager:		
PRESENTED BY: James A. Belknap		

Below is a statement regarding major issues covered by the City IT Department:

May 2018 Report

- IT continued assistance and coordination with Tyler to upgrade remaining Incode 9 workstations and the Incode server. This project will continue into June.
- IT has reached out to multiple vendors and met with a representative from XCite - an audio / visual technology company - to discuss upgrades and repairs to the council audio system.
- In an abundance of caution and in order to have a backup system to the provenly unstable council audio system, IT ordered a portable wireless conferencing system. In addition to serving as a backup system for the council audio system, this system provides extra functionality by allowing meetings to be conducted offsite.
- This year IT is engaging in an intern program in coordination with the school system. Two interns were hired by recommendation of the school for having completed an IT Fundamentals course and by showing interest in a career in IT. The IT interns will be assisting the department with help tickets, re-imaging computers, and recording council meetings.

- Jade Communications is working for the IT department to create a more robust network connection to fire station #2. Jade will use 5G capable equipment and a virtual private network to replace a dated wireless backhaul section of our network.
- IT worked with Charter to purchase new equipment for the channel 191 PEG station. Equipment specs were gathered by IT for purchase in April with all equipment arriving and implemented in May. IT received a check this month per our franchise agreement in the amount of \$15,000.00.
- IT has been working to replace the Police Department's aging mobile data terminals with new Toughbook CF-33s. A new image was created as well as a new configuration that should increase the efficiency and performance of the new equipment.
- Two members of the IT team are enrolled in an ICMA Effective Supervisory Practices course aimed at providing supervisors with tools for increasing productivity and better communication with coworkers.
- IT continues to maintain the City of Alamosa website and addressed a few issues in the HTML coding that was causing some pages to load incorrectly.
- A member the IT team has moved on to pursue a career in a different location. The member worked to document duties, cross train on individualized knowledge, and prepare for the time between their leaving and the hiring of a new technician.
- With the exiting of an IT member, IT took the opportunity to increase security and change passwords of mission critical equipment and servers. Regardless of the personnel change, these types of security measures are planned and occur regularly.
- IT worked with Kyle Monson with the City of Fountain IT Department to coordinate a transfer of over 50 Digital Ally Body Cameras no longer in use by the City of Fountain PD. This equipment will prove valuable as our equipment can be replaced immediately when an issue arises instead of waiting on Digital Ally's increasingly long RMA return times. The equipment had a retail value of over \$55,000.00.
- A new conference phone was set up in council chambers to facilitate

teleconferencing needs.

- IT tested and implemented a software called Zoom that can be used by councilors to remotely attend council meetings.
- IT has turned on the wifi equipment at Lee Fields for the summer providing wifi publicly from 7AM to 10PM. These times can be extended for special events as what was done for Summerfest (Cole Park wifi).
- Patched all City owned computers to the latest patch and vulnerability fixes from Microsoft. This monthly patching helps protect our computers from malicious software, resolve general windows issues/bugs, and provide access to new windows features.

In Monte Vista, we performed the following items:

- IT worked with Valley Lock and Security to wire the new squad room in the PD.
- Multiple PCs, the Watchguard system, and a copier were moved to the new squad room. This included rewiring in the server room and rerouting phone lines to match the new port locations.
- The City of Alamosa is donating multiple mobile data terminal (MDT - Tougbook CF-31s) to the Monte Vista Police Department. Each terminal had a \$5000.00 retail price associated with them. The City of Alamosa will be providing 4 terminals this year and expect to provide 6 terminals next year. These machines along with the City provided cell phones can be used for remote access of CCIC and public safety related web apps. A VPN (virtual private network) tunnel was created to secure the mobile endpoint and connect the computer to the internal city network (a requirement of CBI for CCIC as well as CJIS compliance) as well as the latest antivirus definitions and security protocols. Lastly, the MDTs were encrypted with the latest SHA-256 bit encryption to further prevent unauthorized access to the computer.
- Officers were trained on the access and use of the new MDTs that will be mounted in multiple vehicles.
- IT attended the building cleanup at the old police department to assist with the removal of any possible IT equipment.

- A member the IT team has moved on to pursue a career in a different location. The member worked to document duties, cross train on individualized knowledge, and prepare for the time between their leaving and the hiring of a new technician.
- With the exiting of an IT member, IT took the opportunity to increase security and change passwords of mission critical equipment and servers. Regardless of the personnel change, these types of security measures are planned and occur regularly.
- An error was identified in the COMWSUS server that handles updates to all city computers. A script was updated before any interruptions to scheduled services could occur.
- Caselle released another major upgrade that installed and verified.
- IT provided a refurbished laptop to Mike Martinez in the police department. This equipment can be used for accessing public safety related web apps.
- Patched all City owned computers to the latest patch and vulnerability fixes from Microsoft. This monthly patching helps protect our computers from malicious software, resolve general windows issues/bugs, and provide access to new windows features.

Graves set up services	2	21	24
Graves raised to grade	39	56	50
Cemetery single spaces sold	1	21	18
Stones leveled	30	37	21
Columbarium Niches sold	0	0	1
Disinterment	0	0	0

- **Tree Related Activities**

	<u>May</u>	<u>Total 2018</u>	<u>Total 2017</u>
Trees Pruned/Trimmed	42	81	17
Tress Planted	18	18	23
Trees Removed	7	11	7
Trees Moved	0	0	0

- **Park Activities**

Worked accomplished:

- Parks
 - Weekly check and maintenance of play equipment; get playground log and spraying log up to date and turn in
 - Daily trash pickup of parks, cemetery, and ranch
 - Fix broken sprinklers (parks & cemetery), fertilize, and spray weeds
 - Repair split rail fences and install two new trash cans
 - Water all trees, mow and trim parks and cemetery
 - Park permits
- Carroll
 - Line soccer fields and move goals
- Cole
 - Check electrical and charge hydrants
- Lee Fields
 - Work on Lee #2 infield and add infield mix
 - Take sod out for Kaboom
- Other
 - Funerals and grave digging, locates for public and stone setters, raise graves and level head stones, mow and trim, and work on cemetery records
 - Get cemetery ready for Memorial Day and do a cemetery clean up
 - Sod cemetery graves, fertilize some sections, plant flowers, and plant trees
 - Raise and lower flags

- Plant Alamosa sign flowers
- Move gym equipment
- Water all new flowers and get all beds ready
- Paint old stage, new top on new stage, replace lights and sockets on stage
- Stage set ups in parks
- Attend wild land fire workshop
- Booth painting and set up for Summer Fest
- Adjust run times on sprinkler clocks
- Mow and trim all small lawns
- Help with Track Meet

Spring/Summer Activities Guide

Check out our activities guide for all the upcoming spring and summer events and programs. Our Facebook page - City of Alamosa Activities - is another great way to be informed of updates.

SPORTS & ACTIVITIES

Adult Sports

- **Adult Softball:** Team registration for adult softball closed on April 23rd and player registration is now open for \$30/player. Players must have played in at least three separate regular season games (at least one inning in each game) to be eligible to play in tournament games that will take place in July.

Youth Sports

- **Youth Football:** There are only a few spots left in the 5th-6th grade division for a late fee of \$125/participant with a \$10 multiple child discount, if they live in the same household. Parents now have the option to sign up at the Recreation Center or online, provided that they fill out the forms and email them to the instructor of the program. Late registration will run from June 2nd-July 1st or until all spots are filled.
- **Youth Baseball/Softball:** Most of the divisions are now full and practices have begun. The first games will started the week of June 4th and continue through July.
- **Youth Gymnastics:** Registration for the second session is now open for ages 3-11 for \$25. Session II will be from July 23rd-August 2nd and registration will proceed until classes are full.
- **Basketball Fundamentals:** Registration is open for ages 7-15 for \$40/participant. The course was pushed back a week due to the gym floor maintenance and will run from June 12th-July 31st. A mandatory parent orientation will take place on June 11th at 6pm at the Recreation Center.
- **Youth Art:**
 - Registration for Youth Art Explores is now open for ages 5-16 for \$20/participant. Session II: June 18-27, and Session III: July 9-18.
 - Registration for Youth Drawing and Painting is open for ages 5-16 for \$20/participant. Session II: June 18-27, and Session III: July 9-18.
 - Registration for Youth Pottery/Ceramics is open for ages 6-16 for \$25/participant. Session II: July 10-19.
- **Youth Tennis:** Registration is now open for ages 6-16 for \$25. Session II: July 13-August 8. Both sessions were pushed back a week to accommodate our instructors.
- **Junior Golf:** Cattails Golf Course has opened registration for Junior Golf. Prices are \$30/participant and the course will run from June 5-July 12th. Children 10 & under will attend on

Tuesdays while ages 11-19 will go on Thursdays. The beginner class will be at 8am and the advanced at 9am. Contact Cattails Golf Course at 589-9515 for details.

Rec Center Summer Hours

Monday – Thursday: 6am – 9pm

Friday: 6am – 6pm

Saturday: 7am – 3pm

Sunday: CLOSED

Upcoming Rec Center closures

- Independence Day-July 4th

Collection Development:

May: Staff added 356 new materials to the library collection: 206 books, 65 magazines, 23 audiobooks, and 62 DVDs. This process includes purchasing, cataloging, and material processing. 204 items were discarded.

Staff announcements.

May: Volunteers: We had a total of 75.5 volunteer hours this month. Patty Campbell and Leroy Espinoza, our faithful volunteers, work in the staff room doing miscellaneous jobs. We have a new Senior, Jane Northrip, working/training with us through SER National. Jane worked 60 hours with us.

Since July 2003, SER National has been funded by the U.S. Department of Labor (DOL) to operate the Senior Community Service Employment Program (SCSEP) focusing on the training and employment needs of the mature worker. SER currently serves over 3,500 participants in over 250 counties in 6 states. SER SCSEP, in its fourteenth year of operation, is administered in the following states: California, Colorado, Kansas, Missouri, Texas, and Wisconsin.

Participants in the SER SCSEP come from all walks of life, have diverse work experiences and possess various levels of education. SER partners with local non-profit organizations (host agencies) to provide participants with training opportunities to update their skills. SER SCSEP has been successful in placing individuals in full and part-time jobs which benefit them economically and socially.

SCSEP is a community service and work based training program for older workers. Authorized by the Older Americans Act, the program provides subsidized, service-based training for low-income persons 55 or older who are unemployed and have poor employment prospects.

Community Involvement

- **May:** Fourth Moose reading day – 9 children read to MOOSE. This is the last session in this series.

- Of 16 Storytime To Go Kits, we have had 86 checkouts between August 2017 and May 2018.

- **May:** There are now 52 children signed up for our Planting Seeds, 1,000 books program. In this program, as each child reads 100 books, they receive 1 free book. Two children/parents have completed the program.

- **May:** Family, Friends and Neighbors program (FFN) is showing 20 caregivers signed up and all received Early Literacy Kits containing EL books, music, toys. The Kits were provided by the Growing Readers Together Grant.

- **May:** The organization formerly known as La Llave is now called Parents as Teachers (PAT), and is housed in the offices of the Early Childhood Council. Parents as Teachers provide home visiting and group connection, parenting skills focus, for pregnant women and their children until their 3rd birthday. We hosted a PAT family night May 23, 2018. 14 children and 8 adults attended.

- **May:** Movie Night “A Wrinkle in Time” We had 32 attend the showing May 11, 2018. This was the original 2004 version.

- The local Fiber group met in the Story Room. Usual attendance is 10-15 fiber enthusiasts. The group knits, weaves, spins, and crafts all things fiber. They share and teach each other new techniques and ideas. Planning for charity projects or events is also done at these meetings. The next meeting will be June 13, 2018. We welcome anyone interested in any type of fiber arts.

- Nancy Wilkie, a physical therapist working with Blue Peaks Early Intervention Program, meets in the library to meet with parents and their children in the program (birth to age 3) because the library provides a safe environment when they cannot meet with them in their homes and also introduces them to the value of a community library.

Blue Peaks Developmental Services provides service coordination for children who have or are at risk for developmental disabilities through several programs. Early Intervention Services can include therapies, assistive technology devices, family training and counseling, health services and social work services. The Children's Extensive Support program serves children with significant medical and/or behavioral needs and provides intensive supports that enable a parent to keep their child at home. The Family Support Services program assists families with costs beyond those normally experienced by other families without children with disabilities, and helps families avoid or delay costly out of home placements.

- Children's Garden day care center has been utilizing the Story room on early release Wednesdays for their school age group to occupy their time after school. They come in and use some of our building blocks and other manipulatives as well as read books.

- The Historic Preservation Advisory Committee meets the second Tuesday each month in the Local History Room.
- The People First group, persons with disabilities in the San Luis Valley, meets weekly, Sunday afternoons, in our Local History room. They have published an informative book about their organization, "The Important Things".

- **May:** 257 children and parents attended the Tuesday & Friday morning Storytimes. We had special visits from the Guadalupe Elementary Antonito and the Trinity Luthern School.
- **SLV Playdates** – Lisa Clark, a library and storytime patron, is heading up a group called SLV Playdates. She saw a need within the group for an infant "Tummy Time" style meeting place, and requested to use the story room on a regular basis for this group of parents and infants to meet. The parents connect with one another and their babies for an hour. They are coming weekly on Mondays at 11:00 a.m..

- **May:** San Luis Valley Origami workshop at the library was April 28, 2018 with 11 participants. The next workshop is scheduled for June 9, 2018.

-

7 Little Free Libraries in Alamosa are sponsored by the Alamosa Public Library and the Friends of the Library. Each of these has different stewards that maintain the structure and keep them supplied with books, donated by Friends of the Library.

Alamosa has one other Little Free Library in Alamosa, sponsored and stewarded by the Wilner family. There is also one in Mosca at the 'Pit Stop', sponsored and stewarded by Jenene Holcomb from the Sangre DeCristo School and the owner of the Pit Stop.

