Proclamation

Domestic Violence Awareness Month

***WHEREAS**, domestic violence can take many forms, including physical, sexual, emotional, financial, and psychological abuse, and can occur in intimate partner relationships, as well as within families and households; and*

***WHEREAS**, domestic violence can have severe consequences for survivors, including emotional harm, physical injuries, mental health concerns, and even death; and*

***WHEREAS**, domestic violence not only impacts survivors but also has ripple effects on children, families, communities, and nations as a whole; and*

***WHEREAS**, Domestic Violence Awareness Month provides an opportunity to educate the public, mobilize community members, and engage in advocacy efforts to end domestic violence; and*

***WHEREAS**, it is important to recognize and honor essential work of the organizations and individuals who work to create safer communities and supporting survivors;*

***NOW THEREFORE**, I, Ty Coleman, Mayor of the City Council of Alamosa, and on behalf of City Council, hereby do proclaim October 2023 as*

Domestic Violence Awareness Month

Further, in recognition of the essential work done by survivors, domestic violence programs and victim service providers, I urge all citizens to actively participate in scheduled activities and programs sponsored by Tu Casa, Inc. and other community organizations to work toward elimination of intimate partner violence.

Given under my hand and seal of the City of Alamosa, Colorado on this 18th day of October, 2023.

Ty Coleman, Mayor

Proclamación

Mes de Concientización sobre la Violencia Doméstica

CONSIDERANDO, que la violencia doméstica puede adoptar muchas formas, incluido el abuso físico, sexual, emocional, financiero y psicológico, y puede ocurrir en relaciones íntimas de pareja, así como dentro de familias y hogares; y

CONSIDERANDO, que la violencia doméstica puede tener consecuencias graves para los sobrevivientes, incluido daño emocional, lesiones físicas, problemas de salud mental e incluso la muerte; y

CONSIDERANDO, que la violencia doméstica no sólo afecta a los sobrevivientes, sino que también tiene efectos dominó en los niños, las familias, las comunidades y las naciones en su conjunto; y

CONSIDERANDO, que el Mes de Concientización sobre la Violencia Doméstica brinda una oportunidad para educar al público, movilizar a los miembros de la comunidad y participar en esfuerzos de promoción para poner fin a la violencia doméstica; y

CONSIDERANDO, que es importante reconocer y honrar el trabajo esencial de las organizaciones e individuos que trabajan para crear comunidades más seguras y apoyar a los sobrevivientes;

AHORA, POR LO TANTO, yo, Ty Coleman, Alcalde de la Ciudad de Alamosa, y en nombre del Concejo Municipal, por la presente proclamo Octubre de 2023 como el

Mes de Concientización sobre la Violencia Doméstica

Además, en reconocimiento al trabajo esencial realizado por los sobrevivientes, los programas de violencia doméstica y los proveedores de servicios para víctimas, insisto a todos los ciudadanos a participar activamente en las actividades y programas patrocinados por Tu Casa, Inc. y otras organizaciones comunitarias para trabajar hacia la eliminación de la violencia de pareja.

Dabo bajo mi firma y sello de la ciudad de Alamosa, Colorado, el día 18 de Octubre de 2023.

Day of Kindness Proclamation

***WHEREAS**, a simple act of kindness can brighten a person's day, increase good will among people, build deeper connections and cooperation in our community; and promote healing of broken relationships; and*

***WHEREAS**, the City Council of Alamosa, Colorado, wants Alamosa to be a community of good will, civility, respect, and cooperation; and*

***WHEREAS**, nowadays too many interactions in our society are characterized by ill will, incivility, and division;*

***NOW THEREFORE**, be it resolved that we, the City Council of Alamosa, Colorado, do hereby proclaim*

October 21, 2023 to be a Day of Kindness

in our community in work settings, neighborhoods, schools, organizations, families, or any group to which a resident of Alamosa belongs. On this day, and on any day thereafter, we encourage people to do at least one act of kindness to someone, be they friend, family, co-worker or stranger.

Given under my hand and seal of the City of Alamosa, Colorado on this 18th day of October, 2023.

Ty Coleman, Mayor

Community Non-Violence Coalition

The Community Non-Violence Coalition formed after a workshop held last spring entitled “Change the Story Through Non-Violent Action” with Rivera Sun, an author who also gives expert presentations on non-violence. This workshop was presented one Saturday at ASU with perhaps fifty people in attendance.

The Coalition wants to hold more events in the San Luis Valley that emphasize the effectiveness and importance of non-violence. It's has adopted the following mission statement:

As residents of the San Luis Valley, we may have differences of opinion on things like culture, religion, or politics, but we share a LOT in common. In this age of division and polarization, we commit to listen to each other and work to understand each other with open minds and hearts. WE are the SLV.

