Council thanked Mr. Atkinson for coming and providing information on the services that the Division of Vocational Rehabilitation provides.

2. ASU ASF Homecoming Presentation

Lori Laske, John Owsley, and Brooke Stokel presented information to Council on Adam State University's upcoming homecoming festivities, inviting Council to join in the activities that are planned for the week. Ms. Stokel offered the opportunity for Council and Community Members to volunteer to be a judge for their parade as they are trying to get the community more involved.

Mr. Owsley presented to Council AS&F's strategic plan for the 2016-2017 school year, which includes the initiative five which facilitates student and community development. In this five, it includes building a relationship with City Council and local governments.

Council thanked them for coming out and the invitation to participate in the homecoming activities and developing the relationship between Council and students.

B. Business Brought Forward by City Staff

1. Finance

- a. Public Hearing and Second Reading of Ordinance No. 17-2016, An Ordinance making the annual appropriations for fiscal year 2017.

Heather Brooks reviewed this ordinance with Council. This ordinance sets forth the 2017 annual budget. This ordinance was presented at first reading at the Regular Council meeting on Wednesday, October 5, 2016.

Mayor Lucero opened the public hearing at 7:33 p.m. and asked for those wishing to speak on this ordinance.

Dan McCann spoke in regards to overhead costs.

There being no one else wishing to speak, the hearing closed at 7:36 p.m.

Councilor Stefano moved, seconded by Councilor Daniel, to finally adopt Ordinance No. 17-2016. The motion carried unanimously.

- b. Public Hearing and Second Reading, Ordinance No. 18-2016 an Ordinance establishing the employee pay plan for fiscal year 2017

Heather Brooks reviewed this ordinance with Council. This ordinance establishes the pay range for all City job classifications and is adopted

every year, through ordinance, by Council.

Mayor Lucero opened the public hearing at 7:38 p.m. and asked for those wishing to speak on this ordinance.

There being no one wishing to speak, the hearing closed at 7:38 p.m.

Councilor Vigil moved, seconded by Councilor Daniel to finally adopt Ordinance No. 18-2016. The motion carried unanimously.

C. Committee Reports

Councilor Hensley reported on the airport board and marketing board meetings she attended.

Councilor Coleman reported on the San Luis Valley Development Resource Group meeting that he attended.

Councilor Vigil reported on the Rio Grande Farm Park meeting he attended.

Mayor Lucero reported on the CML Policy committee that he attended.

Councilor Hensley also reported on the executive board meeting she attended.

D. Staff Announcements

Holly Martinez asked Council for direction on a vacant seat on the Historic Preservation Advisory Committee. Council conducted interviews at the annual board recruitment where there were more interested parties wanting to serve on this board than there were vacant seats. The applicant that was not appointed at the regular recruitment has been contacted and did indicate desire to still participate on this board.

Council does not have a specific policy when it comes to a situation of this sort. Ms. Martinez asked Council for guidance on if they want to treat it as a new applicant interested and re-interview or if they desire to appoint the interested party without an interview as they recently interviewed the applicant in June of this year. Council gave direction to have the applicant appointed at a regular meeting without the need to re-interview.

Heather Brooks informed Council of the following:

- The upcoming City Employee Health Fair.
- Ice rink/multi-purpose facility kick-off meeting with the consultant that was last week.
- Work session scheduled following regularly scheduled meeting on November 16th.
- The Recycling Center ribbon-cutting ceremony is this upcoming Saturday at

9 a.m.

Halloween Fright Fest, hosted by the Alamosa Police Department, is at Cole Park on October 31 from 4 p.m. to dark..

- Utility rate work session is next week on the 26th.

COUNCIL COMMENT

Councilor Daniel stated she will be on vacation next week and requested if it would be okay by Council for her to call in to the work session. Council discussed this matter on whether it would be okay for Councilors to call in for work session if they are unavailable in person.