May: Stewardship for LFL at: Food Bank – WCC added 80 books; **La Puente** – FOL (Friends of the Library) refilled with 20 books; **Zapata Park** –Jan Oen & Don Thompson refilled with 20 books; **Senior Center** – KREBS 0 books; **Nancy Cutters Office** (Optimist) – no changes; **SLV Immigrant Resource Center** (Optimist) – no changes; **Cole Park** (library staff) we refilled with 15 books.

Friends of Alamosa Public Library

May:

- Friend's meeting was May 15, 2018. Next scheduled meeting is June 19, 2018
- The first book sale for 2018 was May 5, 2018. Total sales: \$800.
- Craft day: Repurpose library journal making was on May 20, 2018. We are learning to make lamps with old books as the base.
- Membership of Friends of the Library is now at 52 members.
- At the May 15th meeting Friends gathered to organize the book sale for June 1-2, 2018 and to make plans for 'Repurpose Library' craft day for May. Plans were made to purchase software and equipment to be able to create the 10th edition of "Messages from the Hidden Lake". Ideas for book bike events was discussed.

- At that meeting Friends of the Library voted to become the sponsors for the StoryWalk in Cole Park. The Director of the Alamosa Literacy Council is leaving Alamosa and the Council decided to find sponsors for the project that was created in 2016.

Monthly Overview – Well, the torch has been passed, and I am working hard not to set anything on fire! Ms. Becky had her last day on May 4th, and while there has been a learning curve without her, I'm settling in as Children's Librarian thanks to her prep work and guidance. I couldn't have hoped for a more patient and supportive team of co-workers, and I feel quite welcome here.

Storytime – There were six storytime sessions held in May, with two weeks at the end of the month reserved for Summer Reading preparations. Though I LOVE preparing for and performing storytime sessions, I have been grateful these last two weeks for the extra time to devote to all that Summer Reading entails!

TOTAL		86

Total Children's Services Visits for April **343**

SLV Playdates – Lisa Clark, a library and storytime patron, is heading up a group called SLV Playdates. She saw a need within the group for an infant "Tummy Time" style meeting place, and requested to use the story room on a regular basis for this group of parents and infants to meet. We agreed to Mondays at 11:00 a.m. I arranged and labeled age-appropriate materials in one cabinet for this group to use when they meet. My role on Mondays is to unlock the story room for Lisa, put some music on, and open the cabinet. I check in with the group and count their attendees, but do not run a storytime session. The parents connect with one another and their babies for an hour.

La Llave = Parents as Teachers – The organization formerly known as La Llave is now called Parents as Teachers, and is housed in the offices of the Early Childhood Council. We had our first Parents as Teachers family event on Wednesday, May 23rd from 6 to 8. I used the “Transportation” themed storytime from GRT Family Saturdays and set up five activities around the room, each focusing on one of the five early literacy practices (CLEL). I met Sylvia, Esther, and Jeff who work as parent educators. They were kind, informative, and energetic. They brought dinner for their families and helped me get everything cleaned up and put away, including tables, chairs, and my own storytime supplies! I would be happy to host another family night for Parents as Teachers. See photos below.

Growing Readers Together:

- I received a call from Joan Deming at Clayton Early Learning, who is partnered with the Department of Education on GRT. She sent me electronic versions of both a brief survey for any attendees of a GRT family event and the longer FFN survey (that Becky dispensed to FFN already). I have agreed to provide the short surveys at our next GRT Family Saturday.
- FFN – We have 20 FFN. Not all are currently active. I have yet to connect with this group as a whole, and plan to start calling our current FFN to update our list after Summer Reading gets rolling!
- Planting Seeds – We have 52 kids in our program to date
- Family Saturdays –May’s theme was “Transportation.” We did fun themed activities with the 5 practices: talk, read, sing, write, and play. See photos below.

Summer Reading – What an adventure! Becky did so much legwork before I even came on board, so Summer Reading Program (SRP) planning and scheduling was well on its way to completion when I started. I was able to book CU Sciences “Polar Connections” for one Wednesday event time that was not booked, and Cathy and I have been hard at work getting all of the instrument-making materials acquired and prepped for our Kick Off event. Creating the necessary visuals for SRP has been

challenging and fun! I'm happy with how things have come out, and I hope they provide the necessary information for our patrons.

2018 Summer Reading Program

Join us Wednesdays at 10 at Alamosa Library for fun family

June 6 - Libraries Rock! Kick-Off Event

Let's fill the library with the sound of music!
We can help you get registered online for our Summer Reading program, and then you can move to instrument-making stations in the library!

June 13 - Science of Sound with Science Matters

Come explore the science of sound and play with sound waves!
Explore science through toys like the humming harmonica, Pipe Orchestra, tuning forks and more!

June 20 - "Be All You Can Be" with Michael Casey

"My goal is to inspire others to look at obstacles as stepping stones. To both inspire and motivate with my unique brand of COMEDY mixed with MAGIC and MUSIC, making a direct connection that will hit all the right notes." - MC

June 27 - "Polar Connections" with CU Science Discovery

Know why libraries rock? Because they have "cool" programming! Come learn about polar wildlife, climate, geography, and what it's like to live in this extreme environment!

July 11 - Purly Gates, Musician

Join Purly Gates as she presents sing-along songs about reading and the library ... for ALL AGES!

July 18 - "Boogie Woogie Bunnies" with Ann Lincoln

Ann Lincoln presents... Boogie Woogie Bunnies: a Comedy, Magic & Juggling Show! The library is going to ROCK when Ann's magic animals have a dance party!

July 25 - Steve Weeks' World of Music

Come join national family music performer Steve Weeks for an interactive family romp filled with music, humor and games as he performs his hit songs. Come prepared to laugh. Come prepared to sing... and bring those dancing shoes!

Aug. 1 - Libraries Rock! Music Party

Bring any instruments you've made (including air guitars) over the summer and LET'S ROCK! We'll play our Community Composition we've been creating together and round out a rockin' summer of reading!

For more information, call 589-6592

Register online at alamosa.readingrecord.net

I have also reached out to local businesses in Alamosa to begin to create a network of Community Partners for SRP. They will participate in our Read for Beads incentive aspect of SRP by having music note cards for registered readers to ask for when they patron these partners. The music notes can be traded in for an extra bead at the library. I will be able to track how many returned note cards we have from each business at the end of the summer as proof to our partners that reciprocal promotion works! Perhaps next year, they will want to donate prizes for our door prize cache! Lolly's and Birdie's have already offered gift cards for prizes. All of the business owners were very receptive and want to know how they can continue to promote early literacy in our community, so I'm excited to continue to find ways to help them be a part of our programming.

Community Partners for SRP 2018:

- Lightshine Music
- Nestle Toll House Café
- Alamosa Home
- Birdie's Boutique
- Lolly's Sweets Shoppe

We also received a donation of paint sticks from Sherwin Williams to use for our guitar craft!

General Librarianship: In addition to all of these wonderful things, I have been learning new skills as a librarian! Learning how to use the Koha software, how to find answers to patrons questions while working at the front desk, how to assess damaged books, how to intake new books, and (my favorite task) how to order new books!

I'm thrilled to be here and am grateful for the opportunity to be a part of this community as a children's librarian!

Holly Van Hoy
Children's Librarian

ALAMOSA CITY COUNCIL COUNCIL COMMUNICATION

Subject/Title:

Motion to accept a sub-lease agreement for the Cattails Golf Club Restaurant

Recommended Action:

Staff recommends that Council authorize the Mayor to sign the sub-lease agreement.

Background:

After beginning the 2018 season without a restaurateur and operating a limited food operation themselves, the Alamosa Golf Club recently approached the City with a proposed agreement to sub-lease the restaurant out to local restaurateur Woody's Q Shack.

Given the struggles of the past three or four businesses at the restaurant, both the Club Management and Woody's Q Shack worked diligently to make the terms of the lease viable for success of the operator and the Management group. For example, the percentage of gross revenue due the Club as rent stipulated in the lease is less in the winter months. The proposed lease is for 16 months for the period of July 2018 through October of 2019.

This agreement also contains a personal guarantee clause whereby the restaurant operators personally, and jointly and severally, guarantee the prompt, full, and complete performance of any and all present and future duties, obligations, and indebtedness due to the Club from Woody's Q Shack under the terms of the lease.

Under the management agreement the City has with the Club, the City must approve any sub-lease of the restaurant.

Issue Before the Council:

Does Council wish to approve the Cattails Golf Club Restaurant sub-lease agreement with Woody's Q Shack?

Alternatives:

While Council is free to select or develop any number of alternatives, those listed below are examples.

1. Adopt a motion approving the restaurant sub-lease
2. Decline to act at this time and give staff further direction

Fiscal Impact:

There is no direct fiscal impact to the City.

Legal Opinion:

City Attorney will be present if there are any legal questions regarding this action.

Conclusion:

Having a restaurateur operating at Cattails benefits the entire community.

ATTACHMENTS:

Description	Type
▣ Cattails sublease to Woody's Q Shack	Backup Material

CATTAILS CLUBHOUSE RESTAURANT SUB-LEASE

THIS AGREEMENT is made this 6th day of June, 2018, between Alamosa Golf Club, Inc., d/b/a Cattails Golf Club, 6615 River Drive, Alamosa, Colorado 81101, **a Colorado Corporation, LESSOR**, (hereinafter referred to as **CLUB**) and **WOODY'S Q SHACK, LLC, a Colorado Limited Liability Company**, 12087 Kyle Lane, Alamosa, Colorado 81101, **LESSEE**, (hereinafter referred to as **WOODY'S Q SHACK**);

WHEREAS The City of Alamosa owns all of that property designated as the Cattails Clubhouse Planned Community, as shown on the plat thereof recorded under Reception No. 334169 in the office of the Alamosa County Clerk and Recorder, and in addition owns the Cattails Golf Course surrounding the Cattails Clubhouse Planned Community; and

WHEREAS the City of Alamosa has leased the Cattails Clubhouse as described on the plat thereof to the San Luis Valley Federal Bank by that certain Site Lease dated January 24, 2008, and recorded under Reception No. 334174, and has sub-leased the Clubhouse back from the bank under those certain lease purchase agreements dated January 24, 2008, and recorded under Reception Nos. 334175 and 334176; and

WHEREAS the City of Alamosa (hereinafter referred to as **CITY**) has entered into an Amended Management Agreement with the **CLUB** dated December 6, 2017, for the **CLUB** to manage and operate the Golf Course and Clubhouse on behalf of the City;

NOW THEREFORE,

In consideration of the payment of the rent and the keeping and performance of the covenants and agreements by **WOODY'S Q SHACK** hereinafter set forth, **CLUB** hereby leases unto **WOODY'S Q SHACK** the following described premises (the "Premises"), situate in the County of Alamosa in the State of Colorado, to wit:

Unit 1 of the Cattails Clubhouse Planned Community as shown on the plat thereof recorded under Reception No. 334169 in the records of the Alamosa County Clerk and Recorder, plus right to full (although not exclusive) use of the Inside Common Element and the Patio Area.

Those items of personal property used in the restaurant business in the clubhouse, set forth in Exhibits A and B to this Lease (see paragraph 17, below, for description of Exhibits A and B)

1. **TERM AND RENT, RENEWAL TERM, SECURITY DEPOSIT: WOODY'S Q SHACK** shall have and hold the Premises for a lease term of SIXTEEN (16) months from twelve o'clock noon July 1, 2018, until twelve o'clock noon of October 31, 2019, at and for a lease payment of 4% of gross sales per month, beginning July 1, 2018, with the exception of rent for November 1, 2018 through December 31, 2018 wherein rent will be 2% of gross sales, and January 1, 2019 through February 28, 2019 wherein rent will be 0% of gross sales, payable on the first day of the month. Any rental payment not received by the 10th day of the month shall be

subject to a late charge of 10% of the rental amount due. The parties intend to negotiate a lease renewal in good faith in advance of the termination date.

Prior to taking possession of the Premises, **WOODY'S Q SHACK** shall pay to **CLUB** a security deposit in the amount of \$3,000.00. This security deposit is to remain on deposit with **CLUB** during the Term of this Lease and any renewal term as security of the payment of rent and the full and faithful performance by **WOODY'S Q SHACK** of the covenants and conditions of this Lease. In the event of any default, the security deposit shall be retained by **CLUB** and may be applied toward damages arising from such default. The security deposit shall not be construed as liquidated damages. Upon yielding the Premises to **CLUB** at the natural expiration of the Term or any renewal term, in the condition required by this Lease, and provided no default has occurred, the remaining balance of the security deposit shall be returned to **WOODY'S Q SHACK** within 60 days of such surrender of the Premises.

A. WOODY'S Q SHACK DUTIES

2. MAINTENANCE:

a. MAINTENANCE OF PREMISES: WOODY'S Q SHACK, in consideration of the leasing of the Premises as aforesaid, covenants and agrees as follows: **WOODY'S Q SHACK** will at all times insure that the condition of the Premises (including those items of personal property set forth in Exhibits A and B hereto) is in full compliance with the guidelines, rules, and regulations of the Colorado Department of Health and Environment, the Alamosa County health department, and any rules and regulations of any other governmental agency having jurisdiction over the operation of the restaurant. Subject to the responsibility of **CITY**, as set forth in the December 6, 2017 Amended Management Agreement between **CITY** and **CLUB**, to undertake any major repairs or improvements to permanent infrastructure exceeding \$1,000.00 per event and not caused by the negligence or willful act of **CLUB** or its assigns, **WOODY'S Q SHACK** will at all times maintain the Premises, including but not limited to, floors, floor coverings, ceilings, walls, doors, and glass, and those items of personal property set forth in Exhibit A and B hereto, in the condition of the Premises as of the initial date of this Lease at the expense of **WOODY'S Q SHACK**, and at the expiration of this Lease will surrender and deliver up the Premises in as good order and condition as when the same were entered upon, loss by fire, inevitable accident or ordinary wear (which shall include problems with the sewer connections, plumbing and wiring which do not arise as the result of any act or omission of **WOODY'S Q SHACK** or **WOODY'S Q SHACK'S** guests or agents) excepted. **WOODY'S Q SHACK** agrees to immediately notify **CLUB** of any problems with sewer connections, HVAC, plumbing or wiring and shall be responsible for any damages caused by **WOODY'S Q SHACK'S** failure to do so. **WOODY'S Q SHACK** will notify **CLUB** and **CITY** in writing of any major repairs it believes are **CLUB's** or **CITY's** responsibility, and will be prepared to discuss such repairs at the next monthly meeting of **CLUB** after written notice is given. Such notice shall not be determinative of whether such repairs are necessary, which determination shall be in the sole discretion of **CITY**, but shall be a pre-requisite to any assertion by **WOODY'S Q SHACK** of **CLUB's** or **CITY's** responsibility for such repairs. **WOODY'S Q SHACK** shall have the carpeting in the Premises professionally cleaned at least semi-annually.

b. MAINTENANCE OF COMMON AREAS: WOODY'S Q SHACK shall be responsible for 75% of the maintenance costs for the Inside Common Element and the Patio Common Element, and **CLUB** shall be responsible for the remaining 25% of such maintenance costs. **WOODY'S Q SHACK** shall keep the Patio Common Element and the Sidewalk Common Element free from snow and ice. **WOODY'S Q SHACK** shall clean and maintain the Men's Room Common Element and the Women's Room Common Element, but **CLUB** shall be responsible for providing all consumables for these Common Elements.