The Coalition has been inspired the book “Together, the Healing Power of Human Connection in a Sometimes Lonely World” by Vivek Murthy. One chapter tells the story of Tom Tait, who ran for mayor of Anaheim, California on a platform emphasizing kindness. He wanted to establish a core value of kindness for city residents. He was elected by a substantial margin. Over the next ten years, in a myriad of ways, he encouraged residents to adopt kindness as a principle of interaction with each other. He tapped into the power of kindness to create civic structures and service initiatives that made his community safer, healthier, and more connected.

Eventually Tom's message spread to other places. He visited mayors in Mumbai and South Delhi. He was invited to Washington D.C. to discuss how kindness could build society with stronger connections and social resilience. He was even invited by the US State Department Bureau of Counter-terrorism to go to Germany to talk about how a culture of kindness could be used to counter extremism.

Our coalition wants to carry forward the message that kindness, if adopted by a community, can transform social interactions and lead to greater safety and resilience, improved personal connections, and increased happiness for everyone. For it is true that an act of kindness, no matter how small, is never wasted. Thus we ask the City of Alamosa to adopt the Proclamation for a Day of Kindness in Alamosa.

TO: City Manager

SUBJ: For your review: Monthly Financial Report for April 2023

Recommendation

Staff respectfully recommends that Council accept the Monthly Financial Report.

Background

Attached for your review and information is the Monthly Financial Report for April 2023. The report is for all City Funds. The report shows the fiscal and period activity within the same report, making it easier to read and understand the City's current position. The accounts have been reconciled to the bank.

The following table presents summary information for the General, Enterprise, Community Recreation and Street Trust Funds as of April 30, 2023.

COUNCIL COMMUNICATION

DATE October 2, 2023		AGENDA NO.C. 8. a	SUBJECT: IT Director Monthly Report for September 2023
Department Head: 			
City Manager:			
PRESENTED BY: James A. Belknap			

Below is a statement regarding major issues covered by the City IT Department:

September 2023 Report

- IT worked with Rocky Mountain Fire and Alarm to replace a wooden pole at St. Benedict's Campsite. The wooden pole showed signs of physical destruction which spurred the project. The new metal pole was assembled on-site with 4 cameras, 2 access points, networking equipment, and power rerouted. Additionally, the reconstructed pole was set up in a way that allows for continuation of the fiber communications line if needed in the future.
- IT worked with the web developer for the new public website to train on capturing and restoring backups of the website as well as other minor configuration options.
- IT has begun multiple projects in the aim to increase overall network security. One of the completed projects was the evaluation and cleanup of the City firewall. All secure network traffic is routed through the central firewall with specific rules dictating what traffic is allowed in and out. Many

rules from servers no longer operating and new rules that promote security were placed or removed to streamline the administration of the device.

- IT upgraded the storage capacity of the Tyler Content Module server. This server mediates the secure access and management of all documents uploaded to the Tyler infrastructure. As the City moves towards a digital environment, occasional expansions and other maintenance will be required.
- Attended the SIPA (State Internet Portal Authority) User Conference where IT accepted a micro-grant for \$6,500 for the project of improving accessibility to key City documents hosted on the City website. The conference also included an agenda of talks that focused on cybersecurity, leadership, and the latest trends and best practices of local government IT.
 - During the SIPA conference, IT engaged in a “lessons learned” discussion of a recent malware/crypto virus attack experienced by the City of Wheat Ridge. IT will be using the items discussed to further shape and mature the City of Alamosa’s cybersecurity and cyber attack preparedness.
- Attended meetings discussing the role out and requirements of HB-1110 as it pertains to the City website and technology.
- After multiple short outages of a section of the City network, IT determined that there was a fault in the optical network module in the switch located at the Rec Center. The module was replaced and the network appears to be passing traffic properly.
- Worked on an issue where the Council Chambers network audio recorder was no longer allowing access to its web interface for management. A workaround is in place until a definitive fix is found.
- Updated the City’s Building Department page to reflect the adoption of the new IBC. Included were minor updates to the graphics and wording of parts of the page.

- Created a web page for the Creative District Committee page.
- Troubleshoot various hardware issues on the computer in the HR office. This computer is up for its 5 year replacement in the beginning of 2024. Some fixes are in place to hold over the operation of this computer.
- Worked with the City Planner to upgrade components of ArcPro.
- Worked with the City Website developer to convert an infographic provided by the Development Services Department into an accessible image with proper alt text assignment.
- Worked with Peak Information Systems and the Recreation Department to evaluate the fit and functionality of a software platform used to manage the Rec Center's operations.
- Provided Wifi for the Oktobrewfest even held in Cole Park.
- Patched all City-owned computers to the latest patch and vulnerability fixes from Microsoft. This monthly patching helps protect our computers from malicious software, resolve general Windows issues/bugs, and provide access to new Windows features.