Councilor Daniel also commented on the opioid roundtable discussion with Congressman Tipton she attended yesterday.

Councilor Hensley commented on the police informational she attended on October 11th. She also mentioned that there is a Hemp Symposium scheduled on November 5th at Adams State University.

Ms. Brooks asked for direction and a conclusion on the conference call in for the work session next week. Council discussed if the thought or information from a Councilor who is unavailable would be able to shared prior to the meeting or not. Ms. Brooks stated that she didn't think Councilors unavailable would be able to provide information or feedback ahead of time regarding what will be presented at the work session. Council further discussed the issue and came to the conclusion that it would be okay for those Councilors who are unavailable to be at work session in person to be allowed to call in. Council will consider a policy on this issue.

EXECUTIVE SESSIONS

Councilor Daniel moved, seconded by Councilor Vigil, to enter into Executive Session (7:58 p.m.) pursuant to C.R.S. §24-6-402(4)(f) to discuss personnel matters relating to the finance director. The motion carried unanimously.

After the executive session, Council will move back in to regular session and no further business will be discussed.

1. Executive Session pursuant to C.R.S. § 24-6-402(4)(f) to discuss personnel matters relating to the finance director

ADJOURNMENT

The meeting adjourned immediately following the Executive Session.

7:00 PM - Regular Meeting

I. CALL TO ORDER AND PLEDGE OF ALLEGIANCE

The Regular Meeting of the Alamosa City Council was called to order on the above date by Mayor Josef Lucero at 7:00 p.m. The Pledge of Allegiance was recited.

II. ROLL CALL

Present at roll call: Mayor Josef Lucero, Councilors Ty Coleman, Kristina Daniel, Jan Vigil, Charlie Griego, and Liz Hensley. Councilor Stefano previously requested to be excused. Also present: City Manager Heather Brooks, City Attorney Erich Schwiesow, and City Clerk Holly Martinez.

III. AGENDA APPROVAL

Councilor Vigil moved, seconded by Councilor Hensley, to approve the agenda as presented and excuse Councilor Stefano. The motion carried unanimously.

IV. CITIZEN COMMENT

Alamosa City Council welcomes your comments. Citizens wishing to speak may obtain and complete a speaker card through the City Clerk at the start of the meeting.

A. Audience Comments

Gene Gonzales commented on the railroad crossing on La Due Avenue and the feral cat refuge.

Dan McCann commented in regards to the election.

Claudia Ebel commented in regards to the V.E.G.I. program.

B. Follow-Up

Heather Brooks stated that funding for railroad crossing is being looked into and that there is a meeting scheduled for next week to discuss the feral cat issue.

V. CEREMONIAL ITEMS

A. 40 Year Service Award presentation to Officer Bruce Lukow

Chief Oakes presented the 40 year service award to Officer Lukow.

Council thanked Officer Lukow for his years of service to the City.

B. Proclamation: Alamosa Elementary 3-5 Recognition

Mayor Lucero read the proclamation and Council presented it to Alamosa Elementary 3-5 staff Jose Ortega, Jason Romero, and Jeremy Alonzo.

VI. CONSENT CALENDAR A

The Consent Calendar allows multiple actions with one motion. Consent Calendar A contains routine items which have been recommended for action by staff or advisory boards. Council may remove a consent calendar item for separate consideration.

Councilor Griego asked for clarification on Item C.1.a. Pat Steenburg informed Council of how a property can be half residential and half commercial. Ordinance states that when this occurs and an application is made on the property, the least restrictive of the two zoning districts should be considered.

Council Vigil moved, seconded by Councilor Coleman to approve Consent Calendar A as presented. The motion carried unanimously.

C.7.a. Approve Minutes of Meeting September 21, 2016

C.8.a. City Manager Employment Agreement

C.8.b. City Attorney Employment Agreement

C.1.a Request of William and Janis DeSouchet for a Permitted Use by Special Review to allow a residential Use Group R-1 in a commercial Business Zone.