3. **SUBLETTING AND ASSIGNMENT: WOODY'S Q SHACK** agrees to sublet no part of the Premises, nor assign this Lease or any interest herein, without the written consent of the **CLUB** first being obtained and without the sub-lessee executing an agreement acceptable to **CLUB** binding the sub-lessee to provisions of this Lease as deemed necessary by **CLUB**;

4. **USE OF THE PREMISES, BUSINESS HOURS, SPECIAL EVENTS: WOODY'S Q SHACK** shall obtain and keep in place a hotel/restaurant liquor license for the Premises, and shall offer alcoholic beverages on the Golf Course whenever the restaurant and Golf Course are both open. **CLUB** agrees to use its best efforts to transfer the existing liquor license it holds for the Premises to **WOODY'S Q SHACK**. **WOODY'S Q SHACK** shall pay all fees and costs associated with such transfer. **WOODY'S Q SHACK** agrees to use the Premises for operation of a restaurant and snack bar facility. **WOODY'S Q SHACK** may use the Premises for other purposes not inconsistent with its use as restaurant/snack bar, but shall use the Premises for no purpose prohibited by the laws of the United States, or the State of Colorado, or the ordinances of the City of Alamosa or the County of Alamosa, and for no improper or questionable purpose whatsoever. At any time that the Golf Course is open for golf, any use of the Premises for the general public and for special events must make accommodation for golfers. In the context of special events which otherwise may make access to the Premises for golfers impractical, this may be through the use of a tent, a separate area of the patio, or the meeting room (Unit 3) to provide for food and beverages for golfers or other members of the public otherwise excluded from the Premises for the special event.

WOODY'S Q SHACK may use the Golf Course or other area beyond the Premises for a special event only pursuant to a separate special event site fee agreement. In the absence of any such special event site fee agreement, **WOODY'S Q SHACK** shall ensure that its use of the Premises, and that of any of its guests or invitees, does not encroach onto the Golf Course area.

5. **LIABILITY:** Any damages and/or injuries resulting from the failure of **WOODY'S Q SHACK** to remove snow and/or ice from the Premises shall be the sole liability and responsibility of **WOODY'S Q SHACK**; **WOODY'S Q SHACK** shall keep the Premises clean, and in the sanitary condition required by the ordinances and the health and police regulations of the State of Colorado and all other governing entities and agencies; clean the grease traps at least quarterly, or sooner as necessary, and the hoods every four months, or sooner as necessary; remove all trash and refuse from the Premises; neither permit nor suffer any disorderly conduct, noise or nuisance whatever about said Premises having a tendency to annoy or disturb any persons occupying adjacent premises; neither hold nor attempt to hold **CLUB** liable for any injury or damage, either proximate or remote, occurring through or caused by any repairs,

alterations, injury or accident to adjacent premises or other parts of the above premises not herein leased, nor liable for any injury or damage occasioned by defective electric wiring, or the breaking or stoppage of plumbing or sewerage upon the Premises or upon adjacent premises, whether said breaking or stoppage results from freezing or otherwise, excepting any injuries or damages resulting from the acts or omissions of **CLUB** or its agents; neither permit nor suffer the Premises, or the walls or floors thereof, to be endangered by overloading, nor the Premises to be used for any purpose which would render the insurance thereon void or the insurance risk more hazardous, nor make any alterations of change in, upon, or about said premises without first obtaining written consent therefor. As a material part of the consideration to be rendered to **CLUB**, **WOODY'S Q SHACK** hereby waives all claims and demands against **CLUB** and **CITY** for losses and damages to goods, wares and merchandise on the Premises or the Cattails Golf Course for any cause arising at any time. **CLUB** and **CITY** shall not be liable for any loss, damage, or injury of any kind to any person, including **WOODY'S Q SHACK**, and **WOODY'S Q SHACK'S** customers or property, arising from any use of the Premises or the Cattails Golf Course, any part thereof, or caused by any defect in any structure, facility or other improvement thereon or therein, or caused by or arising from any act or omission of **CLUB**, its employees, agents, and affiliated entities, **WOODY'S Q SHACK**, **WOODY'S Q SHACK'S** customer, or guests, or any other person, or by or from an accident on the Premises, or any fire or other casualty, or occasioned by the failure of **WOODY'S Q SHACK** to maintain the Premises, or by **WOODY'S Q SHACK'S** breach of any obligation under this lease. **WOODY'S Q SHACK** agrees further to hold **CLUB** and **CITY** harmless for injuries to persons in, on, or about the Premises from any cause whatsoever arising in any manner from **WOODY'S Q SHACK'S** use or occupancy of the premises, including holding **CLUB** and **CITY** harmless from all court costs and reasonable attorneys fees.

6. **BUSINESS EXPENSES, UTILITIES, TAXES, POINT OF SALE: WOODY'S Q SHACK** agrees to keep heat in the Premises of a sufficient degree to protect the water and plumbing systems and other parts of the buildings from damage caused by freezing or other conditions caused by any failure to adequately heat the buildings. **CLUB** shall be responsible for the utilities (electric, gas) which are metered at the meter common to the entire Cattails Clubhouse Common Interest Community. **WOODY'S Q SHACK** will pay 75% of metered utilities at the meter common for the Cattails Cub House. Payable on the 1st of each month. Any utility payment not received by the 10th day of the month shall be subject to a late charge of 10% of the utility amount due. **CLUB** shall be responsible for basic cable service. **WOODY'S Q SHACK** shall be responsible for payment of all licenses, permits, sales taxes, personal property taxes, and other taxes and fees relating to operation of the restaurant. **WOODY'S Q SHACK** will pay **CLUB** \$120 per month for use of **CLUB'S** point of sale system (this is the amount it cost **CLUB** to add a food and beverage option to its existing POS software), due on the 1st of each month. Any point of sale payment not received by the 10th day of the month shall be subject to a late charge of 10%.

7. **SECURITY SYSTEM: CLUB** shall maintain the security system for the Premises. The Facilities Manager for the **CITY** will be given 24/7 access to all security systems. **WOODY'S Q SHACK** shall pay **CLUB** \$75 per month for security monitoring for the restaurant payable on the 1st of the month. Any security payment not received by the 10th day of the month shall be subject to a late charge of 10%.

8. **NO SMOKING INSIDE AND ADJACENT TO BUILDING: WOODY'S Q SHACK** shall ensure that smoking is not permitted inside the building nor within 15 feet of any public entrance to the building.

9. **INSPECTION AND REPORTING: CLUB and CITY** will have all rights to enter and inspect the Premises upon reasonable advance notice to **WOODY'S Q SHACK** at any time the Premises is open to the public, and upon twenty-four hours notice at other times. **WOODY'S Q SHACK** or its designee will attend regularly scheduled meetings of **CLUB** in order to provide a monthly report of the restaurant operations, including scheduled events, and maintenance and repair issues.

10. **ALTERATIONS/IMPROVEMENTS: WOODY'S Q SHACK** shall not improve or alter the Premises in any manner without the prior written consent of **CLUB** but shall, before making any improvements or alterations, submit plans and designs therefor to **CLUB** for its approval. The **CLUB** will notify **CITY** per the Management Agreement of any intended improvements or alterations. In the event that the plans and designs are disapproved, such improvements or alterations shall be made only with such changes to the plans and designs to make them acceptable as may be agreed upon by **CLUB** and **WOODY'S Q SHACK**. Except as otherwise provided herein, all improvements or alterations erected or made on the Premises shall on expiration or sooner termination of this lease belong to **CLUB** without compensation to **WOODY'S Q SHACK**, provided, however, that **CLUB** shall have the option, to be exercised on expiration or sooner termination of this Lease, to require **WOODY'S Q SHACK** to remove any or all such improvements or alterations and return the Premises to its condition prior to said improvement or alteration if **CLUB** notifies **WOODY'S Q SHACK** of such requirement in writing before such improvements or alterations are made.

11. **LITIGATION, CONDEMNATION, DESTRUCTION:** Within five (5) days after either party has knowledge of any litigation or other proceeding that shall be instituted against one of the parties, against the Premises to secure or recover possession thereof, or that may affect the title to or the interest of **WOODY'S Q SHACK** or **CLUB** in the Premises, said party shall give the other party written notice thereof. In the event of a partial or total destruction of the Premises during the term hereof, from any cause, either party may terminate this lease, or may repair as much of the Premises as necessary to continue the lease in full force and effect. **CLUB** shall not, under any circumstances, be required to repair the Premises in the event of destruction, and shall not be liable to **WOODY'S Q SHACK** for any direct or consequential damages as a result of the destruction and any failure to make repairs.

12. **INSURANCE: WOODY'S Q SHACK** shall keep general liability insurance with liquor coverage in the minimum sum of \$1,000,000.00 for each exposure in effect at all times for the Premises. **WOODY'S Q SHACK** shall pay the premiums on all insurance policies on the Premises. Such insurance shall specifically insure **CLUB** against all liability assumed by **WOODY'S Q SHACK** hereunder, as well as liability imposed by law, and shall insure both **WOODY'S Q SHACK** and **CLUB** and shall be so endorsed as to create the same liability on the part of the insurer as though separate policies had been written for **WOODY'S Q SHACK** and **CLUB**. All of the policies of insurance referred to in this section shall be written in form

satisfactory to **CLUB** and by an insurance company satisfactory to **CLUB**. Each insurer mentioned in this section shall agree, by endorsement on the policy or policies issued by it, or by independent instrument furnished to **CLUB**, that it will give to **CLUB** thirty days written notice before the policy or policies in questions shall be altered or canceled. **WOODY'S Q SHACK** shall furnish **CLUB** with receipted bills or other evidence showing the payment for such insurance. If **WOODY'S Q SHACK** shall neglect to insure or keep insured the Premises, **CLUB** may, without notice to **WOODY'S Q SHACK**, renew or procure insurance thereon. **CLUB** shall give immediate notice to **WOODY'S Q SHACK** that **CLUB** has renewed or procured the insurance and shall state the amount of the premiums **CLUB** has paid therefor. **WOODY'S Q SHACK** shall then pay to **CLUB**, within five (5) days after receipt of this notice, the amount of premiums paid by **CLUB**, together with interest thereon at the rate of ten percent (10%) per annum until paid by **WOODY'S Q SHACK**. The total of all insurance premiums paid by **WOODY'S Q SHACK** under this provision shall be considered additional rent, and on the failure of **WOODY'S Q SHACK** to pay the premiums, **CLUB** shall have all rights and remedies provided in this lease for a breach of the covenant to pay rent. Only in the event that there is no lapse of the insurance coverage provided for herein, **WOODY'S Q SHACK** may cure the failure to pay the insurance premiums if paid prior to **CLUB'S** payment of premiums not paid by **WOODY'S Q SHACK** when due.

13. **NO PARTNERSHIP.** It is mutually agreed and understood by the parties hereto and this provision is public notice that, by the execution and delivery of these presents by the parties, it is not intended, nor shall it be so construed, that the **CLUB** is entering into a partnership agreement, a joint venture, or any other kind of a business entity or relationship with **WOODY'S Q SHACK** by which the **CLUB** intends to incur any liability in whatever form or nature with respect to **WOODY'S Q SHACK's** use of the Premises that is the subject of this Lease. Each party (hereafter "First Party") shall indemnify and hold the other party harmless from any liability arising out of or connected with the acts and/or omissions of the First Party including, but not limited to, any attorney fees incurred by the other party.

14. **ATTORNEYS FEES:** A party shall pay all reasonable attorneys fees and costs on behalf of the prevailing party if (a) **WOODY'S Q SHACK** or **CLUB** institutes arbitration/litigation arising out of this Lease and/or for an unlawful detainer of the Premises, or (b) either party is made a party to arbitration/ litigation against the other party instituted by a third party.

15. **NO LIENS.** **WOODY'S Q SHACK** agrees and covenants that it will not cause or suffer the creation of any mechanic's liens, or other liens, for any labor performed or materials furnished for or on behalf of **WOODY'S Q SHACK**, which may cloud or impair **CITY'S** title to the leased premises; and that if any such lien shall arise due to an act or omission of **WOODY'S Q SHACK**, **WOODY'S Q SHACK** shall promptly remove the same at its own expense.

B. CLUB'S DUTIES

16. **MAJOR REPAIRS:** **CITY**, through its management agreement with **CLUB**, is responsible for major repairs to permanent infrastructure, exceeding \$1,000.00 per event,

provided that the repairs or replacement are not caused by the negligence of **CLUB** or of **WOODY'S Q SHACK**. This obligation of **CITY** includes building repairs, including but not limited to, exterior walls, foundations, permanent parts of floors and ceilings, pipes, conduits, sewers, wiring inside walls and ceilings, roofing, sprinkler system replacements, HVAC, where the repair or replacement costs reasonably and necessarily exceed \$1,000.00 per event.