In Monte Vista, we performed the following items:

- Deputy Clerk drive replacement
- Head Clerks Caselle account rebuilt due to password issues
- Proximity cards for HR
- Adjustment to REC website - added a new link
- Server room AC went down
- Temporary AC system setup and functional
- City manager setup with Adobe creative cloud
- Phone lines setup in new office
- Installed AutoCAD software to Planning PC
- Internal phone extension list updated
- Cell cancellation
- Got stuck door to read again
- Moved planning office around, re-ran cabling

Network Health

Adlumin's Network Health Index uses an algorithm based on network management best practices and provides a high-level view of risk within your organization. Updated: 2023-10-01 00:00:56 UTC

Category	Details	Status	Metric	Deduction
Detections - Critical	Detections marked "Critical" by machine learning or custom configuration that are unacknowledged. Acknowledge Critical detection's to increase your network health score.		13	-30
Detections - High	Detections marked "High" by machine learning or custom configuration that are unacknowledged. Acknowledge High detections to increase your network health score.		24	-10
Accounts with Passwords that Do Not Expire	These are accounts that are configured with passwords that never expire. Change the configuration or input a note with your valid business reason for each account to increase your network health score.		0.4%	0
At Risk Shares	At risk shares are networked shared resources where there is the potential for unprivileged accounts or groups to have privileged access, FULLCONTROL, or elevated access to networked shared drives.		0.65%	0
At Risk Systems	At risk systems are systems where there is the potential for unprivileged accounts or groups to have privileged access, administrative access, to networked systems.		0%	0
Circular Groups	Circular logic indicates a group object is both a parent and child of another group. This may have unintended consequences and provide privileged access to network resources. Change the group configuration to increase your network health index.		0	0
IT Operations Failures	Repeated failed logon attempts may indicate a brute force attack or disruption of network services. Discover the reason for the repeated account failures and disable the process.		0	0
Account Password Expiration Duration	This metric indicates a compliance violation. These accounts are enabled, not locked, and the last time their password was reset exceeds the time limit of 90 days. Change the configuration or input a note with your valid business reason for each account to increase your network health score.		2.41	-2
Privileged Domain Accounts	Adlumin has determined that you have an abnormally high number of privileged domain accounts. Reduce the number of privileged domain accounts to increase your network health score.		4.42%	0

Category	Details	Status	Metric	Deduction
Reversible Encryption	This metric indicates a compliance violation. Storing encrypted passwords in a way that is reversible means that the encrypted passwords can be decrypted. Change the configuration or input a note with your valid business reason for each account to increase your network health score.		false	0
Snapshot365	Log data clusters stored securely for compliance requirements. Contact Adlumin Support to activate SnapShot365.		false	-3
Stale Accounts	This metric is a compliance violation. These accounts have not been logged into the last 90 days. Change the configuration or input a note with your valid business reason for each account to increase your network health score.		6.02%	-7
Network Health Index			48%

Cattails Golf Course September 2023 Report

Cattails Updates

Even though the year is coming to an end, there are a lot of big things happening at Cattails. The back 9 irrigation project is a go and there is a chance the project will be completed this year. Heritage Links will be the company installing the new system. They are the same company that installed the front 9 system in 2019.

The course right now is in spectacular shape. We are in a great spot heading into winter. Britt has been busy getting the greens ready for winter spraying different chemicals. He has also sprayed problem areas with broadleaf herbicide to try and get rid of weeds in the fairways.

Our fall merchandise sale has started in the pro shop. It is always our goal to sell out of everything by the end of the year. Hopefully with the sale and shop credit needing to be spent, we will get close this year. Last year was by far the best year we have had in merchandise sales revenue and we have already surpassed those numbers this year.

Cattails was the host site for the high school regional championship. Our course proved to be a great test to the traveling players. There was nothing but positive feedback and we are set to host again in 2024.

Library Manager Report – September 2023

Highlights

The Gnome-Coming struck again, with **109 total attendees** at a variety of programs. Cathy Zverev, Judith Boyd, and Holly van Hoy jointly planned this program. More information is in the Youth Services Report.

The Library discontinued our Kanopy subscription to redirect money elsewhere in 2024.

The Library's new Cricut was opened for public use, and our new Cubelet set made its public debut.

By the Numbers

- Despite computer use still having decreased from 2022, wifi use and computer help questions fielded by staff have both increased - **computer help by 74%!**
- Program attendance was **26% higher** in September 2023 than September 2022.
- Circulations via Little Free Libraries were **41% higher** in September 2023 than September 2022.

Proud of their candy sushi creations.

Partnerships and Outreach

Parent-Teacher Conference Outreach

Staff were invited to have an outreach table at the AES parent-teacher conferences, where we talked to about **150 people**.