VII. REGULAR BUSINESS

C. Business Brought Forward by City Staff

1. Public Works

a. Award of Contract, First Street Design and Master Plan

Pat Steenburg presented information to Council. On preliminary approval of the proposed 2017 Capital Improvement Plan that included the first phase of First Street reconstruction staff advertised a Request for Proposals that included, among other things, the comprehensive survey, engineering, and design, necessary for the completion of First Street in its entirety. This request was intended to provide the City with a complete set of construction plans, volumes, and potential utility conflicts that would allow timely preparation of bid estimates and requests in the coming years of the project that would have saved staff time and allowed the City to take advantage of phase expansions should any potential revenue excess present that opportunity.

A modified scope of work was negotiated with the low bidder that included all aspects of the original scope but limited the actual construction plan preparation and right of way survey to that section of street that is proposed for construction next year. The new scope maintains those aspects of the design, planning, and stakeholder collaboration process that are necessary to help ensure a satisfactory outcome and will provide for a seamless transition between future design years. This reduced scope of work includes some duties being transferred to City staff to maximize the impact of monies spent and also includes the necessary traffic engineering and evaluation of those problem intersections previously identified.

Council Daniel asked if the award of the contract means that it'll be \$32,550 but with the award of a mini-grant (which could be lost if this bid is rejected) it would be \$22,500.

Councilor Griego moved, seconded by Councilor Daniel to approve the low bidder, Reynolds Engineering in the amount of \$143,700.00. Mayor Lucero clarified that that cost was not what they are wanting to approve tonight and asked Councilor Griego to amend his motion.

Councilor Griego amended his motion that Council award the contract for the First Street Design and Master Plan to Reynolds Engineering in the amount of \$32,550 as the lowest responsible and responsive bidder. Councilor Daniel seconded the motion. The motion carried unanimously.

Pat Steenburg stated that this covers the first phase which is the review of the problem intersections that have been identified by traffic engineers.

2. Finance

- a. First Hearing of Ordinance No. 17-2016, An Ordinance making the annual appropriations for fiscal year 2017.

Heather Brooks presented information to Council. This ordinance reflects a significant commitment of time from the City Council, staff, and other interested parties. This year, the city used a modified budgeting for outcomes approach with an emphasis on historical data for expenditures in department operations. The budget should assist the council in focusing expenditures towards those activities that forward the overall goals of the community.

This year's prioritization includes the following: in the general fund, the overall revenues are expected to increase over current year budget projections. The identified projects in the Capital Improvement Plan remains in the budget, \$75,000 was carried over in Public Works Administration for hiring a consultant to develop the scope of work for the levee certification; a line item was added for the Public Art Program and budget of \$20,000 remains for this; \$10,000 was included for the November 2017 election; \$28,610 was included in the Police Operations as grant match for E-Citation; funds were once again included to support Neighborhood Watch Programs in the amount of \$4,000; \$15,000 was maintained for property abatement activities in the Police Support Services Division; a season position was added in Parks Maintenance; and a line item for landscaping/beautification was created with \$15,000 to address Council prioritized projects.

In the Enterprise fund, the annual review of all utility rates were greatly enhanced with the contracted services for a professional utility assessment - the rate themselves are yet to be voted on, however, overall revenue projection were included in the budget appropriately: 6% water, 8% sewer, 7% sanitation; water issues are maintained; \$15,000 included in Sewage Treatment; \$10,000 included in Sanitation. In the Recreation fund, it includes \$50,000 from the Rec Fund and \$50,000 from the CTF Fund as match for the GOCO Inspire Grant; and operational line items increased appropriately in anticipation of the Ice Rink/Multi-Purpose Facility. Other funds include the internal service fund responsible for health insurance, ACLC debt service for City Complex and Water Treatment plant, cemetery improvements, and capital reserves. The grant total budget is \$20,391,490. Total revenues are anticipated at \$35,154,747.