17. **RESTAURANT EQUIPMENT PROVIDED BY CITY AND BY CLUB:** **CITY** and **CLUB** shall provide limited equipment for furnishing the Restaurant, and which **WOODY'S Q SHACK** shall return upon surrender of the Premises in the same condition in which they existed at the beginning of this sub-lease, ordinary wear and tear excepted. The list of the bar and kitchen equipment owned by the **CITY**, which shall be surrendered at the expiration or sooner termination of this sub-lease is attached as **EXHIBIT A** to this Agreement. The list of the bar, kitchen and restaurant equipment owned by **CLUB**, which shall be surrendered at the expiration or sooner termination of this sub-lease is attached as **EXHIBIT B** to this Agreement.

18. **PAYMENT OF PROPERTY TAXES:** **CLUB** shall pay and discharge when due all state, municipal, and local taxes (this does not include personal property, gift, estate, inheritance, succession, and income taxes, if any, on the interest of **WOODY'S Q SHACK**), assessments, levies and other governmental charges, general and special, assessed against the Premises, except as specified herein, that accrue during the term hereof or any renewal term.

19. **WATER, TRASH:** **CLUB** shall pay for water and trash service to the Premises.

20. **PARKING:** **CLUB** shall allow **WOODY'S Q SHACK** the non-exclusive use of the parking spaces adjacent to the Premises at no additional charge, and shall keep such parking spaces maintained in good order and free of ice and snow.

C. GENERAL PROVISIONS

21. **EXCLUSIVE RIGHT TO FOOD AND BEVERAGE ON GOLF COURSE:** **WOODY'S Q SHACK** shall have the exclusive right to control and sell food and beverages, including liquor, on the Cattails Golf Course, as well as the Premises leased herein. Any beverages served on the Golf Course shall be in plastic or aluminum containers. No glass containers will be permitted on the Golf Course. The Golf Pro shall have the right to provide coffee and other snacks to its patrons during such time as the restaurant is not open.

22. **CATERING SPECIAL GOLF EVENTS:** From time to time, **CLUB** and **CITY** hold special events at the Golf Course, including tournaments, fundraisers, annual member meetings, and ladies club and men's club periodic events. **CLUB** and **CITY** generally desire to provide refreshments at these events. **CLUB** or **CITY**, as the case may be, shall give **WOODY'S Q SHACK** at least 14 days' advance notice of such events, and **WOODY'S Q SHACK** shall have the right to submit the first proposal for catering any such events, whether on the Premises or elsewhere on the Golf Course. However, **CLUB** and **CITY** retain the right to have their events

catered by any other supplier in the event they cannot come to an agreement with **WOODY'S Q SHACK**. Any such other catering arrangement shall not interfere with **WOODY'S Q SHACK**' use of the Premises pursuant to this Lease.

23. **ASSENT NOT WAIVER:** It is further agreed that no assent, express or implied, to any breach of any one or more of the covenants or agreements hereof shall be deemed or taken to be a waiver of any succeeding or other breach.

24. **VACANCY:** It is further mutually agreed that in case the Premises is left vacant (being the lack of an employee of **WOODY'S Q SHACK** on the Premises for 24 hours as set forth below) for more than seven (7) consecutive days, without notice to **CLUB** of a suspension of business, then the **CLUB** may, without in anywise being obliged so to do, and without terminating this Lease, retake possession of the Premises, and rent the same for such rent and upon such conditions as **CLUB** may think best, making such changes and repairs as may be required, giving credit for the amount of rent so received less all expenses of such changes and repairs, and **WOODY'S Q SHACK** shall be liable for the balance of the rent herein reserved until the expiration of the term of this Lease. **CLUB**, or its attorney, representatives, and assigns, may reenter and repossess the Premises, and declare the lease term forfeited if the Premises shall be deserted or vacated by **WOODY'S Q SHACK** for seven (7) continuous days or more as described above. **CLUB** may pursue all remedies available to it under this Lease, or at law, for a forfeiture by **WOODY'S Q SHACK** hereunder.

25. **DEFAULT, TERMINATION:** IT IS EXPRESSLY UNDERSTOOD AND AGREED by and between the parties aforesaid, that if the rent above reserved, or any part thereof, shall be in arrears, or if default shall be made in any of the covenants or agreements herein contained, to be kept by the **WOODY'S Q SHACK**, after the expiration of a cure period of 15 days after written notice of such default is mailed to **WOODY'S Q SHACK** by **CLUB** at the address of **WOODY'S Q SHACK** provided herein, it shall and may be lawful for **CLUB** to declare said term ended, and enter into the Premises, or any part thereof, with process of law, to reenter, and the said **WOODY'S Q SHACK** or any person or persons occupying the same, to expel, remove, and put out, and the Premises again to repossess and enjoy, as in the first and former estate of the said **CLUB**, and if at any time said term shall be ended as aforesaid or in any other way, **WOODY'S Q SHACK** hereby covenants and agrees to surrender and deliver up said premises peaceably to said **CLUB**, immediately upon the termination of said term, and if **WOODY'S Q SHACK** shall remain in possession of the same after the termination thereof, **WOODY'S Q SHACK** shall be deemed guilty of a forcible detainer of the Premises under the statute and shall be subject to eviction and removal, forcibly or otherwise, within the process of law, as above stated. The cure period provided for herein shall be not applicable if the damages suffered by **CLUB** are irreparable, and the providing of a cure period by **CLUB** shall not in any way reduce or modify the liability for damages resulting by **WOODY'S Q SHACK'S** failure to perform according to the terms of this Lease. **WOODY'S Q SHACK** agrees, in the event it determines that it cannot comply with any of the covenants contained in this lease, that it will notify **CLUB** of **WOODY'S Q SHACK'S** inability to comply with the covenants, and shall offer to surrender the Premises and terminate the lease prior to any default in any of the covenants occurring, so as to avoid a situation where damages for **WOODY'S Q SHACK'S** default may accrue.

26. **TRANSFER OF LIQUOR LICENSE UPON TERMINATION OR SURRENDER:**

Upon termination of this Lease or surrender of the Premises, **WOODY'S Q SHACK** shall use its best efforts to transfer the liquor license for the Premises back to **CLUB**. **CLUB** shall pay the fees and costs for such transfer.

27. **BANKRUPTCY:** This Lease is made by and between the parties hereto with the express understanding and agreement that, in the event the **WOODY'S Q SHACK** becomes insolvent, or is declared bankrupt, then, in either event, **CLUB** may declare this Lease ended, and all rights to **WOODY'S Q SHACK** hereunder shall thereupon terminate and cease.

28. **SIGNAGE: WOODY'S Q SHACK** may, at its own risk and expense, erect or place in a lawful manner signs concerning its businesses on the Premises. **WOODY'S Q SHACK** may, additionally, maintain two off-Premises signs, one sign at the Golf Course entry marker at the entry on North River Road, and one sign in the Women's No. 8 tee box area to advertise the menu to golfers on the course. Sign size, design, content, and location will be mutually agreed upon by **WOODY'S Q SHACK** and **CLUB**, and shall in all events comply with Alamosa's sign ordinance. **WOODY'S Q SHACK** shall maintain such signs in a good state of repair, and shall repair any damage that may have been done to the Premises by the erection, existence, maintenance, or removal of such signs. **WOODY'S Q SHACK** shall indemnify **CLUB** against any loss, costs, or damages resulting from the erection, maintenance, existence, or removal of such signs. At the end of the lease term or any renewal thereof, **WOODY'S Q SHACK** shall remove the sign at its expense.

29. **BINDING EFFECT.** The provisions of this Lease shall apply to and bind the successors, heirs, legal representatives, and permitted assigns of the parties hereto. No Third parties are intended to acquire nor shall be deemed to have acquired any rights by virtue of this lease.

30. **NOTICES.** All notices hereunder to the respective parties shall be in writing and shall be served by prepaid registered or certified mail, or by personal delivery, addressed to the respective parties at the following addresses or such other address of which notice in writing may have been delivered:

If to **WOODY'S Q SHACK:**

2830 S County Rd. 3E
Monte Vista, Colorado 81144

If to **CLUB:**

6615 River Drive
Alamosa, Colorado 81101

If to **CITY:**

City Manager
City of Alamosa
PO Box 419
Alamosa, CO 81101

Any such notice to a party shall be deemed to be given and effective five days after such notice has been deposited in the United States Mail addressed as aforesaid or when personally delivered to and received by the specified parties.

31. **CONSTRUCTION.** This Lease shall, in all cases, be construed as a whole according to its fair meaning and not strictly for or against any party. This Lease and any and all documents executed pursuant hereto shall be construed and enforced in accordance with the laws of the State of Colorado. Each of the undersigned parties and their counsel have participated in the preparation of this Lease and the rule of construction to the effect that any ambiguities are to be resolved against the drafting party shall not be employed in the interpretation of this Lease. Words used in the singular herein shall include the plural, and words used in the plural shall include the singular.

32. **TIME.** Time is of the essence for each term and provision of this Lease.

33. **EFFECTIVENESS OF WAIVERS.** No waiver of any of the provisions of this Lease shall be effective unless in writing and signed by the party to be charged with such waiver. No waiver shall be deemed a continuing waiver or waiver in respect of any subsequent breach or default, whether of a similar or dissimilar nature, unless expressly so stated in writing.

34. **SURVIVAL OF PROVISIONS.** All representations and warranties and all unperformed obligations of the parties hereto herein stated shall survive the execution of this Lease and all parties shall remain bound by this Lease until all of their respective obligations hereunder have been completely performed.

35. **HEADINGS.** The headings or captions under sections of this Lease are for convenience and reference only, and do not form a part hereof, and do not in any way modify, interpret or construe the intention of the parties or affect any of the provisions of this Lease.

36. **SEVERABILITY.** If any provision of this Lease or the application thereof, to any extent, be held invalid or unenforceable, the remainder of this Lease and the application thereof, other than those provisions as to which it shall have been held invalid or unenforceable, shall not be affected thereby and shall continue in full force and effect and shall be enforceable to the fullest extent permitted at law or in equity.

37. **ENTIRE LEASE.** It is expressly agreed by and between the parties as a material consideration for the execution of this Lease that all agreements, covenants, representations, and warranties, expressed or implied, oral or written, of the parties hereto concerning the subject matter hereof are contained herein and the same shall survive closing and shall not be merged thereby. Except as expressly contained in this Lease, no other agreements, covenants, representations, or warranties, express or implied, oral or written, have been made by any party

hereto to the other concerning the subject matter hereof. It is likewise agreed that neither this Lease nor any of the terms provisions, conditions, representations, or covenants herein contained can be modified, changed, terminated, amended, superseded, waived or extended except by an appropriate written instrument duly executed by the parties.

38. **REQUISITE AUTHORITY.** All parties warrant that they have the legal authority to enter into this Lease and to execute all related documents. Both parties warrant to the other party that the entering into of this Lease and all related documents does not violate and is within the scope of its articles of organization, operating agreement, articles of incorporation, bylaws, and all other governing documents, and does not violate any agreement or instrument to which it is bound as a party or any statute, rule or regulation.

IN WITNESS WHEREOF, the parties hereto have hereunto set their hand and seals the day and year first above written.

ALAMOSA CITY COUNCIL COUNCIL COMMUNICATION

Subject/Title:

First Reading, Ordinance No. 20-2018, an ordinance amending Chapter 21 of *The Code of Ordinances of The City of Alamosa* to clarify provisions related to wireless telecommunications facilities and to adjust limitations on multiple use wireless communications facilities.

Recommended Action:

Approve Ordinance No. 20-2018 on first reading and set for public hearing on July 18, 2018, at 7:00 p.m. or as soon thereafter as the matter may be heard.

Background:

Alamosa recently adopted its Uniform Development Code, and in doing so carried through certain limitations on the placement of wireless telecommunications facilities. However, the provisions on telecommunications facilities incorporated into the Uniform Development Code do not adequately address spacing, public safety, and aesthetic concerns particular to the developing small cell or 5G technology. A redline document showing the changes to the existing wireless telecommunications provisions is included with the materials.

Alamosa has not yet experienced development of small cell technology within the city, but such development should proceed in a fashion consistent with public safety and the aesthetics of Alamosa. At the same time, the City wishes to accommodate the development of wireless telecommunications capability within the city. This Ordinance is modeled on the ordinance developed by the City of Centennial, featured in a recent CML newsletter article, and other cities on the front range. Centennial worked extensively with provider stakeholders in the development of its ordinance. Staff has solicited comments from AT&T, Verizon, and Viaero on this proposed ordinance. A copy of the comments received by AT&T is attached. Staff believes the limitations set forth in this Ordinance generally comport with the concerns expressed by those stakeholders.

As a housekeeping matter, this Ordinance also changes the title of Chapter 21 from “Zoning” to “Uniform Development Code.”

Issue Before the Council:

Does Council wish to approve the recommended changes to the *Code of Ordinances of the City of Alamosa* embodied in Ordinance No.20-2018?

Alternatives:

- (1) Approve Ordinance No. 20-2018 on first reading and set for public hearing on July 18 2018.
- (2) Approve Ordinance No. 15-2018 with changes, such as to the spacing requirements or the height limitations for 5G facilities.
- (3) Decline to approve Ordinance No. 20-2018.

Fiscal Impact:

None.

Legal Opinion:

City Attorney will be available to discuss any legal issues pertaining to the ordinance.

Conclusion:

This ordinance gets out in front of potential changes to the way wireless telecommunications are developed in the City, in an attempt to balance aesthetic and safety concerns with expansion and densification of wireless networks.