Tierra Nueva

Staff visited Tierra Nueva three times in September, with candy sushi, art and teamwork challenges.

Attendance = 42

Books = 25

Advantage Treatment Center

Due to some schedule conflicts, staff could only visit the women's group at the ATC.

Attendance = 9

Books = 17

Programs

Gnome-Coming

We hosted the Gnome-Coming for the second year in a row, with programs for all ages, including a Goblin-Themed D&D game for the tweens. Total attendance was **109**. More information is available in the Youth Services Report.

Technology Open House

To celebrate the public release of the Library's Cricut machine, we held a Saturday open house. In this open house, we also featured our new Cubelets and our 3D printer. **27 people** attended.

Adult Book Club

The book club had their first real meeting in September to discuss *In the DreamHouse*. There were **8 attendees**.

Tween Nights

D&D = 8

Candy Sushi = 4

The face of excitement at the tween D&D game.

Regular Youth Programs

This month, we had great

attendance at storytimes, kids club, chess club, and Lucy's Listening. More information is available in the Youth Services Report.

Attendance = 297

Services

1-on-1 Tech Help Service

Staff fielded **5 tech help appointments** for 4 patrons this month. All four patrons agreed or strongly agreed that they had learned what they needed to, and could do what they needed to do in the future.

"Thank you! Excellent service." - Richard G.

Blindfolded puzzling at the teamwork challenge.

Our 2nd Annual "Gnomecoming ," a week long series of events, was a fun way to invite patrons to say farewell to summer and welcome autumn with our beloved Library Gnome characters.

Gnomecoming 2023

Special Gnomecoming events were sprinkled throughout the week of September 11th, and despite the rain - soaked afternoon of the culminating event, combined attendance across all events topped last year's (109 attendees in 2023 and 101 attendees in 2022). The Library's hilarious take on homecoming events is met with lots of smiles and positive feedback from kids and adults alike. We're already planning ways we can further connect the community with this fun Library event!

Gnomecoming creator and now master baker Judith Boyd baked 100 tiny cupcakes to serve as the base for the Strawberry Gnome afternoon event. A parent helps her toddler develop fine motor skills as they pipe icing.

Participants came dressed as gnomes for the Gnomecoming parade! To keep our delicate parade floats out of the downpour outside, we paraded around the entire Library, shouting the refrain created by the kids: "Gnomecoming!"

AmeriCorps member and Library volunteer Beck West leads a group of gnomes in the oversized version of our original board game, Runaway Gnomes. There was also a rousing game of "Larry Says," in which kids took turns reading directives from Larry the Library Gnome (instead of Simon).

Tech Open House

The Library hosted an Open House to feature three of our latest tech acquisitions that are available to patrons: the 3D printer, a Cricut stencil cutting machine and Cubelets Robot Blocks. While this wasn't specifically a youth-driven event, many of the 27 attendees were young people and their families. After playing with the Cubelets for three hours, Amelia (age 8) gave some feedback, saying, "These (Cubelets) are fun! I didn't know how to use these at first, and now I do!" Thanks to teen volunteers Zane and Cooper Stephenson for helping out all morning with the Cubelets! We also offered plain tote bags for attendees to paint using stencils printed by the Cricut. Of course, there were many gnomes...

FFN “Play, Learn & Grow” Workshop

In August, the first of our FFN “Play, Learn & Grow” workshops were offered. This is a program supported by the Growing Readers Together initiative of the Colorado State Library, complete with videos that provide Family, Friend and Neighbor (FFN) caregivers with knowledge on child development and early literacy, as well as fun activity ideas to try with the young learners in their care. The Library purchased early literacy materials for attendees to take home, funded by the Growing Readers Together grant award. While registration and attendance was low (2 registrants, 1 attendee), the discussion was invigorating and encouraging. We will offer the workshop again in October.

Storytime

Storytime returned to Tuesdays and Fridays in September. The attendees on Tuesdays are a different group of people than Fridays, while the Friday group size has remained the same as last month. This reveals that we're serving Storytime to more patrons, not to the same patrons twice a week.

Kids Club

APL borrowed a Music Kit from the Colorado State Library and the Kids Club group took full advantage of it for two weeks! The Kit contained eight ukuleles, as well as beginner books, tuners, picks of various types and a few kazoos. The Kit was a hit! Thanks to Teacher Beck and teen volunteer Edith Wilner for helping out, and to future teen volunteer Lyra Fritschka for teaching us some new call and response warm - ups!

(L) Caleb's favorite artist on YouTube is "Boy with Uke," so he was intent on getting practice time in with the ukulele. He borrowed it for in-library use twice more outside of Kids Club. (R) Edith teaches Amelia a song.