Councilor Griego asked if there was going to be a public meeting to review the budget. Ms. Brooks stated that with all workload issues and items that have are being worked on within the City Manager and Finance offices, they were unable to meet the date of having a public meeting prior to the second reading and public hearing of this ordinance. However, the process has been a very public process from the beginning.

Councilor Griego moved, seconded by Councilor Vigil, to approve Ordinance No. 17-2016 on first reading and set for a public hearing

thereon on Wednesday, October 19, 2016 at 7:00 p.m. or as soon thereafter as the matter may be heard. The motion carried unanimously.

- b. First Reading, Ordinance No. 18-2016 an Ordinance establishing the employee pay plan for fiscal year 2017

Heather Brooks presented information to Council. Every year Council adopts, by ordinance, the pay plan for City officers and employees. This plan establishes the pay range for all City job classifications. While Council reserves the right to amend this ordinance, the ordinance directs the City Manager to fix salaries within these ranges. Without formal Council approval the City Manager does not have authority to pay someone outside the established pay range.

Councilor Vigil moved, seconded by Councilor Hensley, to approve Ordinance No. 18-2016 on first reading and set for public hearing thereon on Wednesday, October 19, 2016 at 7:00 p.m. or as soon thereafter as the matter may be heard. The motion carried unanimously.

3. City Manager/Legal

- a. Reclassification of Fire Chief from Part-Time to Full-Time

Heather Brooks presented information to Council. The Fire Chief routinely works 30-40 hours and is currently compensated at a half-time salary. During busy weeks, it is not uncommon for the Chief to log more than 50 hours. Clearly paying a part-time salary for a position that has proven to work consistently closer to a full-time or more is not appropriate. Additionally, recent changes in FLSA requirements will prevent the City from compensating at the current level and keep the position salaried. The Fire Chief will also assume responsibility for emergency management activities for the City. This will include finalization of an Emergency Operations Plan, emergency preparedness planning, regional coordination, and serving as Emergency Manager in times of emergencies. The Chief will be compensated at the beginning full-time salary already included in the pay plan. The year-end budget amendment will include the costs for the reclassification for the remaining portion of 2016 and the 2017 budget will include the cost for full-time.

Councilor Vigil moved, seconded by Councilor Daniel to reclassify the Fire Chief from part-time to full-time. The motion carried unanimously.

- b. Combined Public Hearing and Second Reading of Carroll Subdivision No. 2 Gas and Electric SID (SID 2015-1) Assessment Ordinance and public hearing on Assessment Roll

Counselor Schwiesow reviewed this ordinance with Council. This was

presented at the September 21, 2016 meeting on first reading. The assessment roll recognizes those lots that are already served by either gas or electricity and deducts those costs out from the costs being apportioned to each lot. This ordinance adopts the assessment roll. Once the assessment roll is adopted, any lot owner whose lot is being assessed will have 30 days to pay that assessment in full or if not paid in full, the effect is the lot owner has elected to pay that over time with an annual bill coming due in May every year with no interest over five years.

Mayor Lucero opened the public hearing at 8:00 p.m. and asked for those wishing to speak on the matter.

There being no one wishing to speak, the hearing closed at 8:01 p.m.

Councilor Vigil moved, seconded by Councilor Daniel to finally adopt Ordinance No. 16-2016. The motion carried unanimously.

D. Committee Reports

Councilor Vigil will get notes from the school board meeting and pass them along to the rest of council at the next meeting.

Councilor Griego reported on the airport board meeting that he attended.

E. Staff Announcements

Heather Brooks reminded Council of the following:

- Dinner next week with County Commissioners on Wednesday, October 12 in Council Chambers
- Thanked everyone involved with the First Responder BBQ.

Heinz Bergann updated Council on upcoming events:

- Dog Park Public Forum is tomorrow at the Rec Center at 6:00 p.m.
- October 8th is last day for the Farmer's Market
- October 8th 12 Hours of Petinence
- October 15th is the triathlon.