ORDINANCE NO. 20-2018

AN ORDINANCE AMENDING CHAPTER 21 OF THE *CODE OF ORDINANCES OF THE CITY OF ALAMOSA* TO CLARIFY PROVISIONS RELATED TO WIRELESS TELECOMMUNICATIONS FACILITIES AND TO ADJUST LIMITATIONS ON MULTIPLE USE WIRELESS COMMUNICATIONS FACILITIES

WHEREAS, the City of Alamosa recently adopted its Uniform Development Code, and in doing so carried through certain limitations on the placement of wireless telecommunications facilities; and

WHEREAS, the provisions on telecommunications facilities incorporated into the Uniform Development Code do not adequately address spacing, public safety, and aesthetic concerns particular to the developing small cell or 5g technology; and

WHEREAS, Alamosa has not yet experienced development of small cell technology within the City, but desires such development to proceed in a fashion consistent with public safety and the aesthetics of Alamosa; and

WHEREAS, when the Uniform Development Code was codified, replacing the prior Chapter 21 of the *Code of Ordinances of the City of Alamosa*, the title of the Chapter was not changed to reflect the increased scope of the Code, and should be,

NOW THEREFORE BE IT ORDAINED by the City Council of Alamosa as follows:

Section 1. Amendment of Title of Chapter 21. The Title of Chapter 21 of the *Code of Ordinances of the City of Alamosa* shall be changed from “Chapter 21 – Zoning” to “Chapter 21 – Uniform Development Code.”

Section 2. Added Definition: Section 21-11-203 of the *Code of Ordinances of the City of Alamosa* is amended to add the following definition at the alphabetically appropriate location:

TELECOMMUNICATION TOWER means a support structure for wireless telecommunications facilities the primary purpose of which is for such wireless telecommunications use rather than for another purpose (such as buildings, flagpoles, church steeples, cupolas, ball field lights, water towers, etc.). In the context of wireless telecommunications facilities, support structures whose primary use is a purpose other than wireless telecommunications are referred to as multiple-use facilities.

Section 3. Permitting Requirement. Section 21-4-601 is amended to add a new subsection (d) as follows, with the remaining original subsection (d) renumbered as subsection (e):

(d) *Permitting.* All applications for the installation, expansion, or modification of wireless telecommunication facilities must receive permits prior to installation. Approval procedures are set forth in section 21-8-521. Minor modifications that do not substantially change the size or

appearance of the facility may be approved by the Administrator on application forms developed by the Administrator. For purposes of this subsection (d), a “substantial change” is defined as follows:

Substantial Change. A modification substantially changes the physical dimensions of a support structure if it meets any of the following criteria:

- i. For Telecommunications Towers, it increases the height of the tower by more than 10% or by the height of one additional antenna array with separation from the nearest existing antenna not to exceed twenty feet, whichever is greater; for other eligible support structures, it increases the height of the structure by more than 10% or more than ten feet, whichever is greater;
- ii. For Telecommunications Towers, it involves adding an appurtenance to the body of the tower that would protrude from the edge of the tower more than twenty feet, or more than the width of the Tower structure at the level of the appurtenance, whichever is greater; for other eligible support structures, it involves adding an appurtenance to the body of the structure that would protrude from the edge of the structure by more than six feet;
- iii. For any support structure, it involves installation of more than the standard number of new equipment cabinets for the technology involved, but not to exceed four cabinets; or it involves installation of any new equipment cabinets on the ground if there are no pre-existing ground cabinets associated with the structure, or else involves installation of ground cabinets that are more than 10% larger in height or overall volume than any other ground cabinets associated with the structure;
- iv. It entails any excavation or deployment outside the current site;
- v. It would defeat the concealment elements of the eligible support structure; or
- vi. It does not comply with conditions associated with the siting approval of the construction or modification of the tower or multiple use facility, provided however that this limitation does not apply to any modification that is non-compliant only in a manner that would not exceed the thresholds identified in paragraphs (i)-(iv) of this section.

Section 4. Amendment of Section 21-4-603.

(a) Section 21-4-603(a)(1) is amended to add the word “Telecommunications” in front of Towers, so that the section reads “*Prohibited locations.* Telecommunications Towers are not allowed in the following locations. . .”

(b) A new subsection g. is added to Section 21-4-603(a)(1) to read as follows:

g. In a public right of way within 600 feet of any other Telecommunications Tower.

(c) the phrase “telecommunications towers” is capitalized to “Telecommunications Towers” where that phrase is found in subsections (c) and (d) of Section 21-4-603.

Section 5. Amendment of Section 21-4-604(a). Section 21-4-604(a) is amended to delete the word “paint” such that the reference at the end of the general section (a) is to “color selection” rather than “paint color selection.”

Section 6. Amendment of Section 21-4-604(b)(1). Section 21-4-604(b)(1) is amended to read in its entirety as follows:

(1) The maximum height of building-mounted wireless telecommunications facilities that are located on a rooftop is Ten (10) feet above the highest portion of the roof.

Section 7. Amendment of Section 21-4-604(b)(2)c. Section 21-4-604(b)(2)c is amended to read as follows:

c. No more ten (10) feet above the top of the structure.

Section 8. Addition of new subsection 21-4-604(d). A new subsection 21-4-604(d) is added to read as follows:

(d) *Distance restrictions in public rights of way.*

(1) *In general.* No multiple-use support structure for wireless telecommunications facilities may be installed within the public right of way in the same block as any other wireless telecommunications facility support structure in the public right of way. This limitation shall not apply to multiple use facilities that replace an existing traffic signal, street light pole, or similar structure, as determined by the Administrator.

(2) *Residential Areas.* When placed adjacent to a residential zoned property, the facility shall be placed within five feet of the common side yard property line between adjoining residential properties. In the case of a corner lot, the facility shall be placed within five feet of the common side yard property line between adjoining residential properties or on the corner formed by two intersecting streets.

Section 9. Addition of new subsection 21-4-604.5. A new subsection 21-4-604.5 is added to read as follows:

Sec. 21-4-604.5. Equipment location limits in public rights of way.

(1) Undergrounding. All ground based equipment shall be installed in the facility itself or in an underground or partially underground equipment vault (projecting not more than 36 inches above grade), or co-located within a traffic cabinet of a design approved by the Administrator, unless a waiver is obtained from the Administrator based on unique circumstances of the particular location that cannot reasonably accommodate such underground installation.

(2) *Public Safety.* Any ground mounted equipment shall be located in a manner necessary to address both public safety and aesthetic concerns in the reasonable discretion of the Administrator. The applicant shall demonstrate that the vertical infrastructure to which any equipment is fastened to can safely support such equipment.

(3) *Sidewalk Clearance.* Any encroachment on a sidewalk shall maintain a minimum clearance of eight feet vertically and horizontally of unobstructed pedestrian way. The requirements of this paragraph may be modified by the Administrator if reasonable passage is provided on the sidewalk and the safety of pedestrians, bicyclists and motorists is not impaired.

(4) *Unreasonable Interference with Traffic and Parking Prohibited.* Wireless telecommunications facilities in the public right of way shall not alter vehicular circulation or parking within the right-of-way or impede vehicular, bicycle or pedestrian access or visibility along the right-of-way. All equipment installations shall comply with the Americans With Disabilities Act and every other local, state and federal law and regulation. No wireless telecommunication facility may be located or maintained in a manner that causes unreasonable interference. Unreasonable interference means any use of the right-of-way that disrupts or interferes with its use by the city, the general public or other persons authorized to use or be present upon the right-of-way, when there exists an alternative that would result in less disruption or interference. Unreasonable interference includes any use of the right-of-way that disrupts vehicular or pedestrian traffic, any interference with public utilities and any other activity that will present a hazard to public health, safety or welfare.

(5) *Exclusion of Competitors Prohibited.* No wireless telecommunication facility owner or lessee shall act to exclude or to attempt to exclude any other competitor from using the same structure for the location of other antennas.

Section 10. General Repealer. All other acts, orders, ordinances, resolutions, or portions thereof in conflict with the sections adopted in this Ordinance, are hereby repealed to the extent of such conflict.

Section 11. Recording and Authentication. This ordinance, immediately upon its passage, shall be authenticated by the signatures of the Mayor and City Clerk, recorded in the City book of Ordinances kept for that purposes, and published according to law.

Section 12. Publication and Effective Date. This ordinance shall take effect ten (10) days after publication following final passage. Publication both before and after final passage shall be by the title of this ordinance, which Council determines constitutes a sufficient summary of the ordinance, together with the statement that the full text of the ordinance is available for public inspection and acquisition on the City's website and in the office of the City Clerk.

Section 13. Declaration of Public Interest. This ordinance is necessary to preserve the peace, health, safety, welfare, and to serve the best interest of the citizens of the City of Alamosa, Colorado.

INTRODUCED, READ AND APPROVED on first reading the 27th day of June, 2018, and ordered published by title and reference as provided by law with notice of a public hearing to be held for consideration of the adoption of said ordinance on the 18th day of July, 2018, at 7:00 p.m., or as soon thereafter as the matter may be heard, or on such subsequent date to which the public hearing or Council consideration may be continued.

APPROVED, AND ADOPTED after public hearing the 18th day of July, 2018.

CITY OF ALAMOSA

By _____
Ty Coleman, Mayor

ATTEST:

Holly C. Martinez, City Clerk

DIVISION 4-6. - WIRELESS TELECOMMUNICATIONS FACILITIES

Sec. 21-4-601. - Purpose and applicability of division.

- (a) *Purpose.* The unique and diverse landscapes of the city are among its most valuable assets. Protecting these assets requires that wireless telecommunications facilities and related equipment be designed and sited in a manner that is sensitive to, and in scale and harmony with, the character of the community. As such, the purpose of this division is to provide design standards specific to wireless telecommunications facilities in order to ensure their compatibility with the surrounding environment and existing and anticipated development patterns.
- (b) *Intent.*
 - (1) These regulations are intended to provide predictable, consistent, and balanced standards for the siting and screening of wireless telecommunications facilities and related equipment on private property within the city, in order to:
 - a. Preserve the character and aesthetics of areas that are in close proximity to wireless telecommunications facilities and related equipment by minimizing the visual, aesthetic, and safety impacts of such facilities and equipment through careful design, siting, screening, and placement;
 - b. Protect the health, safety, and welfare of persons living, recreating, or working in the area surrounding wireless telecommunications facilities and related equipment, as they relate to the placement, construction, or modification of such facilities;
 - c. Provide development that is compatible in appearance with allowed uses of the underlying zone;
 - d. Ensure that the city does not unreasonably discriminate among providers of functionally equivalent services or prohibit or have the effect of prohibiting the provision of personal wireless services;
 - e. Encourage co-location and clustering of antenna sites and structures, when practical, to help reduce the number of such facilities that may be required in the future to service the needs of customers, and thus avert unnecessary proliferation of facilities and related equipment; and
 - f. Ensure the timely processing of applications for insubstantial changes to existing wireless telecommunications facilities (See section 21-8-521 for approval procedures).
 - (2) It is not the intent of these regulations to regulate the placement, construction, or modification of wireless telecommunications facilities on the basis of the environmental effects of radio frequency emissions to the extent that such facilities comply with the Federal Communications Commission's regulations concerning such emissions.
- (c) *Applicability.*
 - (1) This division applies to wireless telecommunications facilities and related equipment related to cellular telephone, paging, enhanced specialized mobile radio ("ESMR"), personal communication services ("PCS"), commercial mobile radio service ("CMRS"), and other commercial wireless telecommunication devices, including facilities and equipment that are affixed to the ground or buildings, and all associated structures and equipment such as transmitters, antennas, monopole antennas, towers, masts, microwave dishes, cabinets, and equipment rooms.
 - (2) This division does not apply to facilities that are regulated by section 21-4-510, satellite dishes and antennae.
- (d) *Permitting.* All applications for the installation, expansion, or modification of wireless telecommunication facilities must receive permits prior to installation. Approval procedures are set

forth in section 21-8-521. Minor modifications that do not materially change the size or appearance of the facility may be approved by the Administrator on application forms developed by the Administrator. For purposes of this subsection (d), a “substantial change” is defined as follows:

Substantial Change. A modification substantially changes the physical dimensions of a support structure if it meets any of the following criteria:

- i. For Telecommunications Towers, it increases the height of the tower by more than 10% or by the height of one additional antenna array with separation from the nearest existing antenna not to exceed twenty feet, whichever is greater; for other eligible support structures, it increases the height of the structure by more than 10% or more than ten feet, whichever is greater;
- ii. For Telecommunications Towers, it involves adding an appurtenance to the body of the tower that would protrude from the edge of the tower more than twenty feet, or more than the width of the Tower structure at the level of the appurtenance, whichever is greater; for other eligible support structures, it involves adding an appurtenance to the body of the structure that would protrude from the edge of the structure by more than six feet;
- iii. For any support structure, it involves installation of more than the standard number of new equipment cabinets for the technology involved, but not to exceed four cabinets; or it involves installation of any new equipment cabinets on the ground if there are no pre-existing ground cabinets associated with the structure, or else involves installation of ground cabinets that are more than 10% larger in height or overall volume than any other ground cabinets associated with the structure;
- iv. It entails any excavation or deployment outside the current site;
- v. It would defeat the concealment elements of the eligible support structure; or
- vi. It does not comply with conditions associated with the siting approval of the construction or modification of the tower or multiple use facility, provided however that this limitation does not apply to any modification that is non-compliant only in a manner that would not exceed the thresholds identified in paragraphs (i)-(iv) of this section.

- (e) *Conditions and limitations.* Approval by the city of a wireless telecommunications facility or related equipment application is an approval of the land use only, and shall not be construed to waive any other applicable zoning or building regulations.

(Ord. No. [33-2017](#), § 1, 12-6-17)

Sec. 21-4-602. - Site selection standards.

- (a) Wireless telecommunications facilities shall, in accordance with the requirements of this UDC, be located in the following order of preference:
- (1) First, the facilities shall be co-located with existing or approved wireless telecommunications facilities ("co-location priority"); or installed on existing approved structures that are (or will be)

principally used for other purposes (e.g., buildings, flagpoles, church steeples, cupolas, ball field lights, water towers, etc.) ("multiple-use facility priority");

- (2) Second, in locations where existing topography, vegetation, buildings or other structures provide the greatest amount of screening; and
 - (3) Last, on vacant ground or highly visible sites without significant visual mitigation and where screening or buffering is difficult.
- (b) The co-location priority and multiple-use facility priority locations (collectively, "first priority locations") may be waived by the Administrator or other decision making authority upon a showing that:
- (1) Federal or state regulations prohibit the installation of the wireless telecommunications facility in the first priority locations;
 - (2) The proposed wireless telecommunications facility would interfere with the current uses of the first priority locations;
 - (3) The proposed wireless telecommunications facility, if installed in the first priority locations, would materially interfere with surrounding property or uses;
 - (4) The owners of the first priority locations will not agree to reasonable terms;
 - (5) No available first priority location is appropriate for the proposed wireless telecommunications facility due to its physical characteristics or capacity to provide the desired service from the first priority locations; or
 - (6) Installation of the proposed wireless telecommunications facility in the first priority locations is not in the best interest of the public health, safety or welfare.

(Ord. No. [33-2017](#), § 1, 12-6-17)

Sec. 21-4-603. - Telecommunications Towers.

(a) *Location and form.*

- (1) *Prohibited locations.* Telecommunications Towers are not allowed in the following locations:
 - a. Residential zones, and any location within one hundred (100) feet of a residential zone boundary.
 - b. The CBD zone.
 - c. The area within two hundred (200) feet of the centerline of Highway 160.
 - d. The area within two hundred (200) feet of the centerline of Highway 285 South.
 - e. The area bounded by the railroad tracks, Highway 285 South, and Highway 160.
 - f. The area within two hundred (200) feet of the centerline of Highway 17.
 - g. In a public right of way within 600 feet of any other Telecommunications Tower.

- (2) *Prohibited forms.* Guyed mast towers are prohibited.

- (b) *Maximum height.* The maximum tower height by zone is set out in Table 21-4-603(b), Maximum Tower Height by Zone.

Table 21-4-603(b) MAXIMUM TOWER HEIGHT BY ZONE

	Zone						
Standard	Residential Zones	MU	CB	I	CBD	CA	A
Maximum Height	Not Allowed	100 ft.	100 ft.	100 ft.	Not Allowed	100 ft.	150 ft.

- (c) *Design for concealment.* New Telecommunications Towers shall be designed insofar as practicable to conceal their presence or intended use. Design plans shall call out all design or location elements that tend to conceal the presence or intended use of the tower (e.g., limitation of height to tree line, color or material specifications, "stealth" features such as artificial tree limbs, or other contextual or physical features).
- (d) *Design for co-location.* New Telecommunications Towers shall be designed to provide for co-location of other wireless telecommunications facilities or equipment by structurally "overbuilding" in order to handle the loading demands of additional antennas.
- (e) *Co-location of additional facilities.* Facilities that are proposed for co-location on an existing tower shall not reduce the effectiveness of any concealment techniques that applied to the existing tower when it was constructed.

(Ord. No. [33-2017](#), § 1, 12-6-17)

Sec. 21-4-604. - Multiple-use facilities.

- (a) *Generally.* All wireless telecommunications facilities (including co-located facilities) that are mounted on multiple-use facilities, and related equipment (whether installed on the roof or on the ground), shall be concealed from view from adjacent and nearby public rights-of-way and property (whether public or private) by color selection and either:
 - (1) Camouflage (e.g., the facility appears to be an integrated part of the architecture of the building or the function of the structure, such that its presence is not obvious); or
 - (2) Physical barriers such as:
 - a. Parapet walls, screen walls, or architectural or structural elements (e.g., steeples, cupolas, belfries, chimneys, towers, turrets,) that are compatible with the building or structure's design in terms of color, materials, or texture; or
 - b. Fencing, landscaping or berming that is compatible with the site's overall design.
- (b) *Height.*
 - (1) The maximum height of building-mounted wireless telecommunications facilities that are located on a rooftop is Ten (10) feet above the highest portion of the roof.
 - (2) The maximum height of building-mounted wireless telecommunications facilities that are located on a building wall, or of structure-mounted (e.g., flagpoles, light poles, water towers, and comparable structures) wireless telecommunications facilities, is:
 - a. The top of the parapet for a building with a flat-roofed system; or
 - b. The eave line above the equipment for a building with a sloped-roof system; or

c. No more than ten (10) feet above the top of the structure.

(c) *Setbacks and step-backs.*

- (1) Building-mounted antennae and related equipment shall be set back the same distances that are required for principal buildings.
- (2) Roof-mounted antennae shall be stepped back from the parapet wall one (1) foot for each foot in height between the roof surface and the top of the antenna.

(d) *Distance restrictions in public rights of way.*

(1) *In general.* No multiple-use support structure for wireless telecommunications facilities may be installed within the public right of way in the same block as any other wireless telecommunications facility support structure in the public right of way. This limitation shall not apply to multiple use facilities that replace an existing traffic signal, street light pole, or similar structure, as determined by the Administrator.

(2) *Residential Areas.* When placed adjacent to a residential zoned property, the facility shall be placed within five feet of the common side yard property line between adjoining residential properties. In the case of a corner lot, the facility shall be placed within five feet of the common side yard property line between adjoining residential properties or on the corner formed by two intersecting streets.

Sec. 21-4-604.5. Equipment location limits in public rights of way.

(1) *Undergrounding.* All ground based equipment shall be installed in the facility itself or in an underground or partially underground equipment vault (projecting not more than 36 inches above grade), or co-located within a traffic cabinet of a design approved by the Administrator, unless a waiver is obtained from the Administrator based on unique circumstances of the particular location that cannot reasonably accommodate such underground installation.

(2) *Public Safety.* Any ground mounted equipment shall be located in a manner necessary to address both public safety and aesthetic concerns in the reasonable discretion of the Administrator. The applicant shall demonstrate that the vertical infrastructure to which any equipment is fastened to can safely support such equipment.

(3) *Sidewalk Clearance.* Any encroachment on a sidewalk shall maintain a minimum clearance of eight feet vertically and horizontally of unobstructed pedestrian way. The requirements of this paragraph may be modified by the Administrator if reasonable passage is provided on the sidewalk and the safety of pedestrians, bicyclists and motorists is not impaired.

(4) *Unreasonable Interference with Traffic and Parking Prohibited.* Wireless telecommunications facilities in the public right of way shall not alter vehicular circulation or parking within the right-of-way or impede vehicular, bicycle or pedestrian access or visibility along the right-of-way. All equipment installations shall comply with the Americans With Disabilities Act and every other

local, state and federal law and regulation. No wireless telecommunication facility may be located or maintained in a manner that causes unreasonable interference. Unreasonable interference means any use of the right-of-way that disrupts or interferes with its use by the city, the general public or other persons authorized to use or be present upon the right-of-way, when there exists an alternative that would result in less disruption or interference. Unreasonable interference includes any use of the right-of-way that disrupts vehicular or pedestrian traffic, any interference with public utilities and any other activity that will present a hazard to public health, safety or welfare.

(5) *Exclusion of Competitors Prohibited.* No wireless telecommunication facility owner or lessee shall act to exclude or to attempt to exclude any other competitor from using the same structure for the location of other antennas.

(Ord. No. [33-2017](#), § 1, 12-6-17)

Sec. 21-4-605. - Lighting and signage.

- (a) *Generally.* In addition to other applicable sections of the city Code regulating signage or outdoor lighting, the standards of this section apply to wireless telecommunications facilities and related equipment.
- (b) *Lighting.* Telecommunications towers and tower-mounted wireless telecommunications facilities and related equipment shall not be illuminated, unless such illumination is required by state or federal regulations. Wireless telecommunications facilities (except towers and tower-mounted facilities), including accessory buildings and equipment, may be illuminated as provided in division 4, lighting.
- (c) *Signage.* The display of any sign other than as required by law as to public safety warnings, licenses, certifications, or other required seals on any wireless communications facility or related equipment is prohibited. Emergency contact telephone numbers shall be posted:
 - (1) On each wireless telecommunications facility; or
 - (2) In the case of tower-mounted facilities, at the base of the tower or on each gate if the tower is enclosed by a security fence.
- (d) *Access.*
 - (1) Access to and from wireless telecommunications facilities and related equipment shall comply with all applicable building code requirements.
 - (2) No wireless telecommunications facility shall be located in a required parking, maneuvering, or vehicle or pedestrian circulation area such that it interferes with or in any way impairs the intent or functionality of the area for such parking or circulation.
 - (3) Wireless telecommunications facilities shall be secured from access by the general public, but access for emergency services must be provided. Access roads shall be capable of supporting all potential emergency response vehicles and equipment.
 - (4) Any easements required for ingress and egress and for electrical and telephone shall be recorded at the county clerk and recorder's office prior to the issuance of building permits.

(Ord. No. [33-2017](#), § 1, 12-6-17)

Sec. 21-4-606. - Maintenance, abandonment, and removal.

- (a) *Maintenance.* All towers, antennas, related facilities and equipment, and the subject property shall be maintained in a safe and clean condition in accordance with project approvals and building codes. The operator or property owner shall be responsible for maintaining the subject property and its improvements free from graffiti, debris, and litter. All towers, antennas and related facilities shall be subject to periodic inspection by the city to ensure continuing compliance with all conditions of approval and requirements of this section.
- (b) *Abandonment and removal.* All required approvals shall be in effect only so long as the antennas and other structures are operated on the subject property. Facilities that are not in use for one hundred eighty (180) consecutive days for personal wireless services purposes shall be considered abandoned and shall be removed by the facility owner within forty-five (45) days of the one hundred eightieth (180th) consecutive day of non-use. Following removal, the subject property shall be restored to the condition it was in prior to the installation or construction of the facility. Such removal shall be carried out in accordance with applicable health and safety requirements.

(Ord. No. [33-2017](#), § 1, 12-6-17)

DIVISION 4-6. - WIRELESS TELECOMMUNICATIONS FACILITIES

Sec. 21-4-601. - Purpose and applicability of division.

- (a) *Purpose.* The unique and diverse landscapes of the city are among its most valuable assets. Protecting these assets requires that wireless telecommunications facilities and related equipment be designed and sited in a manner that is sensitive to, and in scale and harmony with, the character of the community. As such, the purpose of this division is to provide design standards specific to wireless telecommunications facilities in order to ensure their compatibility with the surrounding environment and existing and anticipated development patterns.
- (b) *Intent.*
 - (1) These regulations are intended to provide predictable, consistent, and balanced standards for the siting and screening of wireless telecommunications facilities and related equipment on private property within the city, in order to:
 - a. Preserve the character and aesthetics of areas that are in close proximity to wireless telecommunications facilities and related equipment by minimizing the visual, aesthetic, and safety impacts of such facilities and equipment through careful design, siting, screening, and placement;
 - b. Protect the health, safety, and welfare of persons living, recreating, or working in the area surrounding wireless telecommunications facilities and related equipment, as they relate to the placement, construction, or modification of such facilities;
 - c. Provide development that is compatible in appearance with allowed uses of the underlying zone;
 - d. Ensure that the city does not unreasonably discriminate among providers of functionally equivalent services or prohibit or have the effect of prohibiting the provision of personal wireless services;
 - e. Encourage co-location and clustering of antenna sites and structures, when practical, to help reduce the number of such facilities that may be required in the future to service the needs of customers, and thus avert unnecessary proliferation of facilities and related equipment; and
 - f. Ensure the timely processing of applications for wireless telecommunications facilities (See section 21-8-521 for approval procedures).
 - (2) It is not the intent of these regulations to regulate the placement, construction, or modification of wireless telecommunications facilities on the basis of the environmental effects of radio frequency emissions to the extent that such facilities comply with the Federal Communications Commission's regulations concerning such emissions.
- (c) *Applicability.*
 - (1) This division applies to wireless telecommunications facilities and related equipment related to cellular telephone, paging, enhanced specialized mobile radio ("ESMR"), personal communication services ("PCS"), commercial mobile radio service ("CMRS"), and other commercial wireless telecommunication devices, including facilities and equipment that are affixed to the ground or buildings, and all associated structures and equipment such as transmitters, antennas, monopole antennas, towers, masts, microwave dishes, cabinets, and equipment rooms.
 - (2) This division does not apply to facilities that are regulated by section 21-4-510, satellite dishes and antennae.

(d) *Permitting.* All applications for the installation, expansion, or modification of wireless telecommunication facilities must receive permits prior to installation. Approval procedures are set forth in section 21-8-521.

(e) *Conditions and limitations.* Approval by the city of a wireless telecommunications facility or related equipment application is an approval of the land use only, and shall not be construed to waive any other applicable zoning or building regulations.

(Ord. No. [33-2017](#), § 1, 12-6-17)

Sec. 21-4-602. - Site selection standards.

- (a) Wireless telecommunications facilities shall, in accordance with the requirements of this UDC, be located in the following order of preference:
- (1) First, the facilities shall be co-located with existing wireless telecommunications facilities ("co-location priority"); or installed on existing approved structures that are (or will be) principally used for other purposes (e.g., buildings, flagpoles, church steeples, cupolas, ball field lights, water towers, etc.) ("multiple-use facility priority");
 - (2) Second, in locations where existing topography, vegetation, buildings or other structures provide the greatest amount of screening; and
 - (3) Last, on vacant ground or highly visible sites without significant visual mitigation and where screening or buffering is difficult.
- (b) The co-location priority and multiple-use facility preference locations (collectively, "first preferred locations") may be waived by the Administrator or other decision making authority upon a showing that:
- (1) Federal or state regulations prohibit the installation of the wireless telecommunications facility in the first preferred locations;
 - (2) The proposed wireless telecommunications facility would interfere with the current uses of the first preferred locations;
 - (3) The proposed wireless telecommunications facility, if installed in the first preferred location, would materially interfere with surrounding property or uses;
 - (4) The owners of the first preferred locations will not agree to reasonable terms;
 - (5) No available first preferred location is appropriate for the proposed wireless telecommunications facility due to its physical characteristics or capacity to provide the desired service from the first preferred locations; or
 - (6) Installation of the proposed wireless telecommunications facility in the first preferred locations is not in the best interest of the public health, safety or welfare.