Ms. Brooks also stated that the neighborhood watch program meeting being held tomorrow will have attendance from the City.

Chief Oakes updated Council on the clown threat phenomena that has occurred. There haven't been any schools named specifically but threats have been made. A total of four people so far have been identified as being involved with these postings. Local investigation is continuing but the police department have deem the threats as not credible, however, police presence has been increased at the

schools as a precaution.

COUNCIL COMMENT

Councilor Coleman acknowledged the public works department for the work done on 8th street and also thanked Councilor Vigil for bringing information to help address the concerns with the railroad crossing issues off of La Due.

Councilor Vigil stated that there is a grant program that helps communities to work with railroads to help make community railroad crossings safer.

Councilor Hensley commented regarding the CML District 8 meeting and the CML Executive Board meeting that she attended.

Councilor Daniel commented regarding Domestic Violence Awareness month and the event that was held to promote that. She also commented regarding the dedication of the methadone clinic ribbon cutting and thanked staff for the budget process and comp plan meetings.

Mayor Lucero commented regarding concerns from a constituent on the proposed building on Murphy drive and if there was enough parking and the burned out building by Safeway. Mr. Steenburg confirmed that the building went through the planning commission and the parking requirements were met and also that there is a process that has to be followed before the City can step in in regards to the house by Safeway.

ADJOURNMENT

The meeting adjourned at 8:18 p.m.

COUNCIL COMMUNICATION

DATE October 19, 2016	AGENDA NO.	SUBJECT: Finance Monthly Report for September 2016
Department Head: Lisa Sandoval		
City Manager: Heather Brooks		
PRESENTED BY: Heather Brooks		

Recommendation

Staff respectfully recommends that Council accept the preliminary Monthly Financial Report for September 2016.

Background

Attached for your review and information is the preliminary Monthly Financial Report for September 2016. The report just pertains to the City's General fund. The report shows the fiscal and period activity within the same report, making it easier to read and understand the City's current position.

While the attached reports reflect current information, it should be noted that the reconciliations have not been completed. Therefore, the reports should be treated as preliminary/draft documents. Once the reconciliation is finished, staff will provide updated reports.

General Fund Revenue

Total revenue for September was \$731,898. The City received payment for the 1.2% Sales Tax from the County in the amount of \$315,588. Sales Tax (general) revenue for September totaled \$218,272.

General Fund Expenditures

Total expenditures for September 2016 were \$817,736. Total expenditures year to date total \$5,930,994.

Retail Sales Tax Licenses

There were 4 new local sales tax licenses and 1 termination during the month of September.

COUNCIL COMMUNICATION

DATE October 3, 2016	AGENDA NO.C. 8. a	SUBJECT: IT Director Monthly Report for September 2016
Department Head: 		
City Manager:		
PRESENTED BY: James A. Belknap		

Below is a statement regarding major issues covered by the City IT Department:

September 2016 Report

- Traveled to Greenwood Village to examine the police department's deployment of the Tyler/Brasso E-Ticketing solution. Met with many of the officers and command staff to determine what works well for them and what needed improvement. The Tyler/Brasso E-Ticketing solution appears to be a viable product to meet our needs and we will be continuing our research into the product.
- Attended a preliminary meeting with a local vendor to examine the needs of the Rec Center for an additional camera system.
- Replaced the main computer system that controls the entire virtual lab at the library. This was the final computer system that was scheduled for replacement under our five-year replacement schedule for the city in 2016.
- Researched, identified and ordered a new camera system for the Police interview rooms. We have had several key interviews that have not recorded well with the current system, along with feature problems such as sound and the ability for officers to view the video system live that has prompted us to find a better solution.
- Attended the 9/13 departmental Comp Plan review meeting.
- Attended a meeting with SIPA (Statewide Internet Portal Authority) regarding state contract services for our possible Google conversion. Utilizing this Authority's statewide purchasing power, we would qualify for a large discount in the contract price if we convert to Google email over the retail price.
- Attended the LTPT (Local Technology Planning Team) meeting regarding the Broadband Planning Study. Brandon Gallegos was elected to the position of Secretary, and has established a website to help the entire team communicate better.
- Attended the 9/21 Budget Worksession.
- Upgraded our RecPro software system. This upgrade provided for a large security update to the credit card section of the software.
- IT assisted in the restoration of services at the Water Treatment Plant during a recent outage.
- IT climbed the Craft Water Tower to establish exactly what antennas had been placed and removed from our various vendors that lease space on the tower.