(Ord. No. [33-2017](#), § 1, 12-6-17)

Sec. 21-4-603. - Telecommunications Towers.

(a) *Location and form.*

- (1) *Prohibited locations.* Telecommunications Towers are not allowed in the following locations:
 - a. Sites located within one hundred (100) feet of a residential zone shall be camouflaged.
 - b. The CBD zone.

c.

g. In a public right of way within 600 feet of any other Telecommunications Tower.

(2) *Prohibited forms.* Guyed mast towers are prohibited.

(b) *Maximum height.* The maximum tower height by zone is set out in Table 21-4-603(b), Maximum Tower Height by Zone.

Table 21-4-603(b) MAXIMUM TOWER HEIGHT BY ZONE							
	Zone						
Standard	Residential Zones	MU	CB	I	CBD	CA	A
Maximum Height	Not Allowed	100 ft.	100 ft.	100 ft.	Not Allowed	100 ft.	150 ft.

(c) *Design for concealment.* New Telecommunications Towers shall be designed insofar as practicable to conceal their presence or intended use. Design plans shall call out all design or location elements that tend to conceal the presence or intended use of the tower (e.g., , color or material specifications, "stealth" features such as artificial tree limbs, or other contextual or physical features).

(d) *Design for co-location.* New Telecommunications Towers shall be designed to provide for co-location of other wireless telecommunications facilities or equipment by structurally "overbuilding" in order to handle the loading demands of additional antennas.

(e)

(Ord. No. [33-2017](#), § 1, 12-6-17)

Sec. 21-4-604. - Multiple-use facilities.

(a) *Generally.* All wireless telecommunications facilities (including co-located facilities) that are mounted on multiple-use facilities, and related equipment (whether installed on the roof or on the ground), shall be concealed from view from adjacent and nearby public rights-of-way and property (whether public or private) by color selection and either:

(1) Camouflage (e.g., the facility appears to be an integrated part of the architecture of the building or the function of the structure, such that its presence is not obvious); or

(2) Physical barriers such as:

a. Parapet walls, screen walls, or architectural or structural elements (e.g., steeples, cupolas, belfries, chimneys, towers, turrets,) that are compatible with the building or structure's design in terms of color, materials, or texture; or

b. Fencing, landscaping or berming that is compatible with the site's overall design.

(b) *Height.*

(1) The maximum height of building-mounted wireless telecommunications facilities that are located on a rooftop is:

- a. Antennae: ten (10) feet above the highest portion of the roof; or
 - b. Whip antennae: Ten (10) feet above the highest portion of the roof.
- (2) The maximum height of building-mounted wireless telecommunications facilities that are located on a building wall, or of structure-mounted (e.g., flagpoles, light poles, water towers, and comparable structures) wireless telecommunications facilities, is:
 - a. The top of the parapet for a building with a flat-roofed system; or
 - b. The eave line above the equipment for a building with a sloped-roof system; or
 - c. No more than (i) ten feet in height above the tallest existing Utility Pole in place as of the effective date of this Act located within 500 feet of the new pole in the same ROW; or (ii) 50 feet above ground level. New Small Wireless Facilities in the ROW may not extend (i) more than ten feet above an existing Utility Pole in place as of the effective date of this Act; or (ii) for Small Wireless Facilities on a new Utility Pole, above the height permitted for a new Utility Pole under this Section. A Wireless Provider shall have the right to collocate a Small Wireless Facility and install, maintain, modify, operate and replace a Utility Pole that exceeds these height limits along, across, upon and under the ROW, subject to applicable zoning regulations.
- (c) *Setbacks and step-backs.*
 - (1) Building-mounted antennae and related equipment shall be set back the same distances that are required for principal buildings.
 - (2) Roof-mounted antennae shall be stepped back from the parapet wall one (1) foot for each foot in height between the roof surface and the top of the antenna.
- (d) *Distance restrictions in public rights of way.*

(1) *In general.* No multiple-use support structure for wireless telecommunications facilities may be installed within the public right of way unless it is at least 250 feet from all other wireless telecommunications facility support structure in the public right of way. This limitation shall not apply to multiple use facilities that replace an existing traffic signal, street light pole, or similar structure, as determined by the Administrator.

(2) *Residential Areas.* When placed adjacent to a residential zoned property, the facility shall be placed within five feet of the common side yard property line between adjoining residential properties. In the case of a corner lot, the facility shall be placed within five feet of the common side yard property line between adjoining residential properties or on the corner formed by two intersecting streets.

Sec. 21-4-604.5. Equipment location limits in public rights of way.

(1) *Undergrounding.* All ground based equipment proposed to be located in a sight triangle shall be installed in an underground or partially underground equipment vault (projecting not more than 36 inches above grade), or co-located within a traffic cabinet of a design approved by the Administrator, unless a waiver is obtained from the Administrator based on unique circumstances of the particular location that cannot reasonably accommodate such underground installation.

(2) *Public Safety.* Any ground mounted equipment shall be located in a manner necessary to address both public safety and aesthetic concerns in the reasonable discretion of the Administrator. The applicant shall demonstrate that the vertical infrastructure to which any equipment is fastened to can safely support such equipment.

(3) *Sidewalk Clearance.* Any encroachment on a sidewalk shall maintain a minimum clearance of eight feet vertically and horizontally of unobstructed pedestrian way. The requirements of this paragraph may be modified by the Administrator if reasonable passage is provided on the sidewalk and the safety of pedestrians, bicyclists and motorists is not impaired.

(4) *Unreasonable Interference with Traffic and Parking Prohibited.* Wireless telecommunications facilities in the public right of way shall not alter vehicular circulation or parking within the right-of-way or impede vehicular, bicycle or pedestrian access or visibility along the right-of-way. All equipment installations shall comply with the Americans With Disabilities Act and every other local, state and federal law and regulation. No wireless telecommunication facility may be located or maintained in a manner that causes unreasonable interference. Unreasonable interference means any use of the right-of-way that disrupts or interferes with its use by the city, the general public or other persons authorized to use or be present upon the right-of-way, when there exists an alternative that would result in less disruption or interference. Unreasonable interference includes any use of the right-of-way that disrupts vehicular or pedestrian traffic, any interference with public utilities and any other activity that will present a hazard to public health, safety or welfare.

(5) *Exclusion of Competitors Prohibited.* No wireless telecommunication facility owner or lessee shall act to exclude or to attempt to exclude any other competitor from using the same structure for the location of other antennas.

(Ord. No. [33-2017](#), § 1, 12-6-17)

Sec. 21-4-605. - Lighting and signage.

- (a) *Generally.* In addition to other applicable sections of the city Code regulating signage or outdoor lighting, the standards of this section apply to wireless telecommunications facilities and related equipment.
- (b) *Lighting.* Telecommunications towers and tower-mounted wireless telecommunications facilities and related equipment shall not be illuminated, unless such illumination is required by state or federal regulations. Wireless telecommunications facilities (except towers and tower-mounted facilities), including accessory buildings and equipment, may be illuminated as provided in division 4, lighting.
- (c) *Signage.* The display of any sign other than as required by law as to public safety warnings, licenses, certifications, or other required seals on any wireless communications facility or related equipment is prohibited. Emergency contact telephone numbers shall be posted:
 - (1) On each wireless telecommunications facility; or
 - (2) In the case of tower-mounted facilities, at the base of the tower or on each gate if the tower is enclosed by a security fence.
- (d) *Access.*

- (1) Access to and from wireless telecommunications facilities and related equipment shall comply with all applicable building code requirements.
- (2) No wireless telecommunications facility shall be located in a required parking, maneuvering, or vehicle or pedestrian circulation area such that it interferes with or in any way impairs the intent or functionality of the area for such parking or circulation.
- (3) Wireless telecommunications facilities shall be secured from access by the general public, but access for emergency services must be provided. Access roads shall be capable of supporting all potential emergency response vehicles and equipment.
- (4) Any easements required for ingress and egress and for electrical and telephone shall be recorded at the county clerk and recorder's office prior to the issuance of building permits.

(Ord. No. [33-2017](#), § 1, 12-6-17)

Sec. 21-4-606. - Maintenance, abandonment, and removal.

- (a) *Maintenance.* All towers, antennas, related facilities and equipment, and the subject property shall be maintained in a safe and clean condition in accordance with project approvals and building codes. The operator or property owner shall be responsible for maintaining the subject property and its improvements free from graffiti, debris, and litter. All towers, antennas and related facilities shall be subject to periodic inspection by the city to ensure continuing compliance with all conditions of approval and requirements of this section.
- (b) *Abandonment and removal.* All required approvals shall be in effect only so long as the antennas and other structures are operated on the subject property. Facilities that are not in use for one hundred eighty (180) consecutive days for personal wireless services purposes shall be considered abandoned and shall be removed by the facility owner within forty-five (45) days of the one hundred eightieth (180th) consecutive day of non-use. Following removal, the subject property shall be restored to the condition it was in prior to the installation or construction of the facility. Such removal shall be carried out in accordance with applicable health and safety requirements.

Sec. XX-X-XXX. Eligible Facilities Requests

II. DEFINITIONS

For the purposes of this Section, the terms used have the following meanings:

a. *Base Station.* A structure or equipment at a fixed location that enables FCC-licensed or authorized wireless communications between user equipment and a communications network. The term does not encompass a tower as defined herein or any equipment associated with a tower. Base Station includes, without limitation:

- i. Equipment associated with wireless communications services such as private, broadcast, and public safety services, as well as unlicensed wireless services and fixed wireless services such as microwave backhaul.
- ii. Radio transceivers, antennas, coaxial or fiber-optic cable, regular and backup power supplies, and comparable equipment, regardless of technological configuration (including Distributed Antenna Systems ("DAS") and small-cell networks).

iii. Any structure other than a tower that, at the time the relevant application is filed with [jurisdiction] under this section, supports or houses equipment described in paragraphs (a)(i)-(a)(ii) that has been reviewed and approved under the applicable zoning or siting process, or under another State or local regulatory review process, even if the structure was not built for the sole or primary purpose of providing that support.

The term does not include any structure that, at the time the relevant application is filed with the City of Alamosa] under this section, does not support or house equipment described in (a)(i)-(ii) of this section.

b. *Collocation.* The mounting or installation of transmission equipment on an eligible support structure for the purpose of transmitting and/or receiving radio frequency signals for communications purposes.

c. *Eligible Facilities Request.* Any request for modification of an existing tower or base station that does not substantially change the physical dimensions of such tower or base station, involving:

- i. Collocation of new transmission equipment;
- ii. Removal of transmission equipment; or
- iii. Replacement of transmission equipment.

d. *Eligible support structure.* Any tower or base station as defined in this section, provided that it is existing at the time the relevant application is filed with the City of Alamosa under this section.

e. *Existing.* A constructed tower or base station is existing for purposes of this section if it has been reviewed and approved under the applicable zoning or siting process, or under another State or local regulatory review process, provided that a tower that has not been reviewed and reviewed because it was not in a zoned area when it was built, but was lawfully constructed, is existing for purposes of this section.

f. *Site.* For towers other than towers in the public rights-of-way, the current boundaries of the leased or owned property surrounding the tower and any access or utility easements currently related to the site, and, for other eligible support structures, further restricted t that area in proximity to the structure and to other transmission equipment already deployed on the ground.

g. *Substantial Change.* A modification substantially changes the physical dimensions of an eligible support structure if it meets any of the following criteria:

- i. For towers other than towers in the public rights-of-way, it increases the height of the tower by more than 10% or by the height of one additional antenna array with separation from the nearest existing antenna not to exceed twenty feet, whichever is greater; for other eligible support structures, it increases the height of the structure by more than 10% or more than ten feet, whichever is greater;
- ii. For towers other than towers in the public rights-of-way, it involves adding an appurtenance to the body of the tower that would protrude from the edge of the tower more than twenty feet, or more than the width of the Tower structure at the level of the appurtenance, whichever is greater; for other eligible support structures, it involves adding

an appurtenance to the body of the structure that would protrude from the edge of the structure by more than six feet;

iii. For any eligible support structure, it involves installation of more than the standard number of new equipment cabinets for the technology involved, but not to exceed four cabinets; or, for towers in the public rights-of-way and base stations, it involves installation of any new equipment cabinets on the ground if there are no pre-existing ground cabinets associated with the structure, or else involves installation of ground cabinets that are more than 10% larger in height or overall volume than any other ground cabinets associated with the structure;

iv. It entails any excavation or deployment outside the current site;

v. It would defeat the concealment elements of the eligible support structure; or

vi. It does not comply with conditions associated with the siting approval of the construction or modification of the eligible support structure or base station equipment, provided however that this limitation does not apply to any modification that is non-compliant only in a manner that would not exceed the thresholds identified in paragraphs (g)(i)-(g)(iv) of this section.

h. Transmission Equipment. Equipment that facilitates transmission for any FCC-licensed or authorized wireless communication service, including, but not limited to, radio transceivers, antennas, coaxial or fiber-optic cable, and regular and backup power supply. The term includes equipment associated with wireless communications services including, but not limited to, private, broadcast, and public safety services, as well as unlicensed wireless services and fixed wireless services such as microwave backhaul.

i. Tower. Any structure built for the sole or primary purpose of supporting any FCC-licensed or authorized antennas and their associated facilities, including structures that are constructed for wireless communications services including, but not limited to, private, broadcast, and public safety services, as well as unlicensed wireless services and fixed wireless services such as microwave backhaul, and the associated site.

III. APPLICATION REVIEW

a. Application. City of Alamosa shall prepare and make publicly available an application form which shall be limited to the information necessary for [jurisdiction] to consider whether an application is an Eligible Facilities Request. The application may not require the applicant to demonstrate a need or business case for the proposed modification.

b. Type of Review. Upon receipt of an application for an Eligible Facilities Request pursuant to this Chapter, Planning shall review such application to determine whether the application so qualifies.⁸

c. Timeframe for Review. Within 60 days of the date on which an applicant submits an application seeking approval under this Chapter, the City shall approve the application unless it determines that the application is not covered by this Chapter.

d. Tolling of the Timeframe for Review. The 60-day review period begins to run when the application is filed, and may be tolled only by mutual agreement by the City and the applicant, or in cases where the Planning Department determines that the application is incomplete. The timeframe for review is not tolled by a moratorium on the review of applications.

i. To toll the timeframe for incompleteness, the City must provide written notice to the applicant within 30 days of receipt of the application, specifically delineating all missing documents or information required in the application.

ii. The timeframe for review begins running again when the applicant makes a supplemental submission in response to the City's notice of incompleteness.

iii. Following a supplemental submission, the City will notify the applicant within 10 days that the supplemental submission did not provide the information identified in the original notice delineating missing information. The timeframe is tolled in the case of second or subsequent notices pursuant to the procedures identified in paragraph (d) of this section. Second or subsequent notices of incompleteness may not specify missing documents or information that were not delineated in the original notice of incompleteness.

e. Interaction with Section 332(c)(7). If the City determines that the applicant's request is not covered by Section 6409(a) as delineated under this Chapter, the All presumptively reasonable timeframe under Section 332(c)(7), as prescribed by the FCC's Shot Clock order, will begin to run from the issuance of the City's decision that the application is not a covered request. To the extent such information is necessary, the City may request additional information from the applicant to evaluate the application under Section 332(c)(7), pursuant to the limitations applicable to other Section 332(c)(7) reviews.

f. Failure to Act. In the event the City fails to approve or deny a request seeking approval under this Chapter within the timeframe for review (accounting for any tolling), the request shall be deemed granted. The deemed grant does not become effective until the applicant notifies the applicable reviewing authority in writing after the review period has expired (accounting for any tolling) that the application has been deemed granted.

g. Remedies. Applicants and the City may bring claims related to Section 6409(a) to any court of competent jurisdiction.

(Ord. No. [33-2017](#), § 1, 12-6-17)

ALAMOSA CITY COUNCIL COUNCIL COMMUNICATION

Subject/Title:

Alamosa Water Treatment Plant (WTP) and Wastewater Treatment Plant (WWTP) control hardware and software replacement.

Recommended Action:

Staff recommends that Council authorize an additional \$79,000 in the enterprise budget to replace control hardware and software in the WTP & WWTP.

Background:

On April 27, 2018 at 6:38 AM an apparent power spike damaged a Programmable Logic Controller (PLC) in the WTP control room. It is believed that the damage to this PLC has caused it to communicate erroneous information to the WTP control software. As a result the WTP control software no longer stores any error messages from any of the WTP PLCs (approx. 45 PLCs at the WTP). When the WTP was constructed all PLC installed were manufactured by Rockwell. The PLC that was apparently damaged by the power spike was installed in 2016 and was manufactured by Mitsubishi. When installed this PLC required the rewriting of the Wonderware WTP control software. There has been an ongoing struggle to get Wonderware to talk to the Rockwell PLCs. City staff and AmWest recommends that we install FactoryTalk (by Rockwell) WTP control software. City staff and AmWest also recommend that the faulty PLC be replaced with a PLC manufactured by Rockwell (similar to all the rest of the WTP PLCs). City staff and AmWest also recommend that for the next year the WTP operate on both Wonderware and FactoryTalk in a mirrored manner. This will allow City staff to train on FactoryTalk for the next year while the operations of the plant continue on the known Wonderware package. In 2019, the Wonderware software package will require an upgrade at a cost of more than \$100,000 (Software license and AmWest installation). City staff and AmWest recommend that when the installed version of Wonderware is no longer supported (sometime near the end of 2019) the Wonderware WTP control software be removed from the WTP and the plant operations continue on the FactoryTalk software only.

Normally when the WTP experiences an error code a note of the settings and error is made in the error code log. When the operator returns to the plant they look up the error log and make the necessary adjustments usually right from the plant control software screens. Currently when the WTP experiences an error code a notice is sent to the operator's cell phone. The operator has to plug in a laptop to each of the PLCs until the error code is found. This makes it much harder to find and correct the fault in order to continue normal operation of the WTP. With the error code log working again we will be able to find and correct any faults in a more efficient manner.

Issue Before the Council:

Does Council wish to authorize an additional \$79,000 for the purchase and installation of the plant control hardware and software?

Fiscal Impact:

If approved by Council \$79,000 for the purchase and installation of plant control hardware and software would come from the enterprise fund.

Legal Opinion:

City Attorney will be available for questions.

Conclusion:

This expense is necessary to properly operate the City's WTP and WWTP.

ALAMOSA CITY COUNCIL COUNCIL COMMUNICATION

Subject/Title:

Public Hearing on Resolution No. 12-2018, finding of Eligibility for annexation of the Airport Tract of land located in the Northwest Quarter of Section 22, Township 37 North, Range 10 East of the New Mexico Principal Meridian, Alamosa County, Colorado.

Recommended Action:

Staff recommends that Council conduct the public hearing, and unless evidence to the contrary is introduced, adopt Resolution 12-2018 making the finding that the Airport Tract is eligible for annexation.

Background:

Upon finding the Airport property is eligible for annexation, the next step is consideration of an ordinance annexing the Airport property to the municipal boundary of Alamosa. Nothing about the finding of eligibility commits the City to adopting the annexation ordinance. Eligibility is merely a function of determining the 1/6 contiguity requirement is met, as well as the other matters concerning urbanization, etc, set forth in the Resolution.

Staff has determined that the area has 50.03% Contiguity. A copy of the airport annexation plat is attached.

Issue Before the Council:

Does Council find this property to be eligible for annexation?

Alternatives:

Council can approve the resolution based on competent evidence in the record and move forward with the consideration of the Airport Annexation or find, on competent evidence, that the area is not eligible for annexation for failure to meet one or more of the conditions set forth in the Resolution.

Fiscal Impact:

There is not any fiscal impact from a finding of eligibility. Fiscal impacts of the annexation itself are addressed later in the process when Council determines whether and on what conditions it will proceed with annexation.

Legal Opinion:

City Attorney will be present for questions.

RESOLUTION NO. 12-2018

**A RESOLUTION FINDING AIRPORT TRACT OF LAND LOCATED IN THE
NORTHWEST QUARTER OF SECTION 22, TOWNSHIP 37 NORTH, RANGE 10
EAST, OF THE NEW MEXICO PRINCIPAL MERIDIAN, ALAMOSA COUNTY, TO
BE ELIGIBLE FOR ANNEXATION**

**BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ALAMOSA,
COLORADO:**

The City Council of the City of Alamosa, Colorado, finds that the property generally described as approximately the northern 60 acres of the N½NW¼ of Section 22, T37N, R10E, NMPM, lying south of Airport Road and east of County Road 109 S, said descriptions being attached as Exhibit A to this Resolution, complies with the applicable annexation laws, that the land described is eligible to be annexed because there is at least one-sixth contiguity between the municipality and the area to be annexed and, after considering all competent evidence adduced at the hearing on this matter held on June 27, 2018, City Council makes the following findings:

1. A community of interest exists between the area proposed to be annexed and the City of Alamosa; that said area is urban or will be urbanized in the near future; that said area is integrated with or is capable of being integrated with the City of Alamosa, and, furthermore, it has NOT been shown that at least two of the following conditions exist:

(a) Less than fifty percent (50%) of the adult residents of the area proposed to be annexed use some of the recreation, civic, social, religious, industrial, or commercial facilities of the municipality and less than twenty-five percent (25%) of its adult residents are employed in the annexing municipality;

(b) Fifty percent (50%) or more of the land proposed to be annexed is agricultural, and the owners of such agricultural land have expressed an intention under oath to devote the land to such agricultural use for at least five (5) years;

(c) It is not physically practical to extend urban services which the municipality normally provides in common to all of its citizens on the same terms and conditions as such services are made available to such citizens to the area proposed to be annexed.

2. The City Council further determines that applicable parts of the *Municipal Annexation Act* have been met and further determines that an election is not required under said *Act* and that there are no other terms and conditions to be imposed upon said Annexation; and

Having found that the property subject to said petition is eligible to become annexed, the City Council of the City of Alamosa, Colorado, shall undertake further annexation proceedings as provided by law.

ADOPTED this 27th day of June, 2018.

CITY OF ALAMOSA

ALAMOSA CITY COUNCIL

COUNCIL COMMUNICATION

Subject/Title:

Renew Liquor License for Sodexo and approve designation of Campus Liquor Complex License

Recommended Action:

Approve renewal application and designation of H & R license application for Sodexo (Student Union Building) to Campus Liquor Complex License with Related Facilities

Background:

- Sodexo currently holds two H & R licenses located at 1601 First Street (Student Union Building) and 77 Stadium Drive (Vista/Rex Stadium)
- Colorado Liquor Code Reg. 12-47-411, (2.5)(a) allows an institution of higher education, or a person who contracts with the institution to provide food services, that is licensed under this section to apply to be designated a campus liquor complex at the time of initial licensure or upon license renewal.
- Sodexo contracts with Adams State University to provide food services and is licensed under such section.

For this change to occur:

- Sodexo will surrender their H & R license at 77 Stadium Drive.
- Sodexo will add Campus Liquor Complex designation to their H & R license at 1601 First Street and add Vista/Rex Stadium and the optional premise (Campus Green) as Related Facilities.

Other information:

- The entity has no changes in officers or owners.
- The operating manager is Michelle Westbrook.
- The licensee has had no liquor code violations in the past year.
- The entity is in good standing.
- The application was submitted in a timely manner.
- All required documents have been included.
- All applicable fees have been paid.

Issue Before the Council:

Does Council wish to renew this license and add the Campus Liquor Complex designation to the License?

Alternatives:

1. Renew the license. and add the designation for Campus Liquor Complex.
2. Renew the license without adding the Campus Liquor Complex designation.
3. Do not act to renew the license. Determine potential reasons for non-renewal and schedule a hearing date.

Fiscal Impact:

N/A

Legal Opinion:

No legal issues have been raised regarding this application. The City Attorney will be present at the meeting if needed.

Conclusion:

Approve renewal and addition of Campus Liquor Complex license designation.

Law Department

**Deborah Rowles
Liquor Licensing Group**

June 5, 2018

City Clerk's Office
Attn: Holly Martinez
300 Hunt Ave,
Alamosa, CO 81101

Re: Conversion of of H & R license for Student Union Building at Adams State University to Campus Liquor Complex License with Related Facilities

Dear Ms. Martinez:

Sodexo America LLC holds two H&R licenses on the campus of Adams State University. License #26355170257 is located at the Student Union Building at 1601 First Street, and the second, License #26355170258, is located at Vista/Rex Stadium and that license has an optional premises.

Instead of renewing both licenses at this time, Sodexo America LLC wishes to convert License #26355170257, located at the Student Union Building, to the Campus Liquor Complex license for the Adams State Campus and add Vista/Rex Stadium and the optional premise (Campus Green) as Related Facilities to License #26355170257.

Enclosed to make this change, which can only be done at the renewal cycle, are the following:

- Permit Application and Report of Changes to designate License #26355170257 as the Campus Liquor Complex and add Related Facilities
- Campus Diagram/Map and diagrams of the Related Facilities are attached to the Report of Changes
- Affidavit of Surrender of State Liquor License for License #26355170258, conditioned upon approval of the Report of Changes and Related Facilities request
- Renewal form for License #26355170257, signed
- Checks for the following fees:
 - a. State renewal fee: \$500.00
 - b. State Report of Changes fee: \$320.00
 - c. City renewal fee: \$75.00

Let Charles Bateman, the manager at Adams State know when the hearing on this request will be so he can attend. He can be contacted at: charles.bateman@sodexo.com.

**BEFORE THE STATE LICENSING AUTHORITY
DEPARTMENT OF REVENUE
STATE OF COLORADO**

AFFIDAVIT FOR SURRENDER OF STATE LIQUOR LICENSE

IN THE MATTER OF:

LICENSEE: SODEXO AMERICA LLC

TRADE NAME: SODEXO

ADDRESS: 77 Stadium Drive

CITY: Alamosa STATE: CO ZIP CODE: 81102

TELEPHONE: 800-400-1353 x 225 EMAIL: Alex@csa-compliance.com

LICENSE NO: 26-35517-0258

I, Thomas R. Morse, an authorized representative of the above-named Licensee hereby voluntarily surrender the Colorado state liquor license and all related licensing privileges. Licensee hereby requests the Liquor Enforcement Division ("Division") of the Colorado Department of Revenue, on behalf of the State Liquor Licensing Authority, to ~~immediately~~ cancel, terminate, and void Licensee's Colorado state liquor license. This surrender to be effective upon approval of Campus Liquor Complex License (License 26-35517-0257) and this location and optional premises being approved and added as a "Related Facilities" to the CLC license.

Licensee states that this surrender of Licensee's Colorado state liquor license and licensing privileges is made voluntarily by the Licensee, and that Licensee is not surrendering the aforesaid liquor license(s) and privileges as the result of any threat, promise, or coercion by the Division or any of its agents or employees.

Licensee further acknowledges:

- This surrender does not violate any requirements of a Forcible Entry and Detainer (FED) order, or Writ of Restitution requiring the licensee to dispossess the licensed premises.
- That an application to transfer this liquor license has not been filed with the local licensing authority.
- This is not an attempt to avoid prosecution of a violation of the Colorado Liquor Code and that the Division may refuse to accept this affidavit of surrender until after any pending administrative action is complete.
- The Licensee's privileges will be canceled, terminated, and voided upon the issuance of an order by the Director of the Division accepting this voluntary surrender of licenses.

I affirm under penalty of perjury, I am authorized to surrender this license on behalf of the aforementioned Licensee.

Name Thomas R. Morse

Signature 

Title Vice President

Date May 16, 2018

Is this Affidavit for Surrender part of a Change of Class or New Issuance License? ☒ Yes ☐ No

This surrender to be effective upon approval of Campus Liquor Complex License (License 26-35517-0257) and this location and optional premises being approved and added as a "Related Facilities" to the CLC license.