- Sent out monthly Phishing and Virus reports to all network users.
- Reviewed the security logs created by the Security Audit system. The system allows IT to review potential physical security breach attempts of the entire network in one comprehensive location.
- Patched all City owned computers to the latest patch and vulnerability fixes from Microsoft. This monthly patching helps protect our computers from malicious software, resolve general windows issues/bugs, and provide access to new windows features.
- We experienced a global attack on our Police RMS server this weekend. IT logged over 15000 individual attempts (must have been a robotic attack) from half the planet. None of these attempts penetrated our security, and we have worked with the State IT to change some items to further discourage future attacks.

In Monte Vista, we performed the following items:

- Completed the conversion from Century Link to SLV Rec for all telephone services at City Hall and the PD. This conversion of service will save the City over \$1000.00 a month in telephone services.
- Identified and corrected an issue that was causing a bottleneck in our new network reducing throughput by approximately 250 %.
- Installed and configure an additional donated server from the City of Alamosa. With this server in place we are now able to load balance all City virtual servers on two different hosts. Additionally each host is capable of running the entire load of the City virtual servers, adding true redundancy to our network.
- Configured a solution at no cost that allows the phone system to convert incoming voicemails to email and deliver those emails to the appropriate user.
- Recorded the Marketing Crash Course meeting and placed it on the YouTube channel for all citizens to view.
- Attended the Open House for the citizens of Monte Vista.
- Installed 17 new computer systems for the Police Department. The recovered computer systems will be re-utilized throughout the City as needed. Units that are surplus will be auctioned off to the public.
- Specified, ordered, received, configured and deployed a new computer system for the Finance Department.
- Attended the monthly Management Team meeting.
- Utilizing a local company we were able to identify and temporarily repair the failing A/C system in Information Technology. We have ordered parts for a permanent repair.
- Recorded the City Council meeting of 9/1/16 and placed the recording on YouTube.
- Recorded the City Council meeting of 9/15/16 and placed the recording on YouTube.
- Created email addresses for all of Council at the city domain. These addresses help address issues for open records requirements.
- Sent out monthly Phishing and Virus reports to all network users.
- Performed patch services on all existing and newly created servers. This monthly patching will help protect our servers from known vulnerabilities.

Collection Development:

Staff added 346 new materials to the library collection: 203 books, 60 magazines, 10 audiobooks, and 73 DVDs. This process includes purchasing, cataloging, and material processing. 243 materials were discarded. 193 of these are items weeded through inventory – materials outdated, damaged or not used since 2012.

Staff announcements.

Volunteers: Patty Campbell spent 6 hours with us. Judy Mondragon from SER Seniors Inc. worked 22 hours.

Colorado State Library Grant: has been announced for 2016-2017. \$4,500 in grant funds has been allocated for our library. We should be receiving the funds by the end of October.

Checkout Colorado – The Checkout State Parks backpack kits show a circulation of 3 patron checkouts since June 2016.

Library at Farmer's Market Sept. – Mandy Pittman asked for Becky to spend a little time at the Farmers Market for the children's corner again this year. Origami expert, Will Krebs, was also asked to attend. Becky gave out books from the READ wagon and read with the children, while Will showed kids how to do origami figures.

Rotary grant – A grant was submitted on behalf of the Friends of the Alamosa Public Library and the local Rotary club for \$10,000. We are still waiting to see if we will be awarded the grant. Friends of the Library would be providing part of the match along with our local Rotary. The funds are to be used to

Community Involvement

- Movie Night: “The Angry Birds” was shown September 23rd with 17 attendees.

- The local Fiber group met in the Story Room. Usual attendance is 10-12 fiber enthusiasts. The group knits, weaves, spins, and crafts all things fiber. They share and teach each other new techniques and ideas. Planning for charity projects or events is also done at these meetings. The next meeting will be October 12th. We welcome anyone interested in any type of fiber arts.

- The Historic Preservation Advisory Committee meets the second Tuesday each month in the Local History Room.
- People First had their meeting in our Local History room. 9 members attended.

- San Luis Valley Origami workshop at the library was September 3rd with 6 participants. Next workshop will be October 1, 2016.

- We have 7 Little Free Libraries in Alamosa, sponsored by the Alamosa Public Library and the Friends of the Library.
Food Bank – WCC added 60 books; **La Puente** – FOL (Friends of the Library) refilled with 55 books; **Zapata Park** – Jan Oen & Don Thompson refilled with 45 books; **Senior Center** – KREBS no changes; **Nancy Cutters Office** (Optimist) – self sustaining; **SLV Immigrant Resource Center** (Optimist) – self sustaining;
Cole Park (library staff) was filled 1x with a total of 40 books.

girl scouts

A Girl Scouts community and parent informational meeting was held September 12, 2016 in the Story Room - 15 attended, 7 adults and 8 girls.

10 Blue Peaks employees from Denver met Sept 21st in the Story Room for an educational presentation.

Friends of Alamosa Public Library

- The Friends are collecting donations for the upcoming book sales. The September sale during Early Iron, Sept. 2-3, 2016, profited \$1600. There were 15 volunteers helping during the 2 day sale.
- The next sale will be October 1, 2016.

Children's Services Monthly Report

September, 2016

SEPTEMBER OVERVIEW: September started off with a bang. Sharon Morris of the State Library contacted Salai about having me and our library as part of the new Growing Readers Together grant program through the Buell Foundation. Part of that included going to CLEL, which we didn't have budgeted for this year. The grant covered that, so I made quick preparations to go to Denver on September 9th. We celebrated Roald Dahl's 100th birthday (see pictures below.) This month also was Library Day at the Farmer's Market and the Stone Soup event at Alamosa Elementary. I presented the Growing Readers Together grant at the Library Board meeting.

TOTAL LIBRARY VISITS FOR CHILDREN'S SERVICES IN SEPTEMBER, 2016: 210

- ✓ **Featured Authors – Roald Dahl** was born on 13th September, 1916 in Llandaff, South Wales. Dahl's parents were Norwegian. His father died while Roald was still a child. He did not enjoy the school because many of the teachers were cruel and often caned the students. Dahl was good at cricket and swimming, but he performed poorly in class. One of his main hobbies was reading, and some of his favourite novelists were the adventure writers Rudyard Kipling and H. Rider Haggard. When Dahl was thirteen his family moved to Kent in England, and he was sent to Repton Public School. Sadly, Repton was even harsher than his old school. The headmaster enjoyed beating children and the older students used the younger ones as servants. However, there was one good thing about the school. Every few months, the chocolate company, Cadburys, sent boxes of chocolates to Repton for the students to test. This happy memory gave Dahl the idea for his most famous novel, Charlie and the Chocolate Factory. The last years of his life were very happy and he wrote some of his best books during this period: The BFG, The Witches and Matilda. Roald Dahl died on 23rd November 1990 in Oxford, England.

✓ **Lois Lowry** – “I was a solitary child who lived in the world of books and my own vivid imagination. Because my father was a career military officer - an Army dentist - I lived all over the world. I married young. I had just turned nineteen - just finished my sophomore year in college - when I married a Naval officer and continued the odyssey that

military life requires. My children grew up in Maine. So did I. I returned to college at the University of Southern Maine, got my degree, went to graduate school, and finally began to write professionally, the thing I had dreamed of doing since those childhood years when I had endlessly scribbled stories and poems in notebooks. I try, through writing, to convey my passionate awareness that we live intertwined on this planet and that our future depends upon our caring more, and doing more, for one another.”

Origami Bill teaching some kids

✓ **Partnerships:**

- **Library Day at the Farmer's Market** – Mandy Pittman asked us back again this year to do the children's corner at the Farmer's Market one Saturday. Will Krebs came with his origami, and I brought lots of books about harvest, vegetables, and Fall. I brought a mat and

the cushions where we could sit and read together. We had 25 kids stop by. At least 20 kids took books from the Little Read Wagon. It was a great time for outreach!

- **Stone Soup** – VEGI asked me back as a “celebrity” reader for this wonderful fall event at the K-2 building. I read the Heather Forest version of Stone Soup to 4 different classes, allowing me direct contact with 120 kids. We also provided extra books for the other readers.
- **Colorado Libraries for Early Literacy – CLEL** – Attended the annual conference. This organization has grown into an international movement. We had participants from several other states, and the conference was sold out at 200 requiring the committee to turn down people who wanted to attend. When I first attended the conference 5 years ago, it was very small.
- **Growing Readers Together Grant** – As reported on September 27th, this is a grant that works to help libraries partner with other early childhood literacy stakeholders in the community. The State Library will be providing extensive support and training in ramping up our programs both within and without the library to empower our families, friends, and neighbors who work with children under 5.

- ✓ **Special Interest Display** – Roald Dahl Celebration! Using a free party pack that I downloaded from the publisher’s website, I put together a month-long celebration of Roald Dahl. The party pack included lots of activity pages, games, and quizzes.

COUNCIL COMMUNICATION**

Subject/Title:

Award of Bid, 2016 Golf Course Water Supply Project

Recommended Action:

That Council award the bid for the 2016 Golf Course Front Nine Pump Skid to Grand Junction Pipe and Supply of Durango Colorado as the lowest responsive and responsible bidder for the 2016 Golf Course Water Supply Project in the amount of \$92,225.

Background:

The irrigation pump that supplies water to the front nine holes at the golf course has surpassed its expected service period by many years. It lacks many of today's modern control and energy conservation systems and has become a maintenance issue for the golf course. The new pump will operate more efficiently from an energy consumption perspective with variable frequency drives that will allow a more controlled start-up which will not only allow us to collect a \$500 rebate from Xcel for their installation but will, over time, reduce the demand fees we pay for the availability of power to operate the pump. The more efficient pump curves will allow golf course staff to more finely tune their irrigation system that will go to further our efforts at water conservation. The two bids received are shown below for your review and consideration.

Bids Received		
2016 Golf Course Water Supply Project		
Company	Location	Bid Price
Grand Junction Pipe and Supply	Durango, Colorado	\$ 92,225
Central Pump Company	Center, Colorado	\$ 107,981

Issue Before the Council:

Does Council wish to award the bid to Grand Junction Pipe and Supply as the lowest responsive and responsive bidder?

Alternatives:

Council may award the bid to the lowest bidder, award the bid to the other bidder, or Council may reject both bids and provide staff further direction.

Fiscal Impact:

\$150,000 was budgeted for this project. The remaining funds will be used to construct the new pump house and intake structure which will go to bid in the next week to 10 days. Based on costs associated with the previous installation at the Blanca Vista Pond no additional funding needs are anticipated at this time.

Legal Opinion:

The City Attorney will be present for questions.

Conclusion:

This pump skid and its associated appurtenances will help serve to address Council's desire to maximize our energy and water conservation efforts and reduce our maintenance costs and carbon foot print as they relate to the golf course irrigation system.
